2. The draft will be taken into consideration on or after the 9th August 1937, any objection or suggestion received by the undersigned before that date will be duly considered.

Draft rules.

So long as the Commissioners deem it practicable and consistent with the maintenance of an efficient water-supply, they may grant to any owner or occupier of a holding paying a water rate imposed under the provisions of Chapter VIII of the Bengal Municipal Act, 1932, on the annual value of such holding, when such annual value is not less than Rs. 125, a connecting-pipe from the service-pipes of the Commissioners for the purpose of leading water to such holding for domestic purposes only.

1. The owner or occupier of any holding requiring water to be laid on to such holding for domestic purposes must apply for the same on the printed form A to be supplied free of cost at the municipal office. The conditions subject to which a house connection will be given are set out in the form, and the owner or occupier shall sign the statement undertaking to observe the rules before a house connection will be given.

2. A fee of Rs. 40 shall be paid to the Commissioners by such owner or occupier for each connection to a municipal main supply-pipe before any work is commenced. An additional fee of Rs. 35 shall be paid within six months of the date of the application, failing which the connection will be cut off. The total fee shall be in addition to all other costs and charges imposed under these rules.

3. Each holding must have a separate connection to the municipal main supply-pipe. Extension from the communication-pipe of one holding to another holding shall not be permitted and combination of holdings for the purpose of these rules shall not be allowed.

4. The connection shall consist of two portions—

- (a) the service-pipe from the street main to the boundary of the holding, including ferrule, stop-cock and check-pipes;
- (b) the storage tank (or tanks) with service-pipe connecting to it from the boundary of the holding, also outlet-pipes, taps and other accessories as required.

5. The items referred to in clause (a) of rule 4 shall be provided and fixed by and at the expense of the Commissioners, and such pipes and fittings shall remain as their property.

6. The items referred to in clause (b) of rule 4 shall be provided and fixed at the expense of the owner or occupier and shall be maintained by him in good working order. The tank shall be suitably covered and protected and shall be provided with locked lid, ball-valve, stop-valve and overflow-pipe. The inlet and outlet pipes shall be so laid that they may be protected from sun-heat.

7. The owner or occupier shall not permit the service-pipe, including the items referred to in clauses (a) and (b) of rule 4 or any part thereof to be altered, removed or interfered with by any person other than an authorised representative of the Commissioners, who shall be empowered by the Commissioners to alter or adjust the service-pipe as may from time to time be necessary for the maintenance of the requisite flow of water. No tapping (or branching off) of the service-pipe shall be allowed except at a level approximately the same as that of the valve.

8. The tank referred to in rule 4(b) shall be durable and water-tight and the cover, overflow-pipe and other accessories shall be so constructed that mosquitoes cannot enter the tank, and the ball-valve and the other fittings shall be exact duplicates of standard samples kept in the office of the Commissioners and approved by them at a meeting. The storage tank or tanks shall be cleaned and sterilized quarterly at the expense of the owner or occupier under the supervision of an officer of the municipality.

9. Every storage tank shall be fitted with an overflow-pipe, the end of which shall project over the wall of the house and shall be placed in a conspicuous position. Discharge of water from the overflow-pipe means that the ball-valve is failing to function, and the owner or occupier shall notify the waterworks officers every time he finds such discharge occurring.

10. Every owner or occupier of any holding, in respect of which a connection has been made under these rules, shall be entitled to supply of water corresponding to the annual valuation of such holding, according to the following table:—

For holdings with annual valuations above Rs. 1,200 the daily quantity of water (in gallons) will be calculated as follows:—

Class A.—The valuation divided by 2·5.

Class B.—The valuation divided by 4.

A "Class A" holding is one in which enough water-flushed latrines have been installed to serve the whole household, and consequently in which the services of municipal sweepers for the removal of night-soil are unnecessary.

A "Class B" holding is one in which the above condition is not fulfilled.

11. If additional water is required over and above the supply of water referred to in rule 10, requisition shall be made for the same to the Commissioners in form C. The requisition shall be for a period of not less than one year, and payment shall be made in advance for the whole year at the rate of one pie per 10 gallons of additional water per day requisitioned.

When the above conditions have been complied with, the Commissioners shall have the house connection adjusted so as to enable the additional water to be supplied, the adjustment of the connection and the payment being based on the particulars furnished by the applicant in form C.

12. In case the owner or occupier requires for a special occasion or for any other purpose more water than the amount to which he is entitled according to rule 10, he may apply to the Commissioners in form B (obtainable at the municipal office free of charge) for a temporary connection. He shall pay in advance the sum of Rs. 10 per

tank as cost and also shall pay weekly the following charges during the whole time he retains the temporary connection:—

- (a) For a supply of 200 gallons per day—annas 8 per day.
- (b) For a supply of 300 gallons per day—annas 12 per day.
- (c) For a supply of 450 gallons per day—Rs. 1 per day.
- (d) For a supply of 600 gallons per day—Rs. 1-4 per day.
- (e) For a supply of 750 gallons per day—Rs. 1-8 per day.
- (f) For a supply of 900 gallons per day—Rs. 1-12 per day.
- (g) For a supply of 1,100 gallons per day—Rs. 2 per day.

He shall state in his application the number of weeks for which the connection is required.

13. On receipt of the application, together with the fees as provided in rule 12, the Commissioners shall forthwith instal within the compound and at a level of two feet above ground an additional storage tank (or tanks) of 300 gallons capacity with ball-valve and two taps fixed to each tank. They shall connect the same to the street main by a service-pipe or pipes, and do all other work necessary to commence and maintain the supply.

The Commissioners shall keep in stock a number of tanks, with pipes, fittings, etc., for the above purpose.

14. The payment referred to in rule 12 shall be made once a week. In case the owner or occupier fails to make the payment weekly, the Commissioners or their officers may at once stop the supply of water and remove the storage tank or tanks, temporary service-pipe, etc.

15. Two or more such temporary connections may be taken, if required, on payment of additional costs and weekly charges.

16. The Commissioners may cut off the connection between any waterworks of the Commissioners and any holding to which water is supplied from such works, or may turn off such supply, in any of the following cases, viz.—

- (a) if the holding is unoccupied;
- (b) if the occupier fails to pay his water rate;
- (c) if the occupier in any way interferes with, damages or alters the service-pipe; and
- (d) if the occupier refuses to admit any officer duly empowered in that behalf into the holding for the purpose of making any examination or inspection of the service-pipe or storage tank, or prevents such officer from making such examination or inspection:

Provided that twenty-four hours' notice in writing of such examination or inspection may be demanded.

17. The works required under rule 4(b) shall be carried out by a person or firm employed by owner or occupier and approved by the Commissioners. For this purpose the Commissioners shall grant licenses to approved persons or firms, who should preferably have had previous experience in plumbing work.

18. No connection shall be permitted to any holding unless and until the owner or occupier makes effective provision to the satisfaction of the Commissioners for draining away all waste water.

Every such owner shall execute general power of attorney in favour of such an agent, and a copy of such power of attorney shall be lodged with the Governor General in Council along with the name and address of such agent.</p>
Licence to carry on business in coastal traffic.	<p>4. No person being the owner of a ship or sailing vessel of any description shall be entitled to carry on business in coastal traffic in British India unless he obtained a licence for the purpose from the Governor General in Council.</p>
Penalty for carrying on business without licence.	<p>5. Any person carrying on business in coastal traffic in British India without obtaining a licence as herein provided shall be liable to be punished on summary conviction by a Magistrate with First Class powers appointed for the purpose by the Governor General in Council with a fine not exceeding Rs. 10,000 and may at the option of the Governor General in Council be debarred from bringing in any ship or sailing vessel into any port in British India for such terms and on such conditions as the Governor General in Council may direct, in which latter event the Governor General in Council shall allow such person an opportunity of making his submissions, if any, and shall mention the grounds on which such order is based.</p>

No owner of a ship or sailing vessel shall charge as freight and fare for the carriage of goods and passengers, respectively, from any port in British India to any other ports in British India or the continent of India or <i>vice versa</i> a sum below the minimum sum prescribed for the purpose by the Governor General in Council, nor shall he or they charge any sum in excess of the maximum prescribed for the purpose by the Governor General in Council.</p>

Any owner of a ship or a sailing vessel committing a breach of the provisions of clauses 6 and 7 hereof shall be liable to have his licence cancelled altogether or suspended for a period considered necessary by a notification to be published by the Governor General in Council in the Official Gazette, provided that the notification shall mention the grounds on which such licence is being cancelled or suspended. No licence shall be either cancelled or suspended without first giving to such owner an opportunity of making his submissions, if any, to the Governor General in Council.</p>
Terms and conditions of licence and the fixing of maximum and minimum rates.	<p>9. The Governor General in Council may, by notification in the Official Gazette, from time to time prescribe (a) the terms and conditions upon which a licence to carry on business in coastal traffic shall be granted, (b) the minimum and the maximum rate which may be charged for carriage of goods or passengers from any port in British India to any other port in British India or Burma or Ceylon or <i>vice versa</i>.</p>
Appeal.	<p>10. Any owner aggrieved by either an order passed by the Governor General in Council debarring him from bringing any ship or sailing vessel into any port in British India in accordance with the provisions of clause 7 hereof, or an order cancelling his licence in accordance with the provisions of clause 8 hereof shall be entitled to prefer an appeal to the High Court, and such Court shall on such appeal be competent to set aside, confirm or modify any order passed by the Governor General in Council.</p>

STATEMENT OF OBJECTS AND REASONS.

This Bill was originally introduced by me in the last Council and was circulated for eliciting opinions thereon. It however fell through with the dissolution of the Council.

It has since been redrafted with a view to meet certain criticisms to which the Bill as originally drafted had been subjected both as regards certain of its provisions as well as matters of which no cognizance had been taken.

The object of this Bill continues the same as before. It is intended to remove a possible impediment to the growth and development of the Indian Mercantile Marine. There is no question of any discrimination between British and Indian shipping. Past experience, however, shows that a well established powerful company engaged in coastal traffic can easily put a new venture out of action by unfair competition, *e.g.*, rate-cutting, grant of rebates, etc. The fear of unfair competition deters Indian capital being invested in coastal shipping. If the Governor General in Council be given power to prevent such competition, the fear will be largely allayed and a new line of commercial activity may be opened out to Indians.

By this Bill it is provided that only persons holding licences from the Governor General in Council will be entitled to carry on business in coastal traffic in India. Power is also given to the Governor General in Council to fix the maximum and the minimum rates of freight and fares and also to prevent the grant of rebates or other concessions which are calculated to reduce such minimum rates. The carrying on of business in coastal traffic without a licence is made penal as also the contravention of any rule prescribed by the Governor General in Council with regard to the grant of rebates or other concessions.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

[As introduced in the Legislative Assembly.]

A Bill to declare that properties of a Muslim dying intestate and without any heir devolve upon the Muslim Community.

WHEREAS doubts have arisen whether properties of an intestate owner dying without any heir should devolve upon the Muslim Community or be escheated to the Crown ;

AND WHEREAS it is expedient to resolve such doubts ;

It is hereby enacted as follows :—

Short title,
application and
extent.

1. (1) This Act may be called the Muslim Intestate Succession Act, 193 .

(2) It shall apply to the estate both moveable and immoveable of a Muslim, subject to the Muslim law of succession, dying intestate without any heir, and shall extend to the whole of British India.

Devolution of
intestate estate.

2. Notwithstanding any law or custom to the contrary, the estate of a Muslim, subject to the Muslim law of succession, dying intestate without any heir shall devolve on the Muslim Community and shall not escheat to the Crown.

STATEMENT OF OBJECTS AND REASONS.

This Bill is intended to provide that the estate of an intestate Muslim, subject to the Muslim law, dying without any heir shall devolve on the Muslim Community in accordance with the *Shariat* in preference to its escheating to the Crown.

This rule of common law is inapplicable to Muslims who are subject to their own law which provides for such a contingency.

Section 112 of the Government of India Act provides :—

“The High Courts at Calcutta, Madras and Bombay in the exercise of their original jurisdiction in suits against inhabitants of Calcutta, Madras or Bombay, as the case may be, shall, in matters of inheritance and succession to lands, rents and goods, and in matters of contract and dealing between party and party, when both parties are subject to the same personal law or custom having the force of law, decide according to that personal law or custom, and when the parties are subject to different personal laws or customs having the force of law, decide according to the law or custom to which the defendant is subject.”

The effect of this section is that in matters of inheritance and succession to both moveable and immoveable properties, the law to be administered to the Muslims is their personal law which *in this respect* has not been altered or established by any legislative enactment. The pure rule of Muslim law is that the property of an intestate and heirless Muslim on his death devolves upon the Muslim Community on whose behalf the *Baitul-mal*, if existing in any locality, may receive it, or which may make any other arrangements for the custody, maintenance and expenditure of such properties. (a) Includes figures for the Eden Canal which was amalgamated with the Damodar Canal system with effect from the year 1933-34.

3. General.—The total capital expenditure of the department during 1935-36 was Rs. 5,26,020 after deducting receipts and recoveries on capital account amounting to Rs. 13,827 as against Rs. 2,48,024 in the previous year. The major portion of this capital outlay was on the Damodar Canal Project, only about Rs. 5,800 being spent on the Calcutta and Eastern Canals and the Madaripur Bil Route.

The only important project which was under construction during the year under review is the Damodar Irrigation Canal. The work on the project which has been designed to irrigate about 200,000 acres of land, mostly for cultivation of paddy in the districts of Burdwan and Hooghly, was started in 1926-27 and was practically completed during the year under review. The revenue account of the canal was opened from 1st April 1933 and the construction estimate closed from 30th September 1935. In August 1935, an unusually high flood in the river Damodar (the highest known since 1913) breached the Damodar Left Embankment in several places and inundated the countryside. The flood water made its way into the canal by breaching the bank of the canal system and caused considerable and serious damage to the main

weir of the project called the Anderson Weir, necessitating reconditioning of the weir and heavy special repairs to protective works downstream of all the structures in the canal system. An estimate amounting to Rs. 12,98,208 was sanctioned and the special repair work taken up during the cold weather of 1935-36.

During the year under review the rainfall in the irrigable area of the Damodar Canal was insufficient and unequal in distribution and so there was a keen demand for canal water throughout the irrigation season. The total area actually irrigated by the canal was 132,278 acres as compared with 85,081 acres in the previous year. As in the previous year, crop-cutting experiments were carried out in several mauzas which showed that the outturn of paddy in the irrigated areas was very satisfactory in comparison with that in the non-irrigated areas.

The newly-constructed Bakreswar Irrigation Canal in the Birbhum district irrigated an area of 6,489 acres as against 7,760 acres in the previous year. Owing to drought in the catchment area of Bakreswar river after the middle of September, it was not possible to irrigate all the leased area during the

critical period of October and consequently the crops in some fields suffered.

The Bengal Development Bill was passed by the Bengal Legislative Council in 1935. It provides for the development of lands in Bengal and imposes a levy in respect of increased profits resulting from improvement works constructed by the Government. The legislation was the outcome of the suggestion in the Irrigation Department Committee's Report, 1930, that the cost of schemes financed by the Government out of loan funds should be met by means of a cess levied at a flat rate on the total area benefited. The Act (the Bengal Development Act XVI of 1935) which came into force from 23rd January 1936 will be applicable to the areas covered by the newly-constructed Damodar Canal and the Bakreswar Canal.

The new locks and sluices on the Lower Kumar river were operated during the year and gave satisfactory results.

The project for the construction of the Grand Trunk Canal to provide a shorter inland steamer route from Calcutta to Eastern Bengal and Assam was held in abeyance. A capital expenditure of Rs. 9,629 (direct and indirect) was, however, incurred as in previous years on the upkeep of buildings on the acquired land and on petty establishment and tools and plant, with a return of Rs. 12,195 on account of receipts and recoveries on capital account.

The expenditure on revenue account during the year amounted to Rs. 25,94,249 of which Rs. 4,22,552 were spent on irrigation works proper, the principal items being the Midnapore Canal, the Bakreswar Canal, the Damodar and Eden Canals and the contour surveys in Western and Central Bengal. The expenditure on the Midnapore Canal was Rs. 1,31,834 which included Rs. 43,691 for maintenance and repairs and Rs. 87,706 for overhead charges. The expenditure on the Bakreswar Canal was Rs. 12,422, while that on the Damodar Canal including the Eden Canal amounted to Rs. 2,15,993. The administrative approval of Government was accorded to contour surveys of certain areas in Central and Western Bengal being undertaken at an estimated cost of Rs. 1,46,000 as it is expected that from such surveys projects and

schemes will emerge in the near future which will be remunerative and suitable for adoption under the Bengal Development Act. The survey for which a programme of three years was drawn up commenced from the cold season of 1936 and a sum of Rs. 28,186 was spent during 1935-36. The rest of the expenditure on revenue account was on navigation, embankment and drainage works. The expenditure on navigation was mainly for (1) upkeep of the five suction dredgers, (2) maintenance of the Hijli Tidal Canal, (3) maintenance of the existing steamer and boat routes from Calcutta to Eastern Bengal and Assam including the reconstruction of the bridges over the Calcutta Canals and Tolly's Nala to the cost of which the Calcutta Improvement Trust and the Calcutta Corporation contributed in certain cases and (4) conservancy of some of the principal navigable rivers of the province, such as the Ganges, the Dhalleswari and the Buriganga. The expenditure on the Hijli Tidal Canal, the Calcutta and Eastern Canals, the Sundarbans Steamer Route and the Madaripur Bil Route was Rs. 1,32,212, Rs. 5,55,017, Rs. 47,188 and Rs. 1,82,085 respectively, as compared with Rs. 58,724, Rs. 6,27,712, Rs. 54,000 and Rs. 2,26,053, while the cost of upkeep of the dredgers amounted to Rs. 92,915 as against Rs. 80,432 in the previous year. There was a marked decrease in the working expenses of the principal navigation canals except the Hijli Tidal Canal. The increased expenditure on the latter was mainly due to the construction of a sluice at Kalinagar for improving the drainage in that locality. Out of the 5 suction dredgers, 4 were laid up throughout the year, the dredger "Foyers" only being employed on dredging the Lower Kumar river, the Haturia Shoal, the Meghna Shoal and the Mongalpur and Haridaspur Shoals. To avoid heavy maintenance charges on these dredgers, endeavours were made by advertisement both in India and abroad to sell the dredgers "Burdwan" and "Cowley" but no buyers were found. It has since been decided to sell these two dredgers by parts as scrap.

The total revenue receipts and working expenses of the department during the year were Rs. 13,78,369 and Rs. 25,94,249 respectively as against Rs. 11,40,766 and Rs. 26,19,766 in the previous year. The appreciable increase

of over Rs. 2,30,000 of revenue was due to increased collection of water rates from the Damodar Canal area, where, as already stated, in consequence of a keen demand for canal water throughout the irrigation season a greater area came under lease than in the previous year. The area irrigated from the Bakreswar Canal slightly decreased on account of non-supply of water in the month of October due to drought in the catchment area of the Bakreswar river as already explained and consequently the receipt was about Rs. 2,000 less than that in the previous year. The yield from the Midnapore Canal shows no sign of improvement although the irrigated area of the canal increased to some extent during the year as compared with the previous year. This is possibly due to the bad economic condition of the raiyats in this tract as stated in the previous year's report. The causes of this decline in revenue from the canal are, however, being further investigated. The receipt from the Hijili Tidal Canal was about Rs. 30,000 more than that in the previous year. The financial results of other navigation canals were somewhat more favourable than in the previous year, as, though the receipts from these canals were on the decrease due to continued trade depression, the working expenses were considerably less.

Owing to financial stringency it was not possible to undertake any of the major schemes already administratively approved and the policy of Government has still perforce been restricted to smaller schemes of local benefit. The Ghuznavi Cut—a channel connecting the Mathabhanga river with the Nabaganga near Meherpur, constructed in 1933 by the District Board of Nadia with a contribution from Government and the Bejoy Cut—to flush the Bhairab-Kabadak river by means of a junction cut from the Mathabhanga at Joynagar carried out by the District Board of Nadia in 1935, are instances of schemes of this nature. The Ghuznavi Cut operated successfully during the year, but the Bejoy Cut did not function satisfactorily owing to the late opening of the cut and also to the existence of obstructions in the bed of the Bhairab-Kabadak river. Attempts are being made to remove these obstructions.

An amount of Rs. 3,03,000 was allocated to this department out of the Government of India grant of about Rs. 16,00,000 to this province for rural

upliftment. The amount was meant for executing small drainage and flushing schemes to improve rural conditions. Accordingly schemes of this nature were selected in some of the districts of Bengal in consultation with the district authorities and district boards during the year under review. In some districts such schemes have already been completed, in others they are in progress, while in several districts the schemes are under preparation.

The free flushing of the malaria-stricken areas at Naraingarh, Pingla-Kotai and Kola-Panskura in the Midnapore district with the water of the Midnapore Canal was continued during the year. The area actually flushed covered 11,020 acres of land. The result was on the whole satisfactory.

Flushing of the Gobranulla by admitting water from the Kalkali river through the Gobra Cut, and of the Uttampur Cut connecting the Jalangi river at Uttampur with the Bhairab river at Natua was also carried out during the flood season with a satisfactory result.

The department maintained about 1,290 miles of embankments during the year. The policy of gradually abandoning those embankments which by experience have been found to be injurious to the country by obstructing the free discharge of flood-water was continued and a length of 2 miles 4,020 feet of existing embankments was abandoned. The total amount spent on maintenance of embankment and drainage works, such as Magrahat drainage works, Rajapur drainage works, etc., was Rs. 9,00,895 as against Rs. 8,99,867 in the previous year.

The department has also to deal with the protection of towns from river erosion. During the year under review the river dealt with was the Dharla at Kurigram. Some years back the river abandoned its old course and developed a new one resulting in very rapid erosion at Kurigram where considerable land and property were absorbed and the existence of the subdivisional town was also threatened. Accordingly during the year protective measures were undertaken at a cost of Rs. 18,431 to save the town. There was also erosion at Chandpur and Narayanganj and those two sites were kept under observation.

The department also undertakes surveys and investigations with a view to examining the feasibility of working out schemes for irrigation and drainage purposes. It also conducts discharge observations and collects hydraulic data of all important rivers. Apart from starting work on the contour survey of Central and Western Bengal already alluded to, many important surveys were carried out during the year of which the following were the chief:—

(1) Survey and borings in connection with the scheme for flushing the area north-west of Bhagwangola retired line, (2) survey of the area between Chalan bil and Fuljore bridge, (3) special survey for the alignment of a cut west of Kendua village to drain Tildanga area, (4) survey of the Darkeswar Reservoir Project, (5) survey of the test line for the More main canal, (6) survey of the Reservoir area for the More Reservoir Project, (7) aerial survey of the Padma from Faridpur to Haturia, (8) survey of the old Brahmaputra river, (9) survey of the river Attarabanka and (10) survey of the river Gumti in the district of Tippera. Besides, gauge-readings and discharges of important rivers in North Bengal and hydraulic condition in the Malda district were observed.

The following is a list of important works under execution or in charge of this department:—

- (1) The Damodar Canal Project.
- (2) The Bakreswar Canal Project.

The last two works are carried on by the Joint Steamer Companies on behalf of this department.

4. The Damodar Canal Project.—The total capital expenditure (direct and indirect) to the end of the year 1935-36 was Rs. 1,11,05,061 as against

the revised estimate of Rs. 78,14,981 sanctioned by the local Government in 1925. A second revised estimate prepared by the Chief Engineer showing up-to-date financial results of the project is now under the examination of Government. Receipts and working expenses during the year amounted to Rs. 4,74,182 and Rs. 2,15,993 respectively as against Rs. 96,671 and Rs. 2,52,120 in the previous year. The result was a net revenue of Rs. 2,58,189 as against the deficit of Rs. 1,55,449 in the previous year.

5. The Bakreswar Irrigation scheme.—The construction work in connection with the scheme was started in 1927 and practically completed in March 1933. The capital expenditure (direct and indirect) to the end of the year 1935-36 amounted to Rs. 7,13,875 against the sanctioned estimate of Rs. 4,90,596. It has been decided that a revised estimate is no longer necessary; so a completion report on the scheme is now under preparation. The gross revenue and working expenses during the year were Rs. 15,544 and Rs. 12,422 respectively, the result being a net revenue of Rs. 3,122 only as against Rs. 5,114 in the previous year. For reasons explained in paragraph 3 above, the area under irrigation during the year was less than that in the previous year and this accounts for the unfavourable financial result of the year.

6. The Midnapore Canal.—The canal consists of two weirs at Midnapore and Panskura, 65 1/3rd miles of main and branch canals used both for irrigation and navigation purposes and 284.87 miles of distributaries and village channels. No capital expenditure was incurred on the canal during the year. The gross receipts and working expenses were Rs. 61,785 and Rs. 1,31,834 respectively as against Rs. 63,610 and Rs. 1,48,470 in the previous year. The result was a deficit of Rs. 70,049 as against the deficit of Rs. 84,860 in the previous year.

7. The Grand Trunk Canal Project.—The construction of the Grand Trunk Canal Project at an estimated cost of Rs. 2,49,49,000 (direct), which was started in 1920-21, has been held in abeyance. The expenditure on direct and indirect capital outlay to the end of the year 1935-36 after allowing for receipts and recoveries on capital account amounted to Rs. 14,25,330.

8. The Hijili Tidal Canal.—This khal with the Terapakhia Pass Khal, Palaboni Khal and the khal leading to the Gewankhali lock entrance constitutes a navigation canal 49½ miles in length. No capital expenditure was incurred on the canal during the year. The gross receipts and working expenses amounted to Rs. 63,900 and Rs. 1,32,212 respectively as against Rs. 33,846 and Rs. 58,724 in the previous year, the result being a deficit of Rs. 68,312 as against the deficit of Rs. 24,878 in the previous year. The reasons for heavy working expenses during the year have been explained in paragraph 3 above.

9. The Calcutta and Eastern Canals.—These consist of natural and artificial channels, about 834 miles long, for maintaining communication between Calcutta and Eastern Bengal. A capital expenditure of Rs. 4,033 was incurred during the year on the demarcation of Government land along Tolly's Nala. The gross receipts and working expenses amounted to Rs. 3,27,525 and Rs. 5,55,017 respectively as against Rs. 3,68,740 and Rs. 6,27,712 in the preceding year. The result was a deficit of Rs. 2,27,492 as against the deficit of Rs. 2,58,972 in the previous year. As explained in paragraph 3 above, the fall in receipts was due to continued trade depression.

10. The Sundarbans Steamer Route.—This route is about 350 miles long. There was no capital expenditure on the route during the year. The gross revenue and working expenses amounted to Rs. 63,312 and Rs. 47,188 respectively as against Rs. 70,325 and Rs. 54,000 in the previous year, the result being a net revenue of Rs. 16,124 as against the net revenue of Rs. 16,325 in the preceding year.

11. The Madaripur Bil Route.—This route connects the Madhumati and Kumar rivers in the Faridpur district and is about 38 miles in length. A capital sum of Rs. 1,748 was spent during the year to meet the arrear claim of the contractors in connection with the construction of locks and sluices in the Lower Kumar river. The gross revenue and working expenses amounted to Rs. 1,54,890 and Rs. 1,82,085 respectively as against Rs. 1,97,270 and Rs. 2,26,053 in the previous year, the result being a deficit of Rs. 27,195 as against the deficit of Rs. 28,783 in the preceding year.

12. Dredgers.—As already stated in paragraph 3, out of the five suction dredgers, only "Foyers" was employed for 49 days in all during the year under review. The hire earned by her amounting to Rs. 12,180 together with a sum of Rs. 5,738 representing value of spare parts transferred to stock account was credited to the revenue account of the dredger. The rest of the dredgers, viz., "Ronaldshay", "Cowley", "Burdwan" and "Alexandria", remained idle throughout the year. The "Ronaldshay" however, earned Rs. 2,315 and the "Cowley" Rs. 435 as hire for certain pontoons lent to the Eastern Bengal Railway for work connected with the Hardinge Bridge. Out of the sum of Rs. 2,315 earned by the "Ronaldshay", Rs. 1,150 were credited to her capital account and the balance, viz., Rs. 1,165, together with a sum of Rs. 6,125 representing mainly the value of spare parts transferred to stock, was credited to her revenue account. Out of Rs. 435 earned by the "Cowley" a sum of Rs. 195 was credited to her capital account and the balance, viz., Rs. 240, together with a sum of Rs. 2,872 representing value of spare parts transferred to stock, was credited to her revenue account. Sums of Rs. 698 and Rs. 561 were credited to the revenue accounts of the dredgers "Alexandria" and "Burdwan" respectively on account of the value of certain spare parts of these dredgers transferred to stock.

Taking all the dredgers together the revenue receipts amounted to Rs. 29,579, while their working expenses amounted to Rs. 92,915 as against Rs. 80,432 in the previous year.

13. Minor Irrigation, Navigation, Embankment and Drainage Works for which neither Capital nor Revenue Accounts are kept.—These include the Amjore Weir, the Salbund Weir, the Orissa Coast Canal, the Nadia rivers, the Magrahat Drainage Scheme, Government embankments, the survey and other works enumerated in the list at the end of paragraph 3 above. Total receipt from these works amounted to

Rs. 1,87,652, while their working expenses were Rs. 12,24,583 as against Rs. 11,59,554 in the previous year. The increased working expenses were mainly due to the contour survey of Western and Central Bengal which was started during the year under review.

14. Gumti Right Embankment.—At the time of high flood in the river Gumti in Tippera district, the sudden rush of water causes breaches in the Gumti river embankment almost every year resulting in considerable damage to crops and properties of the public in general. During the year under review investigations were started to find out a solution by providing escapes in the embankment.

15. River training works.—Training works were carried out in the rivers Dhalleswari and Buriganga in order to maintain a navigable depth of water during the low water season and to ensure a supply of good drinking water to the city of Dacca. The work was carried out through the agency of the Joint Steamer Companies with a Government subsidy of Rs. 17,500.

The lower reaches of the Baraitali channel were maintained in good condition and were open to steamer traffic throughout the year.

The good effect of the silt-clearance of the Lohajang river in 1931-32 continued and a fair depth in the river up to the entrance of the Gala Khal was maintained.

16. General economic condition.—The rainfall during the year under review was below normal and was unequally distributed. The result was a partial failure of crops practically all over the country except in the areas commanded by the Government canals and served by cuts in the river bunds where possible. There was scarcity in some parts of Bengal and the general economic condition of the country continued to be unfavourable owing to trade depression.

Khulna.—No. 1938P.II.—4th June 1937.—The following draft of rules, which, in exercise of the power conferred by clause (j) of sub-section (2) of section 101 of the Bengal Village Self-Government Act, 1919 (Bengal Act V of 1919), the Governor proposes to make for the regulation of the supply of filtered water to private holdings for domestic use in the Bagerhat union in the district of Khulna, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on or after the 15th July 1937, and any objection or suggestion with respect thereto received by the undersigned, through the District Magistrate, before that date will be duly considered:—

Draft Rules.

So long as the union board deems it practicable and consistent with the maintenance of an efficient water-supply, it may grant to any owner or occupier of a holding paying a union rate imposed under the provisions of Chapter V of the Bengal Village Self-Government Act, 1919, at an enhanced rate for the supply of water amounting to not less than Rs. 3 per quarter, a connecting pipe from the service-pipes of the union board for the purpose of leading water to such holding for domestic use only.

1. For the purpose of these rules "holding" shall mean building or buildings with the land appertaining thereto held under one title or agreement and surrounded by one set of boundaries.

2. The owner or occupier of any holding requiring water to be laid on to such holding for domestic use must apply for the same on the printed form "A" to be supplied free of cost at the union board office. The conditions subject to which connection to a holding will be given are set out in the form, and the owner or occupier shall sign the statement undertaking to observe the rules before a house connection will be given.

3. A fee of Rs. 125 shall be paid to the union board by such owner or occupier for each connection to a union board main supply-pipe before any work is commenced, such fee to be in addition to all other costs and charges imposed under these rules.

4. Each holding must have a separate connection to the union board main supply pipe, and an extension from the communication pipe of one holding to another holding shall not be permitted, and combination of the holdings for the purpose of these rules shall not be allowed.

5. The connection shall consist of two portions--

(a) the service-pipe from the street main to the boundary of the holding, including ferrule, stop-cock and check-pipes;

(b) the storage tank (or tanks) with service-pipe connecting to it from the boundary of the holding, also outlet pipes, taps and other accessories as required.

6. The items referred to in clause (a) of rule 5 shall be provided and fixed by and at the expense of the union board, and such pipes and fittings shall remain as its property.

7. The items referred to in clause (b) of rule 5 shall be provided and fixed at the expense of the owner or occupier and shall be maintained by him in good working order. The tank is to be suitably covered and protected and is to be provided with locked lid, ball-valve, stop-valve and overflow pipe. The inlet and outlet pipes shall be so laid that they may be protected from sun heat.

8. The owner or occupier shall not permit the service-pipe, including the items referred to in clauses (a) and (b) of rule 5 or any part thereof, to be altered, removed or interfered with by any person other than an authorised representative of the union board, who shall be empowered by the board to alter or adjust the service-pipe as may from time to time be necessary for the maintenance of the requisite flow of water. No tapping (or branching off) of the service-pipe shall be allowed except at a level approximately the same as that of the ball-valve.

9. The tank referred to in rule 5 (b) shall be durable and water-tight and the cover, overflow pipe, and other accessories shall be so constructed that mosquitoes cannot enter the tank. The ball-valve and the other fittings shall be exact duplicates of standard samples kept in the office of the union board and approved by the board at a meeting. The storage tank or tanks shall be cleaned and sterilized quarterly at the expense of the owner or occupier under the supervision of an officer of the union board.

10. Every storage tank shall be fitted with an overflow-pipe, the end of which shall project over the wall of the building and shall be placed in a conspicuous position. Discharge of water from the overflow pipe means that the ball-valve is failing to function, and the owner or occupier shall notify the waterworks officers every time he finds such discharge occurring.

11. Every owner or occupier of any holding, in respect of which a connection has been made under these rules, shall be entitled to a supply of water corresponding to the quarterly amount of union rate payable, according to the following table:—

Notices.

3. If in any case the District Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of cholera he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

4. If any measure which the District Health Officer has, by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice, the District Health Officer shall be entitled to carry out the measure.

Costs and compensation.

5. RESOLUTION.

No. 400.—The Governor-General in Council hereby makes the following rules for the examination for Cadetship in the Engineer Branch of the Royal Indian Navy to be held in October, 1937 :—

RULES.

1. (i) A candidate who desires to appear at the examination shall apply to be admitted to the examination before such date and in such form as the Federal Public Service Commission may prescribe. The application shall be made through the Collector or Deputy Commissioner of the district in which his parents reside at the time of the application, or have previously resided for a period of not less than three years, or in which he has himself resided, otherwise than as a student at an educational institution only, for a like period.

(ii) In the case of Calcutta, applications shall be submitted through the Commissioner of Police.

(iii) Cadets of the Prince of Wales's Royal Indian Military College, Dehra Dun, shall submit their applications through the Principal of the College.

(iv) A candidate resident in an Indian State shall submit his application through the Durbar, who will forward it to the Political Officer or Agent.

(v) No candidate shall make more than one application in respect of this examination.

(vi) A candidate shall, except in very exceptional circumstances, appear personally before the District Officer or the Political Officer or Agent who signs the attestation form.

2. A candidate must be an unmarried man and either—

(a) a British subject of Indian domicile whose father (if alive) is a British subject or a subject of a State in India, or a British protected person of the tribal areas; or (if dead) was at the time of his death either a British subject or a subject of a State in India or a British protected person of the tribal areas, or a person in the permanent service of the Crown or a person who had retired from that Service;

(b) a Ruler or a subject of a State in India or a British protected person of the tribal areas.

Provided that in the case of a British subject the requirement of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

3. A candidate must furnish a declaration from his father or guardian, in the form prescribed, that the latter is in a position, and will be prepared to discharge the financial obligations attaching to the candidate's training for appointment to the Royal Indian Navy. The parents or guardians of candidates selected for the engineer branch of the Royal Indian Navy will, in addition, be required to covenant with the Secretary of State for India in Council that in the event of failure to comply with certain contingencies set forth in an agreement relating to the completion of the course of training in England and thereafter the acceptance of a commission, in the Royal Indian Navy and the period he is required to hold such a commission, he will pay the full cost which the Government of India shall have expended on the training of the candidate in England. Should it be found that the declaration in regard to discharge of financial obligations during the period of training is false in any respect, the candidate will be liable to immediate removal.

4. The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor-General in Council, be limited to such number as the Governor-General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit, the Federal Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers in the Royal Indian Navy.

5. A candidate for this examination must have been born not earlier than the 2nd May 1918 and not later than the 1st May 1920.

6. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a commissioned officer in the Royal Indian Navy. A candidate who after examination by a Medical Board is found not to satisfy these requirements will not be accepted for admission to the Service.*

7. A candidate must satisfy the Federal Public Service Commission that he is suitable in all respects for employment as a commissioned officer in the Royal Indian Navy.

8. The decision of the Federal Public Service Commission as to the eligibility or otherwise of a candidate shall be final.

9. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Federal Public Service Commission.

10. Any attempt on the part of a candidate to enlist support for his application will disqualify him for admission to the Royal Indian Navy.

11. Candidates must pay the following fees:—

- (i) Rs. 7-8-0 with the application form,
- (ii) if accepted for admission to the examination, Rs. 50 immediately after the receipt of the certificate of admission.

(Only Treasury Receipts for these amounts will be accepted by the Federal Public Service Commission.)

14. From the marks assigned to candidates in each subject such deduction will be made as the Federal Public Service Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

17. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

Particulars of the nature of the medical test to which candidates will be submitted before appointment and of the standards required can be had from the Commission. Candidates will have no right of appeal against the decision of the Medical Board.

20. (a) Appointments shall be made on probation for a period of 2 years provided that this period may be extended if the officer on probation has not qualified for confirmation by passing the prescribed departmental examinations. Repeated failure to pass the departmental examinations within a period of 3 years shall involve loss of appointment.

(b) If, in the opinion of Government the work or conduct of an officer on probation is unsatisfactory, or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(c) On the conclusion of his period of probation, Government may confirm the officer in his appointment, or, if his work or conduct has in the opinion of Government been unsatisfactory, Government may either discharge him from the Service or may extend his period of probation for such further period as Government may think fit.

11. A candidate must have attained the age of 22 and must not have attained the age of 25 on the first day of August of the year in which the examination begins.

17. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

(u) For the purposes of rule 5 of these Rules, selections for appointment to vacancies to be filled by members of a particular community or communities shall be made by Government or the appointing authority, as the case may be, after consulting the Commission, from candidates of that community or communities who have qualified at the examination.

19. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an officer of the Service. A candidate who (after such medical examination as Government or the appointing authority, as the case may be, may prescribe) is found not to satisfy those requirements will not be appointed. Only candidates who are likely to be appointed will be medically examined.*

20. (a) Appointments shall be made on probation for a period which will not ordinarily exceed two years.

(b) If, in the opinion of Government the work or conduct of an officer on probation is unsatisfactory, or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(c) On the conclusion of his period of probation, Government may confirm the officer in his appointment, or, if his work or conduct has in the opinion of Government been unsatisfactory, Government may either discharge him from the Service or may extend his period of probation for such further period as Government may think fit.

(d) If no action is taken by Government under sub-rule (b) or (c) of this rule, the period after the prescribed period of probation shall be treated as an engagement from month to month, terminable on either side on the expiration of one calendar month's notice in writing.

• (5) A depositor may in his nomination distribute the amount that may stand to his credit in the Provident Fund amongst his nominees at his own discretion.

(6) A nomination may be cancelled by a depositor and replaced by any nomination which is permitted to be made under this rule.

(7) Nominations shall, whenever possible, be in the handwriting of the depositor and signed by him, and shall be attested by two witnesses.

(8) Current nominations shall be carefully recorded by a responsible officer of the Board.

Contribution by the Board to deposit account of each servant.

39. (1) The Board shall make a contribution to the deposit account of each depositor at the rate of $3\frac{1}{2}$ per cent. or one-half anna in the rupee on the salary of the depositor. Such contribution shall be credited to the Provident Fund, month by month, in favour of such servant, together with any deduction made from his salary under rule 34. The contribution shall be charged in the cantonment accounts to Head H—Contributions for General Purposes.

(2) (a) In addition to the contribution made under sub-rule (1), the Board may, if it deems fit, make further contributions, hereinafter called bonuses, to be credited to the Provident Fund in favour of any servant as follows:—

After 15 years approved service, 3 months' pay.

After 20 years approved service, 3 months' pay.

After 25 years approved service, 4 months' pay.

After 30 years approved service, 4 months' pay.

Such bonuses may be cumulative, that is, a servant who has received a bonus after serving 10 years may, after serving 5 years more, receive a second bonus, and so on. Approved service shall be reckoned as from the date of commencement of service, irrespective of the date a servant becomes a subscriber to the Provident Fund, but no application for a bonus shall be considered unless it is preferred within six months from the date at which the depositor becomes eligible for a bonus.

(b) Approved service may, where the Board deems fit, include previous service under another Board or other Boards if such other Board or Boards pays or pay a share of the bonus proportionate to the length of such previous service. The Board shall not credit the bonus to the Provident Fund until it has received the proportionate share or shares.

(c) Approved service may, where the Board deems fit, also include previous service under the same Board.

(3) For the purpose of sub-rule (2), "pay" means the pay of the depositor on the date on which he becomes eligible for a bonus.

(4) In special circumstances and with the previous sanction of the Central Government in each case the Board may grant to any servant a bonus of such amount as the Central Government may approve, although no bonus, or a bonus of smaller amount, may be admissible under sub-rule (2). A bonus may be granted under this sub-rule in respect of service rendered wholly or in part before its commencement.

(5) No contribution shall be made by the Board on the subscription paid by the depositor for any period during which he has been suspended as a penalty for misconduct.

Investment.

40. (1) All subscriptions and contributions under these rules shall be credited into the Provident Fund and paid into the Imperial Bank of India (Savings Bank) or into the Post Office Savings Bank, as the case may be, between the 1st and 4th of the month on which they become due. Such other sums as may subsequently become due in any month shall be credited to the Provident Fund and so paid into the Imperial Bank or the Post Office Savings Bank as to ensure that interest may accrue as quickly as possible.

(2) Such deposits may be invested in Government Securities in accordance with rule 46 of the "Rules for the guidance of depositors in the Post Office Savings Bank", and may also be invested in Government of India loans.

(3) The entire amount of the interest realised on the investment of the Provident Fund shall be distributed proportionately for credit to the accounts of all the subscribers to the Provident Fund.

Accumulations when payable.

41. The amount of the subscriptions and contributions with the interest earned thereby at the credit of a depositor shall become payable by the Executive Officer from the Provident Fund:—

- (a) on the death of the depositor, subject to the proviso to sub-rule (3) of rule 38, to the person or persons nominated by him in accordance with that rule, in the proportion specified in the nomination; or
- (b) when the depositor ceases to be a servant of the Board, to the depositor,

and shall be disposed of in the manner provided in section 4 of the Provident Funds Act, 1925:

Provided that, if the depositor ceases to be a servant of the Board by reason of his transfer to the employment of another Board, the amount of the subscriptions and contributions and the interest earned thereby at his credit shall become payable, at his option, either to the depositor himself or by money order to the credit of his account in the Provident Fund of the Board to whose employment he has been transferred:

Provided further that the whole or any part of the amount of the contributions made by the Board to the account of the depositor, together with the interest earned thereby may be deducted from the amount payable under this rule and be paid to the Board, if

- (a) the depositor has been dismissed from the service of the Board for misconduct or has resigned the service of the Board within five years of his appointment thereto otherwise than on medical grounds established to the satisfaction of the Board; or
- (b) the amount to be deducted is due under a liability incurred by the depositor to the Board.

Advance for special purposes.

42. (1) No withdrawal of the amount at the credit of a depositor in the Provident Fund shall be allowed except as provided in rule 41:

Provided that, when the pecuniary circumstances of a subscriber are such that in the opinion of the Board the indulgence is absolutely necessary, a temporary advance, not ordinarily exceeding three months' pay and in no case exceeding the amount of the depositor's own subscriptions to the fund with interest thereon, may be allowed from the sum at his credit.

(2) The following are instances of the objects for which such advances may legitimately be allowed:—

- (a) to pay expenses incurred in connection with the illness of a subscriber or of a member of his family;
- (b) to pay for the passage of any member of a subscriber's family, coming from beyond the sea to join him or requiring to make a journey beyond the sea;
- (c) to pay expenses in connection with marriages, funerals, or ceremonies which by the religion of the subscriber it is incumbent upon him to perform, and in connection with which it is obligatory that expenditure should be incurred;
- (d) to build a house for occupation by the subscriber himself at the place where he is actually serving or at which he is permitted to reside while in active service.

(3) Advances shall not be confined rigidly to the objects set forth in sub-rule (2) but shall be made with due regard to the requirement contained in the proviso to sub-rule (1) as illustrated by the examples set forth in sub-rule (2).

43. (1) The order sanctioning the advance shall state the specific purpose for which the advance is granted. Where this purpose is of a confidential nature, it may be communicated to the audit officer personally and confidentially.

(2) When an advance has been granted to a subscriber, subsequent advances shall not, except for strong reasons to be recorded in writing by the Board, be granted to him until at least twelve months have elapsed since the complete repayment of the last advance taken.

44. (1) Advances shall be recovered at the discretion of the Board in not less than twelve instalments or more than twenty-four. A subscriber may, however, at his option make repayment in less than twelve instalments or may repay two or more instalments at the same time.

(2) In determining the advance to be sanctioned, due regard shall be paid to the amount of subscriptions lying to the credit of the applicant. The amount of the advance shall be a sum expressed in whole rupees and ordinarily, the monthly instalments shall also be in whole rupees, the advance applied for being raised or reduced, if necessary, to enable instalments to be thus fixed.

(3) Recoveries shall be made monthly, commencing from the first payment of a full month's salary after the advance is granted, but no recovery shall be made from a subscriber while he is on leave of any kind other than casual leave.

(4) When two or more advances are made under sub-rule (2) of rule 43, each advance shall be treated separately, and a monthly deduction of not less than one twenty-fourth of each advance shall be made until that advance is cleared.

(5) The instalments shall be paid by compulsory deductions from salary, and shall be in addition to the usual subscription.

45. When an advance is repaid, as regards principal, in not more than twelve instalments, a 13th instalment, representing interest, and equivalent to 4 per cent. of the amount of the advance, shall be paid in the month following that in which the last instalment is paid. Similarly, an additional instalment equivalent to 8 per cent. of the total amount of the advance shall be paid when the advance is repaid in more than twelve instalments. In calculating such additional instalments a fraction of a rupee if it exceeds eight annas, shall be taken at the next higher whole rupee, and if it does not exceed eight annas shall be ignored.

46. The sum at the credit of a depositor shall not be liable to forfeiture on dismissal or on conviction by a Criminal Court, except for an offence for which the penalty of forfeiture of the whole of the offender's property is prescribed by law.

47. A copy of the account of each depositor shall be furnished to him as soon as possible after the close of the financial year to which the account relates, or at the time of payment in the case of accounts closed in accordance with rule 41.

Prohibition of voluntary deposits.

48. No deposits from servants other than those authorised by these rules shall be credited to the Provident Fund.

Subscription during leave.

49. Servants shall not be permitted to subscribe to the Provident Fund while absent on leave other than leave on full average salary. They may at their option subscribe while absent on leave on full average salary.

50. A servant who desires to subscribe during such leave shall notify his intention in advance in order to allow of the deductions from his leave allowances being noted in his leave and pay certificate; and a servant who has notified such intention shall not be permitted to discontinue subscribing during leave:—

Provided that, if he fails to notify his intention in advance, he may be allowed to pay his subscription during leave in cash.

Dead Accounts.

51. On a depositor leaving the service his account shall be closed, and unless the amount at his credit be withdrawn, in the case of balances not exceeding Rs. 10 within one year, and in the case of balances exceeding Rs. 10 within three years, it shall be written off as a dead account, and not repaid save under the orders of the Officer Commanding-in-Chief the Command.

No. P.-336/36.—In exercise of the powers conferred by section 7 of the Indian Telegraph Act, 1885 (XIII of 1885), the Central Government is pleased to direct that the following further amendments shall be made in the Indian Telegraph Rules, 1932, namely:—

1. After rule 465 of the said Rules, the following rule shall be inserted, namely:—

“465-A. *Indo-Ceylon Telephone Service.*—Calls between India and Ceylon shall be charged at the rates prescribed for calls from the calling station in India to Rameshwaram, full rate or half rate as the case may be, *plus* the full rate from Rameshwaram to the station concerned in Ceylon.”

2. After rule 474 of the said Rules, the following rule shall be inserted, namely:—

“475. *Refunds for Trunk Calls.*—(1) A refund of any payment made in excess of the charges prescribed in these Rules in respect of trunk calls shall be made on application to the Telephone Revenue Accounts Officer.

(2) No claim for a refund shall be considered unless received by the Telephone Revenue Accounts Officer within six months from the date of the call in respect of which the claim is made.”

3. For Part VI of the said Rule, the following Parts shall be substituted, namely:—

“PART VI.

Special Rules for Radio-Telephone Services.

476. *Applicability of Part.*—The rules in this Part apply only to radio-telephone services.

477. *Hours of Service.*—The hours of service and the exchanges at which calls may be booked shall be such as may be fixed by the Director-General from time to time.

478. *Booking of Calls.*—(a) It shall be permissible to book calls up to seven days in advance.

(b) A caller may state:—

- (i) that he wishes the call to mature at a given time;
- (ii) that he does not wish the call to mature before a certain hour or between certain stated hours;
- (iii) that he wishes the call if maturing between certain stated hours to be connected with an alternative telephone (indicating the number); or
- (iv) that he wishes the call to be cancelled if it does not mature by a specified time.

(c) The call may be booked as a *personal call* and the caller shall then be required to state:—

(i) the name and telephone number of the person calling and, if he so desires, the name and telephone number of an acceptable substitute;

(ii) the name and telephone number of the person called and, if he so desires, those of an acceptable substitute; and

(iii) the names which appear against those numbers in the Telephone Directory.

(d) Arrangements shall be made as far as possible to meet the callers' wishes: when the distant telephone number is not known to the caller an effort shall be made to trace it provided the name and postal address are given. No additional charge, except the report charge were applicable, shall be made in respect of these facilities.

479. *Limited Duration Calls.*—(1) A caller may ask for his call to be limited to any number of whole minutes not less than three. The connection shall be terminated as soon as the caller has had the specified period of effective conversation unless he definitely asks for an extension.

(2) All calls booked from Public Call Offices shall be treated as *limited duration calls* and the caller shall have no option to extend a call beyond the fixed time; if a caller requires longer time, he shall book a fresh call.

480. *Timing of Calls.* (1) A call begins when communication is established between the calling telephone and the called telephone or, in the case of a *personal call*, between the named persons. A call ends when the calling telephone gives the signal that the call is ended.

(2) The duration of the call so determined shall be charged for at the prescribed rates, provided that there shall be deducted therefrom the periods during which the communication is ineffective through no fault of the subscribers; such periods shall be determined by the exchange controlling the circuit, whose decision shall be final.

481. *Mode of Extending Calls.*—Except in the case of limited duration calls, there is no restriction on the length of calls. An announcement (*e.g.*, “three minutes”, “six minutes”) shall be made to the caller towards the end of each unit period of three minutes of effective conversation. Conversation will not be otherwise interrupted and the caller shall end or extend his call as he desires without being specifically asked at any time whether he wishes an extension.

482. *Urgent Government Calls.*—Any person authorised to book urgent Government calls shall be allowed to claim precedence for them over all other calls without additional charge.

483. *Service Calls.*—Calls relating exclusively to the working of the service may be exchanged, free of charge, between the Indian Posts and Telegraphs Department and the Administrations or the Licensed Companies concerned in the service. They shall be made, as far as possible, outside the busiest hours and may, on important and urgent occasions, be accorded priority over other calls.

484. *Cancellation of Calls.*—A call may be cancelled by the caller at any time before he is called to take the call and the call shall then be treated as ineffective.

485. *Charges.*—The charges for calls shall be as fixed from time to time by Government and notified in the Post and Telegraph Guide.

(2) When the chargeable duration of a call does not exceed three minutes the charge for three minutes shall be levied.

(3) When the chargeable duration of a call exceeds three minutes, an additional charge shall be made for each minute or fraction of a minute in excess of three minutes.

486. *Report Charge.*—Only the report charge shall be levied for any call which is ineffective:

Provided that no charge shall be levied—

- (i) for a *personal call* which is cancelled before action has been taken to communicate with the required person,

or, if a call has been established subsequently between the same persons in the reverse direction, before the caller is called to take the call,

- (ii) for a call (other than a *personal call*) which is cancelled before the caller is called to take the call,

- (iii) for any call which is ineffective owing to the fault of the service.

487. *Other Conditions.*—Except as otherwise provided in these Rules, radio-telephone services shall be governed by the rules prescribed for trunk calls in Part V of these Rules.

PART VII.

Private Telegraphs.

488. Any person may without a license establish, maintain and work a telegraph (not being a wireless telegraph) within the limits of a single building, compound or estate:

Provided that no telegraph line pertains to the telegraph shall pass over or under public road."

There is a fine two-storeyed Hindu Hostel in the College compound and hostel charges (including rent, furniture, light and medical attendance) do not exceed Rs. 13 a month. The boarders keep excellent health, and the general health in the town is also quite good. A new Muhammadan Hostel has been constructed. Charges are moderate.

A considerable number of Government and private studentships and stipends is awarded every year in August or September to poor but deserving students of the College. Four stipends of Rs. 10, Rs. 7-12, Rs. 4 and Rs. 3 are also available for boarders of the Hindu Hostel in straitened circumstances. The College Conversion Mohsin stipends are annually awarded to deserving Muhammadan students.

For prospectus and admission form, apply enclosing stamped and addressed envelope, to the Principal, Krishnagar College.

Chinsura, the 22nd April 1937.

Hooghly Mohsin College is one of the oldest in Bengal, having been founded in 1836. It will re-open on Friday, the 2nd July 1937, after the summer vacation.

The College teaches up to the B. A. and B. Sc. standard. It is affiliated in Honours in the following subjects:—

English, Sanskrit, Philosophy, History, Mathematics and Physics.

Applications for admission should be made in the prescribed form immediately after the publication of the University results. Prospectus and admission forms can be had from

the College office on personal application or by sending a stamped cover. Students who failed in the University examination and desire re-admission should attach the University admit card and their crossed list to their application form.

As a rule, students who have passed the Matriculation or Intermediate Examination in the Third Division will not be admitted. Students who have failed to pass in any year after two attempts will not be allowed to continue.

There are two hostels attached to the College, one for Hindus and the other for Moslems. Both hostels are pucca buildings and very close to the College.

Twenty-five per cent. of the vacancies will be reserved for Moslem students, if necessary, but this reservation will not hold good if sufficient applications are not received at least one week before the day on which the College re-opens.

May 1937.

Admission for the session 1937-38.

The new session commences on the 24th
June 1937.

Applications in the prescribed form for admission into the day and evening classes of the Institute will be received immediately after the publication of the results of the Matriculation Examination of the University of Calcutta.

Twenty-five per cent. of seats in the Institute, both in the day and evening classes, are reserved for Muslim students, on condition that if within a reasonable period of time the reserved places are not filled up by the Muslim students, the vacancies will go to non-Moslems. Muslim students are therefore advised in their own interest to apply for admission without the least possible delay.

The following courses of instruction are provided at the Institute:—

Day Course, extending over two sessions and leading to the Final Diploma Examination of the Institute Board. Matriculates only will be admitted to this course, preference being given to those passing in the first division. A number of prizes and scholarships is available for meritorious students; and two special scholarships are awarded to deserving students of the backward classes.

Students passing the Final Examination at the end of this course are eligible to join the B.A. or B.Com. classes in any College affiliated to the University of Calcutta.

Evening Courses, extending over one session only. Classes are held between 4 and 8 p.m. Subjects taught include Shorthand; Typewriting; Book-keeping, Junior and Advanced; Mercantile Law; Modern English. Special Diploma Examinations of the Institute Board are held in each of the above subjects except in Modern English and Mercantile Law.

Suitable combinations may also be indicated to those preparing for the following outside examinations:—

- (1) Divisional Accountantship Examination.
- (2) Bengal Secretariat Lower Division Clerkship Examination.
- (3) Public Service Commission Clerkship Examination.

As a rule Matriculates only are eligible for admission to the evening courses, but a non-Matriculate, engaged in business in any way, if otherwise found suitable, may be admitted.

R. A. Classes.—The Institute is the only Government institution in Bengal which prepares students for the Government of India Examinations for Registered Accountants, First and Final. Minimum qualification for admission is Matriculation. Classes are held between 5-15 and 8 p.m.

Several prizes are also available on the results of the Board's Special Examinations and of the R.A. Examinations.

The Bengal Chamber of Commerce and the Bengal National Chamber of Commerce lend their active support and patronage to this Institute by sending representatives to the Board of Management. Prizes are annually awarded by both the Chambers to meritorious students of this Institute; and lists of successful students are annually circulated among the members of the two Chambers for their information, use and record.

For full particulars and for forms of application for admission apply with one-and-a-quarter-anna stamp to the undersigned.

Resolution on the final report on relief operations in district of Khulna during the year 1936.

GOVERNMENT OF BENGAL.

REVENUE DEPARTMENT.

Miscellaneous.

RESOLUTION—No. 516T.R.

Darjeeling, the 8th June 1937.

READ—

Letter No. 587 R.G., dated the 1st April 1937, from the Commissioner, Presidency Division, submitting the final report on relief operations in the district of Khulna during the year 1936.

The widespread failure of the aman paddy crop, which occasioned the distress, was due to lack of rain during the months of September and October. The rainfall in July and August was sufficient for transplantation, but in September the rainfall was about 4·3 inches and in October almost nil. The result was that the grain did not form in the ear. The saline tracts near the reserved forest were the most seriously affected, because in such areas lack of rain means concentration of salt at the roots of the paddy. Distress was greatest in Syamnagar police-station in Satkhira subdivision, Kaliganj police-station in the same subdivision, and Paikgacha police-station in Sadar subdivision were also badly hit. The affected area in these three thanas was about 547 square miles with a population of 331,596. In addition there was partial failure of the winter paddy crop throughout the district. In Paikgacha police-station the crop was only 25 to 50 per cent. of the normal and Syamnagar and Kaliganj police-stations from nil to 40 per cent. In Kaliganj and Syamnagar police-stations there are large numbers of landless labourers, and for this reason also, distress in these areas was particularly severe.

2. General distress began to be felt in January and February 1936, and gradually increased, until cultivation commenced with the onset of the rains. It reached its highest pitch in September, when transplanting of paddy had entirely ceased, and there was no employment for labourers; and began to decline towards the end of October, when harvesting of the "kartiksal" varieties of paddy began. By the end of November, with the commencement of the main harvest, distress had practically disappeared. The declaration of scarcity or famine under section 74 of the Famine Code, 1913, was not considered necessary, but the relief operations in Syamnagar police-station were actually conducted on the same scale as in the neighbouring area of 24-Parganas (Sandeshkahli and Hasnabad), where scarcity was declared; and the distress there was no less severe.

3. The situation was closely watched from the start, and relief measures were undertaken in good time by the district board and by Government. These consisted of (1) test works, (2) gratuitous relief from Government and from charitable funds and (3) distribution of agricultural loans.

4. The district board started test works in January 1936, in four thanas, viz., Paikgacha in the Sadar subdivision, Rampal in the Bagerhat subdivision and in Syamnagar and Kaliganj in the Satkhira subdivision. The works at Paikgacha and Rampal had to be closed as they did not attract a sufficient number of workers, but in Syamnagar and Kaliganj thanas large numbers attended and the works continued till June, when water-logging of the ground by heavy rain made earth work impossible. The test works were selected by the Collector of the district in consultation with the Chairman, district board, and took the form of construction of roads and digging of tanks. Arrangements for the supply of drinking water at the works, for prevention of epidemic disease and for medical help to labourers were made by the district board, and were quite satisfactory, in spite of the fact that communications were bad, and some of the centres very remote.

The entire cost of test works amounting to Rs. 40,100 was met by the district board and units numbering 225,681 were in this way relieved.

(Note.—A "unit" in this sense means one person relieved for one day.)

5. The distribution of gratuitous relief was started in June 1936. At first, distribution was made by Circle Officers and Kanungos, but subsequently this work was transferred to local committees formed for the purpose. The Circle Officers and Kanungos were thus able to move about more freely throughout the affected area, and to see that every deserving person received relief. The local committees worked very well on the whole. Doles were given at the following daily rate:—

3 pice to an adult and 2 pice to a child when given in cash, and when given in rice, $7\frac{1}{2}$ chittaks per diem to an adult and 5 chittaks to a child. A sum of Rs. 38,322 was spent by Government on gratuitous relief and the number of units relieved was 747,949.

6. In addition to gratuitous relief from Government funds, considerable sums were spent out of charitable funds on gratuitous relief. Rupees 10,000 was allotted to this district from the 1936 West Bengal Scarcity Relief Fund and funds raised by local relief committees amounted to Rs. 10,812. A total sum of Rs. 20,193 was spent on relief from these sources. In addition, several maunds of rice, 3,455 pieces of cloth and several tins of biscuits distributed.

Several non-official bodies such as the Calcutta-Khulna Relief Committee, the Ram Krishna Mission, the Bharat Sevasram Sanga and the Calcutta Sankat Taran Samity gave assistance during the relief operations. The two first mentioned associations rendered particularly valuable services.

7. Land Improvement loans to the extent of Rs. 5,000 were distributed to encourage private works, and thus provided employment for labourers. Agricultural loans amounting to Rs. 2,90,000 were also distributed in the district through civil officers and Kanungos and were of the greatest assistance to the cultivators, many of whom would have found it impossible, without such loans, to cultivate their land.

8. Relief operations in this as in other districts were supervised by Mr. O. M. Martin, C.I.E., I.C.S., Additional Commissioner, Presidency and Burdwan Divisions, who visited the district several times and toured in the affected areas. The Hon'ble Sir B. L. Mitter, K.C.S.I., Member in charge of the Revenue Department, also visited Syamnagar police-station in January.

9. His Excellency the Governor is satisfied that the measures taken for the relief of distress were successful and adequate. He desires to place on record his appreciation of the valuable services rendered by the district board of Khulna and by Mr. B. Sarkar, I.C.S., Collector of the district, and other officials who were responsible for the conduct of the relief operations. The thanks of His Excellency are due to the non-official organisations which co-operated in the relief of distress, and to the numerous gentlemen who rendered valuable services in the same connection. In particular, he wishes to mention the names of Mr. H. K. Mitter, O.B.E., Chairman of the Calcutta-Khulna Relief Committee, Rai Jatindra Nath Ghosh Bahadur, Chairman Khulna district board, Babu Sarat Chandra Ghosh, District Engineer, Mr. S. C. Bose, Assistant Engineer, and Babu Murari Mohan Bose, District Health Officer, Khulna. His Excellency is pleased to direct that the good work done by the following officers and Settlement Kanungos, be recorded:—

 Maulvi Ahmed Meah, Subdivisional Officer, Satkhira.
 Maulvi Hamid Hasan Nomani, Subdivisional Officer, Khulna.

No. 9292, dated Calcutta, the 14th September 1936.

From—L. H. Colson, Esq., C.I.E., Commissioner of Police, Calcutta,

To—The Secretary to the Government of Bengal, Local Self-Government Department.

I have the honour to submit herewith the report on the working of the Calcutta Fire Brigade for the year ending the 31st March 1936, as drawn by Mr. A. Frederick, M.I. Fire E., Officiating Chief Officer, Calcutta Fire Brigade.

No. F. B. 792, dated Calcutta, the 9th September 1936.

From—A. Frederick, Esq., M.I. Fire E., Chief Officer, Calcutta Fire Brigade (offg.),

To—The Secretary to the Government of Bengal, Local Self-Government Department.

(Through L. H. Colson, Esq., C.I.E., I.P., J.P., Commissioner of Police, Calcutta.)

I have the honour to submit the following report on the working of the Calcutta Fire Brigade for the year ended 31st March 1936.

The department was under the command of Captain B. A. Westbrook, O.B.E., M.I. Fire E., until 6th March 1936 when he proceeded to England on long leave preparatory to retirement. I took over charge of the Brigade from that date.

The work of the department throughout the year has been normal.

Financial statement.—The statement of receipts and expenditure and payments made by municipalities within the jurisdiction of the Fire Brigade and Licensed Warehouse Act (I of 1893) is given in Appendix I.

The cost of maintenance of the Fire Brigade is derived from contributions by (a) the Calcutta Municipality, (b) the Howrah Municipality and (c) the Garden Reach Municipality contributing at the rate of 83·5 per cent., 14 per cent. and 2·5 per cent., respectively.

Fees for licensed warehouses are charged under section 10 of the Licensed Warehouse and Fire Brigade Act I of 1893, and are levied at 10 per cent. of the annual valuation of warehouses, subject to a maximum of Rs. 1,500 per warehouse per annum, and the income thus derived is credited to the Fire Brigade Fund and deducted from the amount required from the municipalities concerned.

The income from taxation provided the full 50 per cent. of the cost of the upkeep of the Fire Brigade authorised by the Act.

Fires, etc.—The total number of calls to fires or supposed fires was 624, being an increase of 124 as compared with the previous year. The actual number of fires attended was 538 which shows increase of 109 as compared with the previous year, and the number of fires classed as serious (*i.e.*, over Rs. 20,000 damage per fire, see Appendix III) was 22 as compared with 13 during the previous year.

The following statement shows the hours when the calls were received :—

Midnight	to 1 a.m.	18

The number of wilful false alarms of fire given from fire alarm pillars in the public streets has considerably decreased. Thirty calls of this nature were received during the year under review as compared with 36 and 48 during the two previous years.

The calls were classified as follows :—

Fires	538	(429)
False alarms, wilful from street fire alarms ..	30	(36)
False alarms, due to electrical defects ..	23	(13)
False alarms, given with good intent or accidental	17	(9)
False alarms, given from private telephone ..	3	(0)
False alarms, due to lighting ..	3	(2)
Special service (buildings collapsed, etc.) ..	10	(11)
Total ..	624	(500)

(Note.—The figures in brackets refer to the previous year.)

On 111 days 1 fire or supposed fire occurred ..	111
On 90 „ 2 fires or supposed fires occurred ..	180
On 51 „ 3 ditto	153
On 13 „ 4 ditto	52
On 12 „ 5 ditto	60
On 2 „ 6 ditto	12
On 1 day 8 ditto	8
On 1 „ 9 ditto	9
On 1 „ 14 ditto	14
On 1 „ 25 ditto	25
Total ..	624

The actual number of calls received during the year was 1,006 as compared with 755 during the previous year. These figures include instances where more than one call was received for the same fire, and are given for the purpose of classifying and comparing the means by which calls for fires, etc., are given.

These calls were transmitted to the Fire Brigade as follows :—

By private telephones, 633 (466 in 1934-35); by street fire alarms, 340 (268 in 1934-35); by messengers giving information at fire stations, 29 (15 in 1934-35); by firemen on “Look-out” duty, 4 (6 in 1934-35).

The proportion of the number of calls from street fire alarms increases annually which shows that the fire alarm system is serving a most useful purpose. Undoubtedly many serious fires have been averted owing to the rapid transmission of calls for fires through street fire alarms to the Fire Brigade.

Means by which fires were extinguished.—In 260 cases fires were extinguished by first-aid machines, chemical fire extinguishers, buckets of water by firemen or by occupiers before the arrival of the Fire Brigade; in 30 cases by cutting or disconnecting electric fuses; in 20 cases by the application of sand; in 23 cases by hydrants; in 132 cases by one motor fire engine; in 1 case by one motor fire engine, sprinklers and fire float; in 4 cases by one motor fire engine and hydrants; in 32 cases by two motor fire engines; in 1 case two motor fire engines and fire float; in 11 cases by three motor fire engines; in 1 case by three motor fire engines and hydrants; in 1 case by three motor fire engines and fire float and in 2 cases by three motor fire engines, hydrants and sprinklers; in 4 cases by four motor fire engines; in 1 case by four motor fire engines, hydrants and sprinklers; in 2 cases by five motor fire engines; in 1 case by five motor fire engines and hydrants; in 2 cases by five motor fire engines, press hydrants and fire float; in 1 case by six motor fire engines, hydrants and fire float; in 1 case by six motor fire engines and fire float; in 2 cases by six motor fire engines and hydrants; in 1 case by six motor fire engines, hydrants and sprinklers; in 1 case by seven motor fire engines, trailer pump and fire float; in 1 case by seven motor fire engines and fire float; in 1 case by eight motor fire engines, hydrants and fire float; in 1 case by eight motor fire engines and fire float and in 1 case by ten motor fire engines.

Fires in licensed premises.—Forty-eight fires occurred in premises licensed under the Licensed Warehouse and Fire Brigade Act I of 1893 as compared with 30 during the previous year.

Fire loss.—The total damage caused by fire and water during the year has been estimated at Rs. 17,01,575 as compared with Rs. 20,54,005 during the previous year.

The loss per fire is classified as follows :—

•	382	fires	under Rs. 100	(305)
	92	„	from Rs. 100 to Rs. 1,000	(75)
	29	„	„ Rs. 1,000 to Rs. 5,000	(22)

Appliances.—During the year two motor engines Nos. 2 and 6, which were commissioned in 1911 and 1913, had to be condemned as being unfit for further active service and were replaced by two new 350-450 gallons motor pump.

An emergency tender for conveying special apparatus to fires especially at nights was also put in commission during the year and has proved a most valuable appliance.

The following is a list of the principal appliances now in commission by the Calcutta Fire Brigade :—

Twenty motor fire engines as follows :—

Five motor pumps, 500-700 gallons per minute capacity, fitted with telescopic fire escapes (55 feet), etc. (motor pumps Nos. 1, 15, 18, 19 and 20).

Two motor pumps, 450-550 gallons per minute capacity, fitted with telescopic ladders, first-aid cylinders and reels, scaling ladders, etc. (motor pumps Nos. 9 and 10).

Three motor pumps, 450 gallons per minute capacity, fitted with first-aid cylinder and trussed telescopic ladders (motor pumps Nos. 14, 11 and 8).

Two motor pumps, 400-500 gallons per minute capacity, fitted with first-aid cylinders, telescopic ladders and reels, etc. (motor pumps Nos. 5 and 7).

Three motor pumps, 300 gallons per minute capacity, fitted with telescopic ladders, first-aid cylinders and reels, etc. (specially designed for use in narrow streets and congested area) (motor pumps Nos. 3, 12 and 16).

Two motor pumps, 350-450 gallons per minute capacity with new-world body and fitted with first-aid cylinder and telescopic fire escapes, etc. (motor pumps Nos. 2 and 6).

Two “G” types low-load line motor pumps, 250-300 gallons per minute capacity, fitted with 35 gallons “First-aid” cylinders and 30 feet trussed telescopic ladders (motor pumps Nos. 4 and 17).

One motor trailer pump, 250 gallons per minute capacity (specially designed for use in positions that cannot be reached by the ordinary type of motor fire engines).

One mechanically-operated 85 feet motor turn-table ladder, 3 lorries, 1 motor car, 24 hook ladders, 56 scaling ladders, 13 telescopic ladders, 15 smoke helmets and breathing apparatus, 65,500 feet of 2½-inch canvas hose, etc.

One emergency tender fitted with six half-hour breathing apparatus, flood lights and spares of all descriptions including fifteen lengths of canvas hose.

The appliances are distributed as follows :—

Headquarters.—Five motor fire engines (Nos. 1, 6, 17, 19 and 20), 1 motor trailer pump, 2 motor lorries, 1 motor car, 7 hook ladders, 9 scaling ladders, 3 smoke helmets, 4 telescopic ladders and 24,000 feet of 2½-inch canvas hose.

Central Avenue.—Four motor fire engines (Nos. 2, 4, 15 and 18), 1 motor turn-table ladder, 1 portable pump, 1 emergency tender, 8 scaling ladders, 10 hook ladders, 9 breathing apparatus, 2 smoke helmets, 2 telescopic ladders, 1 motor lorry and 13,800 feet of 2½-inch canvas hose.

Kalighat.—Two motor fire engines (Nos. 14 and 16), 2 telescopic ladders and 4,200 feet of 2½-inch canvas hose.

It is estimated that the motor fire appliances travelled 19,333 miles during the year to and from calls as compared with 14,858 miles in the previous year.

The following statement gives the number of times each motor fire engine has been turned out in response to calls :—

The total number of pumping hours at fires during the year was 1,496 hours 30 minutes as compared with 2,066 hours 55 minutes in the previous year.

Fire stations.—Appendix IV gives the number of times each fire station has been turned out in response to fire calls, together with monthly statements.

Staff.—The strength of the Brigade during the year was 272 as detailed below :—

One Chief Officer, 1 Second Officer, 1 Chief Engineer, 5 Station Officers, 8 Engineers, 7 European firemen, 1 Warehouse Inspector, 4 clerks, 1 store-keeper, 3 telephone operators, 2 carpenters, 2 lathe mechanics, 1 fitter, 1 blacksmith, 1 tinsmith, 10 Indian drivers, 1 head tindal, 21 tindals, 178 khallasias and 13 menial employees.

The conduct and discipline of the staff throughout the year have been exemplary.

Station Officer T. Fulton was awarded Indian Police Medal by Government for an act of gallantry at a fire in a film godown at Dharamtalla Street where at the risk of his own life he rescued a man from the fire being burned to death.

Fatalities and accidents.—Appendix VI gives short reports of fires and special occurrences involving loss of life or serious accidents.

The number of lives lost during the year under review is 9 as compared with 11 in the previous year.

Thirty-one persons were injured at fires as compared with fifteen in the previous year.

I am glad to report that no serious accidents occurred during training recruits, or at drill.

In all cases, where necessary, first-aid was rendered by the Fire Brigade, and the injured persons conveyed to hospital by motor ambulances.

Water-supply.—Water for fire extinguishing in Calcutta, excepting Chitpore and Cossipore, etc., is obtained from the unfiltered water-supply system which is maintained by the Corporation of Calcutta. Pumping stations are located on the banks of the river Hooghly at Mullick Ghat and Watgunge.

The condition of water-supply in the Cossipore-Chitpore and adjoining area is extremely serious and needs attention owing to the many fire risks, comprising jute presses, warehouses, dwellings, shops, etc.

The only source of water-supply to deal with fires in this area is from ponds or tanks, many of which are replenished only by rainfall.

This necessarily means delay in getting to work, employing a large number of fire engines, together with a large quantity of hose, etc., as tanks, etc., are often at a considerable distance from a fire.

Frequent applications are received from jute press and warehouse owners for permission to fill up ponds and tanks on their premises in order to extend their warehouses, and, it is necessary to refuse many such applications unless the proprietors themselves undertake to provide an alternative water-supply for fire extinguishing, such as installing sprinklers, or pumps and mains with an intake from the river. Further, owing to the scarcity of water it has been necessary to refuse applications for warehouses, etc., above two stories unless appliances are installed by the owners for fire protection.

If a proper water-supply was provided the above restrictions would not have been necessary to be imposed.

Ponds and tanks, formerly available as sources of water-supply for fire extinguishing, are being filled up for sanitary reasons, or to create additional building sites with the result that the place has become congested and the installation of an efficient water-supply is imperative.

The conditions at Howrah are no better than Chitpore-Cossipore. Although the municipality has recently installed some hydrants on the filtered water supply which can be used in case of fire, unfortunately these are only in the residential districts. The question of filling a pond or tank is as important in Howrah as in Cossipore, and the provision of a proper water-supply for fire extinguishing is a matter of extreme urgency.

There is a proposal to install a number of additional hydrants in the jute area and it is hoped that it will be carried out at a very early date.

Fire float.—The fire float (5,000 gallons per minute capacity) is stationed on the river opposite the Prinsep's Ghat. During the year under review it has responded to 9 calls as compared with 13 calls in the previous year.

Street fire alarms, telephones and electrical communications.—I have much pleasure to record that the Bengal Telephone Company has done excellent service by maintaining the fire alarm system, etc., and by rendering assistance when required.

Inspection department.—The majority of theatres, cinemas and other places of public amusement, with few exceptions, have no serious fire risks.

There were no serious fires during the year under review in theatres, cinemas or places of public amusement.

In connection with the Licensed Warehouse and Fire Brigade Act I of 1893, 7,513 inspections of warehouses have been made during the year. Six hundred and ninety-eight applications and complaints have been attended to and disposed of. One hundred and fifty-one prosecutions were made under section 14 of Act I of 1893 which resulted in 91 persons being fined, the fines aggregating in all Rs. 1,081. Thirty-three persons were warned and discharged, 33 cases were withdrawn and 5 cases were filed owing to there being no trace of the parties concerned.

General.—The Calcutta Fire Brigade protects the City of Calcutta and the Municipalities of Howrah and Garden Reach, and may attend fires outside the boundaries of the above, but not exceeding a radius of 6 miles from Fire Brigade Headquarters, provided appliances can be spared, and on payment of a prescribed fee. The total area protected is approximately 120 square miles, comprising a population of over 2,000,000 persons.

Fire Brigade Headquarters is still located in premises rented for that purpose. These premises are congested and unsuitable, and a scheme for building an up-to-date and efficient headquarters was submitted in 1934 and is still under the consideration of the municipalities concerned.

If all the five members of the group are not present, the remaining members can go round without the absentee or absentees, as the case may be. The members constituting the group should inspect the internal arrangements and offer such suggestions regarding the administration of the institution as they think proper. The Committee as a whole will meet at least once a quarter, review the reports of the visiting groups and discuss the remedial measures adopted. The Superintendent of the Medical College Hospitals should attend the meetings of the Visiting Committee.

A visitors' book will be kept in the hospitals in which the recommendations of the Committee will be recorded. The Superintendent will note on the margin the action taken on each recommendation with any other remarks or explanations that he may wish to offer. He will transmit a copy of the entries without delay to the Surgeon-General with the Government of Bengal for consideration. The Surgeon-General will take such further action as may seem necessary and will bring to the notice of Government any matter which he thinks sufficiently important. Rajshahi.—No. 2209P.H.—21st June 1937.—The following draft of rules, which in exercise of the power conferred by section 311 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), the Governor proposes to make, and subject to which the Commissioners of the Rajshahi Municipality may allow communication-pipes to be laid down from the service-pipes of the Commissioners for the purposes of leading water to premises for domestic purposes only, is published for the information of persons likely to be affected thereby.

2. The draft rules will be taken into consideration on the 1st August 1937, and any objection or suggestion which may be received by the undersigned before that date will be duly considered :—

Draft Rules.

So long as the Commissioners deem it practicable and consistent with the maintenance of an efficient water-supply, they may grant to any owner or occupier of a holding paying a water-rate imposed under the provisions of Chapter VIII of the Bengal Municipal Act, 1932, on the annual value of such holding, when such annual value is not less than Rs. 200, a connecting-pipe from the service-pipes of the Commissioners for the purpose of leading water to such holding for domestic purposes only.

1. The owner or occupier of any holding requiring water to be laid on to such holding for domestic purposes must apply for the same on the printed form A to be supplied free of cost at the municipal office. The conditions subject to which a house connection will be given are set out in the form, and the owner or occupier shall sign the statement undertaking to observe the rules before a house connection will be given.

2. A fee of Rs. 100 shall be paid to the Commissioners by such owner or occupier for each connection to a municipal main supply-pipe of which Rs. 50 shall be paid as soon as the application for connection is granted and the balance within six months from the date of the grant of the application, and the connection will be cut off on failure to pay any such amount. Such fee shall be in addition to all other costs and charges imposed under these rules.

3. Each holding must have a separate connection to the municipal main supply-pipe, and an extension from the communication-pipe of one holding to another holding shall not be permitted and combination of the holdings for the purpose of these rules shall not be allowed.

4. The connection shall consist of two portions—

- (a) the service-pipe from the street main to the boundary of the holding, including ferrule, stop-cock and check-pipes;
- (b) the storage tank (or tanks) with service-pipe connecting to it from the boundary of the holding, also outlet-pipes, taps and other accessories as required.

5. The items referred to in clause (a) of rule 4 shall be provided and fixed by and at the expense of the Commissioners, and such pipes and fittings shall remain as their property.

6. The items referred to in clause (b) of rule 4 shall be provided and fixed at the expense of the owner or occupier and shall be maintained by him in good working order. The tank is to be suitably covered and protected and is to be provided with locked lid, ball-valve, stop-valve and overflow pipe. The inlet and outlet pipes are to be so laid that they will be protected from sun-heat.

7. The owner or occupier shall not permit the service-pipe, including the items referred to in clauses (a) and (b) of rule 4 or any part thereof, to be altered, removed or interfered with by any person other than an authorised representative of the Commissioners, who shall be empowered by the Commissioners to alter or adjust the service-pipe as may from time to time be necessary for the maintenance of the requisite flow of water. No tapping (or branching off) of the service-pipe shall be allowed except at a level approximately the same as that of the ball-valve.

8. The tank referred to in rule 4 (b) shall be durable and water-tight and the cover, overflow-pipe, etc., shall be so constructed that mosquitoes cannot enter the tank. The ball-valve and the other fittings shall be exact duplicates of standard samples kept in the office

of the Commissioners and approved by them at a meeting. The storage tank or tanks shall be cleaned and sterilized quarterly at the expense of the owner or occupier under the supervision of an officer of the municipality.

9. Every storage tank shall be fitted with an over-flow pipe, the end of which shall project over the wall of the house and shall be placed in a conspicuous position. Discharge of water from the over-flow-pipe means that the ball-valve is failing to function, and the owner or occupier shall notify the waterworks officers every time he finds such discharge occurring.

10. Every owner or occupier of any holding, in respect of which a connection has been made under these rules, shall be entitled to supply of water corresponding to the annual valuation of such holding, according to the following table:—

Annual valuation of the holding.		Gallon of water per day to which entitled.	
From Rs.	to Rs.		
200	225	..	180
226	250	..	190

1,001	1,100	..	320
1,101	1,200	..	330
1,201	1,320	..	340

For holdings with annual valuation above Rs. 1,320 the daily quantity of water (in gallons) will be calculated as the valuation divided by 4, *plus* 10 gallons more.

11. If additional water is required over and above the supply of water referred to in rule 10, requisition shall be made for the same to the Commissioners in form C. The requisition shall be for a period of not less than one year, and payment shall be made in advance for each half year at the rate of one pie per 10 gallons of additional water per day requisitioned.

When the above conditions have been complied with, the Commissioners shall have the house connection adjusted so as to enable the additional water to be supplied, the adjustment of the connection and the payment being based on the particulars furnished by the applicant in form C.

12. In case the owner or occupier requires for a special occasion or for any other purpose more water than the amount to which he is entitled according to rule 10, or according to a combination of rules 10 and 11, he may apply to the Commissioners in form B (obtainable at the municipal office free of charge) for a temporary connection. He shall pay in advance the sum of Rs. 10 per tank, and also shall pay weekly the following charges during the whole time he retains the temporary connection:—

- (a) For a supply of 200 gallons per day—Annas 8 per day.
- (b) For a supply of 300 gallons per day—Annas 12 per day.
- (c) For a supply of 450 gallons per day—Re. 1 per day.
- (d) For a supply of 600 gallons per day—Re. 1-4 per day.
- (e) For a supply of 750 gallons per day—Re. 1-8 per day.
- (f) For a supply of 900 gallons per day—Re. 1-12 per day.
- (g) For a supply of 1,100 gallons per day—Rs. 2 per day.

He shall state in his application the number of weeks for which the connection is required.

- 13. On receipt of the application, together with the fees as provided in rule 12, the Commissioners shall forthwith instal within the compound and at a level of two feet above ground an additional storage tank (or tanks) of 300 gallons capacity with ball-valve and two taps fixed to each tank. They shall connect the same to the street main by a service-pipe or pipes, and do all other work necessary to commence and maintain the supply.

The Commissioners shall keep in stock a number of tanks, with pipes, fittings, etc., for the above purpose.

14. The payment referred to in rule 12 shall be made once a week. In case the owner or occupier fails to make the payment weekly, the Commissioners or their officers may at once stop the additional supply of water through the temporary connection and remove the storage tank or tanks, temporary service-pipe, etc.

15. Two or more such temporary connections may be taken, if required, on payment of additional costs and weekly charges.

16. The Commissioners may cut off the connection between any waterworks of the Commissioners and any holding to which water is supplied from such works, or may turn off such supply, in any of the following cases, viz.—

- (a) if the holding is unoccupied;
- (b) if the occupier fails to pay his water-rate;
- (c) if the occupier in any way interferes with, damages or alters the service-pipe; and
- (d) if the occupier refuses to admit any officer duly empowered in that behalf into the holding for the purpose of making any examination or inspection of the service-pipe or storage tank, or prevents such officer from making such examination or inspection:

Provided that twenty-four hours' notice in writing of such examination or inspection may be demanded.

17. The works required under rule 4(b) shall be carried out by a person or firm employed by owner or occupier and approved by the Commissioners. For this purpose the Commissioners shall grant licenses to approved persons or firms, who should preferably have had previous experience in plumbing work.

18. No connection shall be permitted to any holding unless and until the owner or occupier makes effective provision to the satisfaction of the Commissioners for draining away all waste water.

19. The Commissioners will not be responsible for any interruption or diminution of water-supply due to occurrences beyond their control.

TO HIS EXCELLENCY THE RIGHT HONOURABLE SIR JOHN ANDERSON,
P.C., G.C.B., G.C.I.E., *Governor of Bengal.*

In the matter of An Election
Petition under section 26, Part III
of the Government of India (Cor-
rupt Practices and Election Peti-
tions) Order, 1936

and

In the matter of T. E. Martin,
a Voter in the Anglo-Indian Consti-
tuency to the Bengal Legislative
Assembly and his number in the
Electoral Roll is 3917 Male, Cal-
cutta, Petitioner,

versus

(1) Mr. L. T. Maguire,
(2) Mr. J. W. Chippendale,
(3) Mrs. Ellen West,
Opposite Party.

The humble *petition* of T. E.
Martin, one of the candidates for
the Anglo-Indian Constituency of
the Bengal Legislative Assembly,

Most respectfully sheweth:—

1. That the opposite party Mr. L. T. Maguire, Mr. J. W. Chippendale and Mrs. Ellen West have been elected members to the Bengal Legislative Assembly from the Anglo-Indian Constituency, Bengal, and the said elections have been declared in the *Calcutta Gazette* early in February 1937.

2. That Your Excellency's petitioner is a retired Railway Employee and has, since his retirement from service, served as a Travelling Secretary and General Secretary to the Anglo-Indian and Domiciled European Association, Bengal, for about 16 months.

3. That at the last election of candidates to the Bengal Legislative Assembly held in January 1937 to fill 4 seats in Anglo-Indian Constituency, Your Excellency's petitioner was one of the four independent candidates who had contested the aforesaid Constituency under the leadership of Mr. C. Griffiths against the four candidates nominated by the Anglo-Indian Association, Bengal, under Sir Henry Gidney's Presidentship and that Sir Henry Gidney was actively canvassing as agent on behalf of opposite parties.

4. That the candidates nominated by the Anglo-Indian Association were Mr. L. T. Maguire, Mrs. Ellen West, Messrs. O. K. Martin and J. W. Chippendale and were generally known as the Anglo-Indian Association Group and that your petitioner along with Mr. and Mrs. C. Griffiths and Mr. Lavalette had opposed the said Group in the elections to the Bengal Legislative Assembly.

5. That the election of Mr. Maguire is liable to be set aside because he had failed to submit his returns of election expenses within the date fixed by the Board of Revenue, Bengal; that Mr. Maguire did not submit the return of election expenses on the 9th March 1937—the last date fixed for submitting return of election expenses—but submitted the aforesaid return on the 10th March 1937, *i.e.*, after due date as is evident by the Magistrate's signature and date.

6. That there are serious omissions, mistakes and discrepancies and other defects in the return of election expenses submitted by the three of the four candidates who had been elected to fill three of the four seats in the Anglo-Indian Constituency of the Bengal Legislative Assembly, viz., Mr. L. T. Maguire, Mr. J. W. Chippendale and Mrs. Ellen West and the 4th candidate who was unsuccessful, viz., Mr. O. K. Martin.

7. That the elections of Mr. Maguire, Mr. Chippendale and Mrs. Ellen West are liable to be set aside by reason of the further fact that the returns have not been filed with such particulars as the law requires.

8. (i) That as regards Mr. L. T. Maguire's return of election expenses, there was no mention of dates or any statement of accounts and the assistance obtained from the Anglo-Indian Association was not stated; that vouchers for payment to Mrs. West towards Group expenses were not submitted; that Sir Henry Gidney's expenses to Kharagpur on his behalf was not shown; that the payment to Caledonian Press where his pamphlets were printed had been omitted from item "E" and that the two totals arrived at by him do not agree, there being a difference of As. 9-3p.;

(ii) That Mr. Chippendale did not mention in his returns of election expenses the assistance rendered to him by the Anglo-Indian Association and that although he had purchased 8 Electoral Rolls for Calcutta, one complete set for out-station and additional sets one for Howrah, one for 24-Parganas and one for Burdwan, he mentioned one messenger in his return and did not account for the other copies of his Electoral Rolls; further he omitted to mention the polling agents for whom he had applied and had obtained the permission; that the names of Mr. Shutie and Mr. J. M. Chippendale who had worked as his agents had not been mentioned; that Sir Henry Gidney's expenses to Kharagpur were not shown and the cost of Mr. Shutie's letter published on his behalf was not mentioned; that the statement regarding the hiring of Dalhousie Institute for two days was false; that no mention was made in Part "K" of the services rendered to him by Mr. J. J. De Mendonca who had written a letter on his behalf to "The Star of India";

(iii) That as regards the returns of election expenses filed by Mr. O. K. Martin, there was no mention of assistance from Anglo-Indian Association and of his own expenses; further the returns was not complete and had not been signed;

(iv) That as regards Mrs. Ellen West she did not mention the assistance she had received from the Anglo-Indian and Domiciled European Association; that she had shown a false return of Rs. 320-14-1½p. as due from Mr. O. K. Martin to whom she had given clear receipt, that she had shown Rs. 107-7-7½p. due from Mr. Maguire whereas the actual amount shown by Mr. Maguire on that head was Rs. 102-7-7½p.; then she had shown Rs. 48-12-3 as due to be paid by her but she had omitted to mention this amount in Part "L" of the return; that the cost of Electoral Roll Rs. 10-12 was not shown in her expenses although she had purchased a copy through her clerk Mr. Carter; that her travelling expenses to Kharagpur and Asansole to carry on her election propaganda were not shown; that she had shown in her voucher number No. 7 that Mr. O. K. Martin had paid Rs. 8 but this amount had not been shown by Mr. O. K. Martin in his account; that in Voucher No. 9 submitted by her, she had not stated to whom and on what dates refreshments were supplied; that she had not submitted her voucher for Rs. 29-8 alleged to have been paid to Sir Henry Gidney nor has she shown his travelling expenses to Kharagpur; that she had omitted the printing charges of the Caledonian Press; that the hiring of the Hall in Narkeldanga George H. E. School had been omitted; that her signature as candidate as well as her own election agent in page 13, part "L", was not affixed on due date and similarly in pages 14 and 15, the seals by the Magistrate were omitted; she had presented her returns and they were filed on correction after due date.

9. That the elections of the aforesaid Mr. Maguire, Mr. Chippendale and Mrs. Ellen who are members of a group known as Anglo-Indian Association Group led by Sir Henry Gidney are also liable to be set aside under the following circumstances. That with a view to prejudice the voters both in Calcutta and at out-stations in Bengal against voting for Mr. C. Griffiths in the elections to the Bengal Legislative Assembly, the opposite parties or their agents caused to be published in the "Star of India" in the issue of the 20th January 1936, just 3 days before polling day, an article containing false statements which they knew to be false or did not believe to be true under the caption "To the Anglo-Indian Voters in Bengal".

10. That on or about the same date, a pamphlet published by Mr. Maguire, Mr. O. K. Martin and Mrs. West, containing allegations which are false and which they either knew to be false or did not believe to be true, and bearing the signatures of the 4 candidates nominated by the Anglo-Indian Association and shortly after its circulation both Mr. Chippendale and Mr. O. K. Martin immediately

had denied their signatures and had pleaded ignorance to the contents of the said pamphlet and further Mr. Chippendale had apologized to Mr. C. Griffiths in writing and wrote to the "Star of India" denying knowledge. That your petitioner begs to refer the said pamphlet which stated inter alia that "except to Philatelists, Mr. C. Griffiths was practically an unknown man to the Anglo-Indian and Domiciled European community in May 1925, but many will remember the memorable meeting of the community held in 1925 at the Empire Theatre (now called First Empire) to decide on the Anglo-Indian Deputation to London and how the hundreds gathered on that occasion were impressed as also surprised at the offer by Mr. C. Griffiths to the Anglo-Indian Deputation of a collection of his fiscal stamps which he valued at £30,000 (Rupees three lacs) and which he said could be sold in England and the amount realised be utilised to defray the cost of the Deputation and the balance to form an Anglo-Indian Higher Education Fund."

That your petitioner craves leave to refer to the following statements in the said pamphlet:—

"The following extract from the minutes of a meeting of the Joint Councils "India" and "Bengal" Anglo-Indian Associations held at 63, Park Street, Calcutta, on Wednesday, the 3rd June 1925, will throw some light on the actual facts regarding the 1925-Anglo-Indian Deputation.

"Mr. Griffiths' letter was read to the meeting in which he offered collections of stamps to the Deputation, which collections may be sold and the sale-proceeds used for the purposes of the Deputation. The Joint Councils took this opportunity to thank Mr. Griffiths for his very generous offer which they gratefully accepted.

Mr. Griffiths had already decided to go to England in connection with the sale of some private stamps in his possession and as a member of the Association he offered a certain collection of fiscal stamps, the proceeds of which could be utilised for the expenses of the deputation and any balance left over was to be utilised for providing scholarships for the higher education of Anglo-Indian boys and girls. He valued the collection he offered for this purpose at £30,000. In return for this "generous offer" Colonel Gidney, as leader of the Deputation, having been granted the privilege of co-opting members on to the Deputation, co-opted him. He was *not elected* as the "representative" of Bengal and was never officially recognised by the Association as such. His co-option, as a member of the Deputation, was merely as a mark of appreciation of a member of the community who had donated, towards the cost of the Deputation and the Higher Education Fund, stamps which, according to Mr. Griffiths, were worth £30,000. The delegate who was officially nominated from Bengal was Mr. L. T. Maguire, who could not accompany the Deputation for want of necessary funds.

We note that Mr. Griffiths has discreetly omitted to mention anything in his manifesto about the generous offer he made of these fiscal stamps. As a philatelist of repute, the Association accepted Mr. Griffiths' valuation of this collection, but when efforts were made by Col. Gidney to effect a sale of these stamps in England, the leading philatelists of England, to whom Mr. Griffiths himself referred Col. Gidney, opined that they would not bring more than £10. It is too painful for us to go further into this unfortunate misrepresentation of the matter which led the Association to allow Mr. Griffiths to be co-opted as a member of the Deputation. The difference between £30,000, the value given by Mr. C. Griffiths to his fiscal collections of stamps and the amount of £10 offered in London for its sale, needs no further comment except to say that about 12 of the world's leading philatelists, to whom reference was made (some of them on the recommendation of Mr. C. Griffiths) replied that the stamps were of no commercial value, that it would be difficult to find a purchaser in Europe, that the highest amount offered for the whole lot of stamps was £30 and Bridger and Kay, 170, Strand, London, the firm who specialised in fiscal stamps, to whom other philatelists and Mr. Griffiths referred Col. Gidney, offered £5 for the lot.

"Thus it will be seen that his trip to England as a co-opted member of the Deputation merely served to benefit his personal ends by giving him a status, which he would not have had in his individual private capacity, in pushing the sale of his own collection of stamps to the tune of over Rs. 20,000. The poignancy of this tragedy mean the

co-option of Mr. Griffiths to the A.-I. 1925 Deputation is realised when we say that this collection of fiscal stamps on which the Deputation so materially depended and on which alone Mr. C. Griffiths was co-opted as a member of the 1925 Deputation, to-day, still remains unsold and is in the possession of Sir Henry Gidney as evidence of a most painful episode in the history of Anglo-India, which it would have been better had Mr. Griffiths allowed to remain buried instead of exhuming its carcass and placing it to his credit in the forefront of his election manifesto. It affords us no pleasure whatever to refer to this incident in the chequered history of the community, but Mr. Griffiths' reference to the part he played in the 1925-Anglo-Indian Deputation has just impelled us to state facts to the Anglo-Indian electors who are called upon to vote for our representatives to the Bengal Legislative Assembly.

"On his return to India Mr. Griffiths must have himself felt what he had done and, so, may be as a set off against this, Mr. Griffiths, we feel, was constrained to offer the "Charles Griffiths Scholarships." It must be apparent to the most casual observer that a journal devoted to the interests of the community would naturally eulogise even such forced magnanimity, especially when it was suggested that "his son would be able to continue it." That Mr. Griffiths, himself, did not continue the scholarship after the expiry of the original donation is an illuminating factor. Mr. Griffiths refers to what he told Lord Birkenhead when he went with the Deputation. Let us refer to that part of the proceedings when Mr. Griffiths, against the advice of the leader of the Deputation, intervened. On hearing Mr. Griffiths Lord Birkenhead said:

"Lord Birkenhead: I am sorry; I am sure it is my fault but really I do not follow you. What am I to do suppose I had the power to do anything myself which I have not. What should I do to make you a separate community?"

Mr. Griffiths: It would be just as the Parsees stand out as a separate community.

"Lord Birkenhead: But I did not make them a separate community."

"It was here that Mr. Kunning, a delegate (President of the London Anglo-Indian Association), tried to extricate Mr. Griffiths from the painful position he has got himself into when he tried to compare Anglo-Indians to the Parsis and endeavour to explain as best he could what Mr. Griffiths was driving at. (Let it be noted that the Parsis have never considered us called themselves a separate country and ever since the Reforms have always been included as Indians not Parsis.)"

"Mr. Griffiths, in his manifesto, states he has "contributed liberally to various Anglo-Indian funds." Will he kindly detail his liberal contributions? He is not even a life member of the Association."

11. That the aforesaid pamphlet has insinuated that Mr. Charles Griffiths had imposed on the Anglo-Indian Association and had deceived Col. Gidney as he then was, particularly to get himself co-opted as a member of the Anglo-Indian Deputation to England.

12. That Mr. Charles Griffiths had joined the Anglo-Indian Association in 1917 and was an officer in the Licensed Measurers Department and a member of the Bengal Chamber of Commerce and as such he had a respectable position in life and the statement that he was unknown, etc., in the pamphlet was contrary to truth. The said pamphlet is annexed herewith and marked "B" for reference.

13. That the fact is that in 1919, six years before the Anglo-Indian Deputation had set out for England under the leadership of Col. Gidney as he then was a very large collection of Fiscal stamps of all values and containing many rarities was valued according to Messrs. Walter Morley's Catalogue, 1910, at £20,000 or a little more than Rs. 300,000 (three lacs) and this collection was advertised in 1919 for sale; that the said stamps were worth £30,000 according to Mr. Griffiths is a deliberate distortion of truth and that Col. Gidney had co-opted him in return for his generous offer of fiscal stamps is another mis-statements of facts.

14. That there was not the slightest indication in 1919 that Deputation to England organised by Anglo-Indians would set out six years later, so that the collection of stamps valued on purpose at a high figure and according to Mr. Griffiths might be offered as an inducement either to be elected or co-opted as a member of the said Deputation.

15. That as a matter of fact in pursuance of a resolution passed at a Public meeting held at the Empire Theatre on the 20th May 1925, Mr. C. Griffiths was unanimously co-opted as a member of the said Deputation to England. That the actual reason of Mr. Griffiths being co-opted was due to Mr. L. T. Maguire's inability to accompany the Deputation and not to the former's generous offer of a highly valued collection of fiscal stamps and a further potent factor which contributed to his co-option in order to take the place of Mr. L. T. Maguire on the Deputation was that Mr. Griffiths offered to pay his own expenses to and from England.

16. That on the 19th June 1925, in reply to Col. Gidney's letter enquiring as to the correct market value of the stamps Mr. Griffiths had stated "What the collection will sell for I really cannot say nor have I any idea; I have not sold stamps in England and therefore cannot give any definite idea what can be realised for a big lot suddenly thrown on the market."

17. That Col. Gidney never really believed that the Catalogue value of the stamps and their market value were one and same thing and this was evident from the fact Mr. Maguire was unable to accompany him to England as a member of the Deputation for want of sufficient funds and thus there could not have been any deception on anybody's part much less on the part of Mr. C. Griffiths.

18. That Mr. C. Griffiths represented Bengal in the Anglo-Indian Deputation to England in 1925 was apparent from the special issue of Anglo-Indian Review dated 1927 of which Sir Henry Gidney is the proprietor and Mr. L. T. Maguire was the Editor.

19. That the facts are—

(i) Mr. C. Griffiths was co-opted on 13th May 1925.

(ii) That this co-option was confirmed at the meeting held on Wednesday the 20th May 1925.

(iii) That on the 3rd June in his letter to Col. Gidney he mentions the collection of fiscal stamps and offered the sale proceeds.

(iv) That the first public announcement concerning the Fiscal Stamps and the offer of the collection to defray the expenses of the Deputation was made in the columns of the "New Empire" on the 9th June 1925.

21. That on the 15th January 1937, a pamphlet was published by Sir Henry Gidney, President of Anglo-Indian Association, Bengal, containing several false allegations against Your Excellency's petitioner and the said false statements and insinuations had seriously prejudiced Your Excellency's petitioner in the elections to the Bengal Legislative Assembly. That the said pamphlet is annexed herewith and marked "(C)".

22. That the statement in the said pamphlet that Your Excellency's petitioner was neither the President nor even a member of the Howrah Branch of the Association was false and false to the knowledge of Sir Henry Gidney and was deliberately made with a view to injure your petitioner in the estimation of the public.

23. That Sir Henry Gidney distorted facts when he stated in the aforesaid pamphlet that "it is therefore incorrect and a camouflage to say that the Anglo-Indian Members of the Bengal Legislative Assembly can protect or even present Railway interests in the Bengal Legislative Assembly. It is a cunning trick to capture votes especially Railway votes by Mr. Martin" and further Sir Henry Gidney had stated "Does Mr. Martin claim to possess an equal status as these gentlemen when he asks you to vote for him as the representative of the community on the Bengal Legislative Assembly" and finally he had stated "Your representatives must be persons who will command respect from the other Indian and European Legislators.....on account of their status."

24. That the gist of Sir Henry Gidney's pamphlet was that Your Excellency's petitioner who had been an official in the Railway for 25 years had not had sufficient status to represent the Anglo-Indian community in the Bengal Legislative Assembly; that these false statements had been made by the President of the Anglo-Indian and

Domiciled European Association in order that the candidates nominated by the Anglo-Indian and Domiciled European Association might get an unfair advantage over your petitioner.

Under the aforesaid circumstances Your Excellency's petitioner prays that Your Excellency might be pleased to appoint Commissioners to try the election case and after hearing the parties direct that the elections of Mr. L. T. Maguire, Mr. Chippendale and Mrs. Ellen West be set aside or pass such other or further orders as Your Excellency may deem fit and proper.

And Your Excellency's humble petitioner as in duty bound shall ever pray.

Verification.

I, Theodore Ernest Martin, the petitioner abovenamed, do hereby on solemn affirmation declare and state that what is stated in the foregoing petition are true to my knowledge. I sign this Verification at my house at 9/2, Temple Street, Calcutta, at 2 o'clock, this the 25th day of March 1937.

*Star of India.***To the Anglo-Indian Voters in Bengal.**

Dear friends,

As Mr. Griffiths will not give us an opportunity of testing the facts in his manifesto on a public platform we are constrained to write this letter so that the truth be known.

In the interests of the Anglo-Indian community in Bengal, we feel it incumbent on us to place before you certain facts relating to statements made in Mr. Griffiths' manifesto which are likely to mislead the voters. We refer particularly to his statement that "as far back as 1925 I represented your Province (Bengal) on the Anglo-Indian Deputation to England at my own expense," as also to the reproduction from the "Anglo-Indian Review" of an article which appeared in that journal about Mr. Griffiths.

Except to philatelists, Mr. C. Griffiths was practically an unknown man to the Anglo-Indian and Domiciled European community in May 1925, but many will remember the memorable meeting of the community held in 1925 at the Empire Theatre (now called the First Empire) to decide on the Anglo-Indian Deputation to London and how the hundreds gathered on that occasion were impressed, as also surprised, at the offer by Mr. C. Griffiths to the Anglo-Indian Deputation of a collection of his fiscal stamps which he valued at £30,000 (three lakhs of rupees) and which he said could be sold in England and the amount realised be utilised to defray the cost of the Deputation and the balance to form an Anglo-Indian Higher Education Fund. This announcement which Col. Gidney made from the platform was received with great applause. The following extract from the minutes of a meeting of the Joint Councils "India" and "Bengal" Anglo-Indian Associations held at 63, Park Street, Calcutta, on Wednesday, the 3rd June, 1925, will throw some light on the actual facts regarding the 1925-Anglo-Indian Deputation.

Mr. Griffiths' letter was read to the meeting in which he offered collections of stamps to the Deputation, which collections may be sold and the sale proceeds used for the purposes of the Deputation. The Joint Councils took this opportunity to thank Mr. Griffiths for his very generous offer which they gratefully accepted.

Mr. Griffiths had already decided to go to England in connection with the sale of some private stamps in his possession and as a member of the Association he offered a certain collection of fiscal stamps, the proceeds of which could be utilised for the expenses of the deputation and any balance left over was to be utilised for providing scholarships for the higher education of Anglo-Indian boys and girls. In return for this "generous offer" Colonel Gidney, as leader of the Deputation, having been granted the privilege of co-opting members on to the Deputation, co-opted him. He was *not elected* as the "representative" of Bengal and was never officially recognised by the Association as such. The delegate who was officially nominated from Bengal was Mr. L. T. Maguire, who could not accompany the deputation for want of necessary funds.

We note that Mr. Griffiths has discreetly omitted to mention anything in his manifesto about the generous offer he made of these fiscal stamps. As a philatelist of repute, the Association accepted Mr. Griffiths' valuation of this collection, but when efforts were made by Col. Gidney to effect a sale of these stamps in England, the leading philatelists of England, to whom Mr. Griffiths himself referred Col. Gidney, opined that they would not bring more than £10. It is too painful for us to go further into this unfortunate misrepresentation of the matter which led the Association to allow Mr. Griffiths to be co-opted as a member of the Deputation. The difference between £30,000, the value given by Mr. C. Griffiths was co-opted as a member of the 1925 Deputation, to-day, still remains unsold and is in the possession of Sir Henry Gidney as evidence of a most painful episode in the history of Anglo-India, which it would have been better had Mr. Griffiths allowed to remain buried instead of exhuming its carcass and placing it to his credit in the forefront of his election manifesto. It affords us no pleasure whatever to refer to this incident in the chequered history of the community, but Mr. Griffiths' reference to the part he played in the 1925 Anglo-Indian Deputation has just impelled us to state facts to the Anglo-Indian electors who are called upon to vote for our representatives to the Bengal Legislative Assembly.

On his return to India Mr. Griffiths must have himself felt what he had done and, so, may be as a set off against this, Mr. Griffiths, we feel, was constrained to offer the "Charles Griffiths Scholarship." It must be apparent to the most casual observer that a journal devoted to the interests of the community would naturally eulogise even such forced magnanimity, especially when it was suggested that "his son would be able to continue it." That Mr. Griffiths, himself, did not continue the scholarship after the expiry of the original donation is an illuminating factor.

Mr. Griffiths refers to what he told Lord Birkenhead when he went with the Deputation. Let us refer to that part of the proceedings when Mr. Griffiths, against the advice of the leader of the Deputation, intervened. On hearing Mr. Griffiths Lord Birkenhead said:

"Lord Birkenhead: I am sorry; I am sure it is my fault, but really I do not follow you. What am I to do suppose I had the power to do anything myself, which I have not. What should I do to make you a separate community?"

Mr. Griffiths: It would be just as the Parsees stand out as a separate community.

Lord Birkenhead: But I did not make them a separate community.

It was here that Mr. Kunning, a delegate (President of the London Anglo-Indian Association) tried to extricate Mr. Griffiths from the painful position he has got himself into when he tried to compare Anglo-Indians to the Parsis and endeavoured to explain as best he could what Mr. Griffiths was driving at. (Let it be noted that the Parsis have never considered as called themselves a separate community and ever since the Reforms have always been included as Indians not Parsis.)

Mr. Griffiths, in his manifesto, states he has "contributed liberally to various Anglo-Indian funds." Will he kindly detail his liberal contributions? He is not even a life member of the Association.

Mr. C. Griffiths published in a recent issue of the "Statesman" asking electors to refer to the "Anglo-Indian Observer" for reasons why he was excluded from the Anglo-Indian and Domiciled European Association group of four candidates. We desire here and now to assert that one of the chief reasons why he was excluded was his remarks on colour discrimination between the two women candidates Mrs. Ellen West and Mrs. A. L. Griffiths. He said to Sir Henry Gidney that if Mrs. West (who is the darker complexioned of the two lady candidates), were elected, it would please the Indians but displease the European group, implying that, because his wife was fairer, she should be preferred by the community in place of Mrs. Ellen West. We feel this needs no further comment from us for its condemnation by the entire Anglo-Indian electorate and we would only emphasize the grave dangers to which we expose ourselves with a candidate who is so colour prejudiced.

Further on in his manifesto Mr. C. Griffiths informs the community that, if he is elected, he will endeavour to see that

(a) "Scholarships are provided for our deserving students." We should like to know from whom he will get these scholarships, from Government, local charity or will he provide them himself?

(b) "A Bureau for employment is established." Will he tell us whether he has done anything in this direction during the period he has been a sitting member?

(c) "A department will be formed to enquire into grievances of Anglo-Indians employed in the All-India Services, as also the Licensed Measurers Department." Is Mr. C. Griffiths really serious when he makes this extravagant promise, considering the fact that the All-India Services will be the concern of the Government of India and the Central Legislative Assembly at Delhi?

(d) "That appointments in the Auxiliary Branches of the Army are secured as during the Great War." Obviously Mr. Griffiths means the Ancillary Branches. He must know, as any ordinary man in the street ought to know, that Army matters cannot be raised in the Provincial Assemblies; how can he, therefore, with any veneer of sincerity, make the promise he has made in the manifesto. In any case the veriest tyro in politics should be aware of the fact that the defence of India has markedly altered since the days of the War. Such vain promises may mislead the less informed voter, but would it benefit the community as a whole?

(e) "Land schemes are encouraged." Will Mr. Griffiths tell his Constituency what he has done for the past three years—say for McCluskiegunj—the biggest Anglo-Indian colony to-day and what help he afforded to the colony.

It is significant that, although Mr. Griffiths has reproduced, in extenso, in his manifesto, the speeches he delivered in various places, he has not gone into detail regarding his participation at the 1925 Deputation. Reading out manuscript speeches prepared beforehand is one thing, but to be able to watch the progress of a debate on a particular matter relating to the community and be in a position to reply to it is quite a different thing. The former can be done with great effect with the aid of an able Secretary, but the latter requires deep knowledge of communal needs and problems, a ready flow of language, the capacity to confront arguments and the ability to speak extempore.

We call upon Mr. C. Griffiths and his worthy wife to answer these points either in a manifesto or before a public meeting in Calcutta. Will he do so? We await his reply.

To the Anglo-Indian Voters in Bengal.

Dear friends,

As Mr. Griffiths will not give us an opportunity of testing the facts in his manifesto on a public platform we are constrained to write this letter so that the truth be known.

In the interests of the Anglo-Indian community in Bengal, we feel it incumbent on us to place before you certain facts relating to statements made in Mr. Griffiths' manifesto which are likely to mislead the voters. We refer particularly to his statement that "as far back as 1925 I represented your Province (Bengal) on the Anglo-Indian Deputation to England at my own expense," as also to the reproduction from the "Anglo-Indian Review" of an article which appeared in that journal about Mr. Griffiths.

Except to philatelists, Mr. C. Griffiths was practically an unknown man to the Anglo-Indian and Domiciled European community in May 1925, but many will remember the memorable meeting of the community held in 1925 at the Empire Theatre (now called the First Empire) to decide on the Anglo-Indian Deputation to London and how the hundreds gathered on that occasion were impressed, as also surprised, at the offer by Mr. C. Griffiths to the Anglo-Indian Deputation of a collection of his fiscal stamps which he valued at £30,000 (three lakhs of rupees) and which he said could be sold in England and the amount realised be utilised to defray the cost of the Deputation and the balance to form an Anglo-Indian Higher Education Fund. This announcement which Col. Gidney made from the platform was received with great applause. The following extract from the minutes of a meeting of the Joint Councils "India" and "Bengal" Anglo-Indian Associations held at 63, Park Street, Calcutta, on Wednesday, the 3rd June 1925, will throw some light on the actual facts regarding the 1925-Anglo-Indian Deputation.

Mr. Griffiths' letter was read to the meeting in which he offered collections of stamps to the Deputation, which collections may be sold and the sale proceeds used for the purposes of the Deputation. The Joint Councils took this opportunity to thank Mr. Griffiths for his very generous offer which they gratefully accepted.

Mr. Griffiths had already decided to go to England in connection with the sale of some private stamps in his possession and as a member of the Association he offered a certain collection of fiscal stamps, the proceeds of which could be utilised for the expenses of the deputation and any balance left over was to be utilised for providing scholarships for the higher education of Anglo-Indian boys and girls. He valued the collection he offered for this purpose at £30,000. In return for this "generous offer" Colonel Gidney, as leader of the Deputation, having been granted the privilege of co-opting members on to the Deputation, co-opted him. He was *not elected* as the "representative" of Bengal and was never officially recognised by the Association as such. His co-option, as a member of the Deputation, was merely as a mark of appreciation of a member of the community who had donated, towards the cost of the Deputation and the Higher Education Fund, stamps which, according to Mr. Griffiths, were worth £30,000. The delegate who was officially nominated from Bengal was Mr. L. T. Maguire, who could not accompany the deputation for want of necessary funds.

We note that Mr. Griffiths has discreetly omitted to mention anything in his manifesto about the generous offer he made of these fiscal stamps. As a philatelist of repute, the Association accepted Mr. Griffiths' valuation of this collection, but when efforts were made by Col. Gidney, to effect a sale of these stamps in England, the leading philatelists of England, to whom Mr. Griffiths himself referred Col. Gidney, opined that they would not bring more than £10. It is too painful for us to go further into this unfortunate misrepresentation of the matter which led the Association to allow Mr. Griffiths to be co-opted as a member of the Deputation. The difference between £30,000, the value given by *Mr. C. Griffiths* to his fiscal collections of stamps and the amount of £10 offered in London for its sale, needs no further comment except to say that about 12 of the world's leading philatelists, to whom reference was made (some of them on the recommendation of Mr. C. Griffiths) replied that the stamps were of no commercial value, that it would be difficult to find a purchaser in Europe, that the highest amount offered for the whole lot of stamps was £30 and Bridger and Kay, 170, Strand, London, the firm who specialised in fiscal stamps, to whom other philatelists and Mr. Griffiths referred Col. Gidney, offered £5 for the lot.

Thus it will be seen that his trip to England as a co-opted member of the Deputation merely served to benefit his personal ends by giving him a status, which he would not have had in his individual private capacity, in pushing the sale of his own collection of stamps to the tune of over Rs. 20,000. The poignancy of this tragedy mean the co-option of Mr. Griffiths to the A.-I. 1925 Deputation is realised when we say that this collection of fiscal stamps on which the Deputation so materially depended and on which alone Mr. C. Griffiths was co-opted as a member of the 1925 Deputation, to-day, still remains unsold and is in the possession of Sir Henry Gidney as evidence of a most painful episode in the history of Anglo-India, which it would have been better had Mr. Griffiths allowed to remain buried instead of exhuming its carcass and placing it to his credit in the forefront of his election

manifesto. It affords us no pleasure whatever to refer to this incident in the chequered history of the community, but Mr. Griffiths' reference to the part he played in the 1925 Anglo-Indian Deputation has just impelled us to state facts to the Anglo-Indian electors who are called upon to vote for our representatives to the Bengal Legislative Assembly.

"C."

To The Anglo-Indian Voters in Bengal.

DEAR FRIENDS,

My attention has been drawn to a manifesto issued by a Mr. T. E. Martin who has subscribed himself as President, Howrah Branch, Anglo-Indian and Domiciled European Association. As President of the Bengal Provincial Branch, I have to state that according to the records of the Bengal Provincial Branch he is neither the President nor even a member of the Howrah Branch of the Association.

He has claimed the votes of Railwaymen on the following grounds:

- That he has the desire, the time and the means to serve the community; that he is a Railwayman and the only Railwayman who is standing for election; that he has helped individual members of the community whom the Association were not disposed to help.

It would have been appropriate if he had informed the electorate that he is an ex-Railwayman, discharged from the East Indian Railway 10 years ago and was, later, asked to resign from the B. N. Railway after about three years' service. This would give the electorate some idea of the means which he could possess to-day after all these years of his unemployment, even if he has lately secured some employment. A reference to the individuals to whom he is supposed to have rendered material assistance will reveal the manner in which they were helped by him. Because he continued constantly to visit the Central Office of the Association long after he had been discharged from the office, most of them were apparently under the impression that Mr. Martin was still connected with the Association, and so, may be, whatever Mr. Martin told them about the Association, regarding its willingness or unwillingness to take up any case was accepted by them as from an officer of the Central Office of the Association. Any alleged material assistance he rendered to such misinformed Railwaymen took the form of drafting out their petitions to their respective officers. And as every labourer is

worthy of his hire, some of the aggrieved Railwaymen, with their knowledge of Mr. Martin's unemployment, naturally remunerated him for his trouble. In the circumstances one is tempted to ask how he, as he asserts in his manifesto, has the time and the means which make it possible for him adequately to serve the community as its representative in the Bengal Legislative Assembly.

Mr. Martin further says

That the need for a Railwayman in the Assembly was recognised by the Association as far back as 1925; that Madras Branches of the Association resolved to elect a Railwayman to the Madras Legislative Assembly; that I endeavoured to get a Railwayman in Bengal to stand as a candidate; that in the Punjab and in Bihar Railwaymen have been returned unopposed; that an Indian gentleman from E. B. Railway Labour Union at Calcutta has been returned unopposed; that, therefore, he must be returned to the Bengal Legislative Assembly as the Railway representative to protect their interests.

At the outset I desire emphatically to deny that a *Railwayman* is required to represent Railway interests in the Bengal Legislative Assembly. I have never been a Railwayman and yet, I have, in my humble way in the Central Legislature (Simla and Delhi), protected Railway interests for over 16 years. The 1925 Anglo-Indian deputation to the Secretary of State for India did not ask for a *Railwayman* to be elected to the Legislative Assembly, but asked for the representation of Railwaymen's interests in the Legislative Assembly at Delhi. Mr. Martin has adroitly attempted to confuse the issues by referring to the "Assembly" and following it up by stressing his claim for election to the Bengal Legislative Assembly, a cunning play on the word "Assembly". The Central Legislative Assembly at Delhi is the *only* body which can deal with Railway questions, Railways being a Central Subject directly under the control of the Government of India. The Provincial Legislative Assembly cannot, under *any circumstances*, discuss any matter relating to the Railways and all questions regarding Railways asked in the Bengal Legislative Assembly would, *at once*, be ruled out of order by the President. The principle underlying the representation of organized labour unions is to give representation of the labouring classes and not with a view to facilitate the protection of service interests on Railways. Moreover it would be interesting to know whether the Indian gentleman returned by the E. B. R. Labour Union is a Railwayman? It is, therefore, incorrect and a camouflage to say that the Anglo-Indian members of the Bengal Legislative Assembly can protect or even present Railway interests in the Bengal Legislative Assembly. It is a cunning trick to capture votes especially Railway votes by Mr. Martin.

The Anglo-Indian Railwaymen, who have been returned unopposed in Bihar and the Punjab, with whom Mr. Martin also desires to classify himself in the general category of "Railwayman", are Mr. A. M. Hayman, O.B.E., who is a retired member of the Railway Board and Mr. E. Few, retired Assistant Loco Superintendent, N. W. Railway, a man of standing and influence and who has closely associated himself for years with the Association as a Councillor of the Punjab Provincial Branch of the Association. The Railwayman to whom Mr. Martin refers as having been nominated by the Branches of the Association in South India, but who has since retired from the contest is also a retired Assistant Traffic Superintendent, a man of status. The Anglo-Indian who expressed a desire to stand for election as a candidate in Bengal, but who could not stand because his name was not on the electoral list was also an Honorary Assistant Loco Officer at the time of his retirement from the Railway. It is a distinct untruth to say that the "Government of Bengal summarily rejected the eleventh hour effort on behalf of the particular railwayman selected by the Association". But one is entitled to ask: Does Mr. Martin claim to possess an equal status as these gentlemen when he asks you to vote for him as the representative of the community on the Bengal Legislative Assembly?

I now come to the misleading claims Mr. Martin has made in regard to the assistance he rendered in my fight for Railwaymen. Any careful observer would have seen through the hollowness of the claim. Mr. Martin was a servant of the Association receiving a monthly salary and although, at the time, he was styled the Travelling Secretary of the Association, the funds of the Association did not permit of him being sent out on the line. His services were, therefore, utilised in extracting

statistics from the Administration Reports of the Railway Board both in the office and from the Imperial Library. I deny absolutely and vehemently that he prepared the case for the Railways which I incorporated in the Memorandum to the Joint Parliamentary Committee. The notes on which I based the chapter which I alone wrote in the Memorandum to the Joint Select Committee of Parliament were prepared by the Honorary General Secretary, Mr. W. D'Rozario, with the assistance of another member of the staff and certainly not by Mr. T. E. Martin as he alleges. And for Mr. Martin to say that he has been responsible for the Resolution of the 4th July, 1934, is a travesty of fact and a deliberate outrage on truth.

It is, however, a fact that in 1935 Mr. Martin brought to my notice certain information which had come into his possession regarding the manner in which the E. I. Railway had decided to distribute the Anglo-Indian percentage allotted to them. I ask which Anglo-Indian, worthy of the name, who comes into possession of such useful information, who is not an active Railway servant, especially one who at *that time* was and who is to-day in receipt of financial benefits from the Association could withhold such information? I was grateful to him and I readily, as I always do, wrote him and expressed my thanks to him for the manner in which he kept me posted with information that *'came'* into his possession, irrespective of how the information was obtained. But this does not entitle him to the fantastic claim permeating his entire manifesto that he was responsible for the very resolution of the Government of India of 4th July, 1934 and the protection vouchsafed to us in the Government of India Services as is to be found in the Government of India Act, 1935.

Moreover the statement that, as the Railwayman's representative in the Bengal Legislative Assembly, he will be of considerable assistance in seeing that our rights in the matter of the percentages in the Central Government Services, especially Railways, and the remuneration of the posts, are safeguarded, is either a deliberate misstatement on his part or exhibits his crass ignorance of the constitution.

Your representatives must be persons who will command respect from the other Indian and European Legislators, not on account of their wealth, nor on account of their ability to ferret out information and write petitions (any intelligent clerk can do this), nor merely on account of their academic degrees, but on account of their status, their past communal experience and public career, their interest in communal activities and their ability and intelligence to grapple with the political and economic problems of the community as they arise.

We do not want a woman who, in comparison with her opponent, has very little communal work to her credit and of whom the giving away of prizes has been so emphasized and one whose voice we have never heard lifted in the cause of Anglo-Indians. We want a woman who has shown clear evidence of her intimate knowledge and experience of Anglo-Indian problems, a woman who has actively served the community and recently, by her personal interest and attention, has been able to secure over 200 men employment in the present B. N. R. strike and so relieved Calcutta's unemployment problem, and who holds the important office of the General Secretary of the Anglo-Indian and Domiciled European Association purely in an *honorary* capacity. Vote for a worker and not for one who helps to distribute food to the unemployed on an X'mas Day. Communal work lasts longer than an X'mas day dinner.

I, therefore, earnestly ask you not to be so easily cajoled by the supplications of the candidates, but to ponder seriously before you cast your votes on the 23rd January, 1937.

Yours sincerely,

HENRY GIDNEY,

President,

4. That the 18th December 1936 was the last date for the filing of nomination papers, and the 19th December 1936 for the scrutiny of nominations by the Returning Officer.

5. That your petitioner filed three nomination papers before the Returning Officer, duly subscribed and completed in the prescribed form.

6. That there were two other candidates at the said election from the same Constituency, namely, Respondent No. 1, Maulvi Zahur Ahmed Chowdhury and Respondent No. 2, Mr. K. Ahmed *alias* Kabiruddin Ahmed, Barrister-at-Law, the former of whom filed four and the latter, three nomination papers.

7. That at the scrutiny of nomination papers the Returning Officer accepted only one of the nomination papers of Respondent No. 1, rejecting two others and passing no order on the remaining one, while the nomination papers of Respondent No. 2 were all accepted.

8. That on the objection of Respondent No. 1, the Returning Officer was, however, pleased to reject all the three nomination papers of your petitioner.

9. That in the result only two candidates, Respondents Nos. 1 and 2, were held to be duly nominated, and the election took place as between them, and after the counting of votes Respondent No. 1 was declared as the returned candidate, the voting being as follows:—

Respondent No. 1	... 8,687 votes.
Respondent No. 2	... 1,132 votes.

10. That the result of the election was duly published in an extraordinary issue of the *Calcutta Gazette*, dated the 3rd February 1937.

11. That your petitioner begs hereby to question the validity of the said election on grounds more fully appearing hereinafter.

12. That your petitioner submits that the Returning Officer was wholly wrong in rejecting the nomination papers of your petitioner and thus shutting him out of the election, and that the result of the election was thereby materially affected.

13. That the ground on which your petitioner's nomination papers was rejected was thus stated by the Returning Officer:—

“Moulvi Z. A. Choudhury raised the objection that the candidate has not named the constituency on the electoral roll of which the name of the candidate is included (eighth item of the nomination paper). I find this objection valid. In none of the three nomination papers has the constituency been named. The list of constituencies is definitely given in the Fourth Schedule of the Bengal Electoral Orders and Rules. I must, therefore, reject the nomination papers—three in number—filed by the above candidate.”

14. That as will appear from nomination papers filed by your petitioner (of which true copies are annexed hereto), your petitioner had put down the name of the Constituency on the electoral roll of which his name was included as “Union No. 4 Kotwali, Thana Engrej Bazar, District Malda, Muhammadan Male Voters' List”.

15. That in so stating the Constituency on the electoral roll of which his name was included, your petitioner had followed the description of the constituency as given in the official electoral roll, which was published without the name “Malda North” at all.

16. That the electoral roll wherein your petitioner's name was included, was in fact published with the following title and heading:—

“Provincial Legislative Assembly.
Muhammadan Male Voters' List.

District Malda. Police-station Engrej Bazar. Union No. 4 Kotwali.”

17. That your petitioner's name appeared in the said roll under Serial No. 4.

18. That if it was a mistake not to have put down the name of the constituency as “Malda North”, it was due to the fact that the name was not thus given in the electoral roll.

19. That the non-mention of "Malda North" as the name of the said constituency in the nomination paper did not and could not, however, mislead anybody, and there was no question raised at the scrutiny of nominations regarding the identity of your petitioner.

20. That the name of the district Malda and of the Thana Engrej Bazar as given by your petitioner was sufficient to indicate the constituency for which he was nominated, as there was no such Thana anywhere in the district except in *Malda North*.

21. That at the time the nomination papers were presented to the Returning Officer, the Returning Officer examined the same by reference to the electoral roll which was also produced before him and he was evidently satisfied under sub-rule 9 of Rule 4 of the Bengal Legislative Assembly Electoral (Conduct of Elections) Rules, 1936, that the nomination papers had been correctly filled in: in any case, he did not require any alteration or amendment to be made in respect of any entry in the nomination papers.

22. That in the circumstances aforesaid, your petitioner submits that the Returning Officer was not justified in refusing your petitioner's nomination papers, specially in view of the express provision contained in (Clause (d) of sub-rule 2 of Rule 6 of the said Rules, which provides that the Returning Officer shall not refuse any nomination paper on the ground of a slight technical defect.

23. That in the premises aforesaid, your petitioner begs to file this election petition for setting aside the election of the said returned candidate, Moulvi Zahur Ahmed Chowdhury.

24. That the returned candidate has not yet filed his return of election expenses and declaration in respect thereof, and this petition is consequently within time.

25. That your petitioner has duly deposited Rs. 1,000 (Rupees one thousand only) as security for the costs of the petition, and begs to annex hereto a Treasury challan No. 542 of 6th March 1937 showing the said deposit, as required by Rule 29 of the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936.

26. That your petitioner is duly registered as an elector of the constituency concerned and claims to have been duly nominated as a candidate for election to fill the seat in the said constituency as a person qualified to be chosen to fill such seat.

In the premises aforesaid, your petitioner prays that Your Excellency may be pleased to admit this petition and appoint Commissioners for the trial of the same and then upon the report of the Commissioners, set aside the election complained of and order a fresh election to be held in accordance with law, and further direct the payment to your petitioner of the costs of this petition, or pass such other or further orders as may be deemed fit and proper.

And your petitioner, as in duty bound, shall ever pray.

ABUL HAYAT KHAN CHOUDHRY, KHAN BAHADUR,

Petitioner.

Verification.

I, Abul Hayat Khan Chowdhury, Khan Bahadur, being the petitioner herein, declare that the statements contained in the foregoing paragraphs are all true to my knowledge.

Signed this the 6th day of March 1937, at Kotowali, Sahajalalpur house.

The humble petition of the above-
mentioned petitioner,

Most Respectfully Sheweth,

1. That your petitioner is an elector to the Bengal Legislative Assembly being voter No. 90, District Murshidabad, P.S. Samsherganj, Union Beniagram male voters' list of the Jangipur Muhammadan (Rural) Constituency and that the respondent No. 1 is the returned candidate, respondents Nos. 2 and 3 are the candidates and the respondent No. 4 is the Returning Officer, all of the Jangipur Muhammadan (Rural) Constituency.

2. That the scrutiny of nominations of candidates for the said constituency was held on 19th December, 1936, and respondents Nos. 1 and 2 were declared to be duly nominated by the Returning Officer of the said Constituency.

3. That on 21st December, 1936, respondent No. 2, having filed the withdrawal of his candidature, respondent No. 1 was on the same day declared duly elected to the Bengal Legislative Assembly by the Returning Officer and this fact was subsequently published in the *Calcutta Gazette* on the 30th December, 1936.

4. That the Notice under Rule 9, Part I, of the Bengal Legislative Assembly and Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936, was published in the *Gazette* on the 25th day of February, 1937.

5. That your petitioner charges that the said election of respondent No. 1 was and is fit to be declared void on the following among other grounds:—

Grounds.

(a) That the respondent No. 1 (the elected candidate) was not qualified to be an elector of the Calcutta South Mohammadan (Urban) Constituency and therefore not qualified for election.

(b) That the election was procured and induced and the result of the election was materially affected by corrupt practices.

(c) That the result of the election was also materially affected by improper acceptance of the nomination of respondent No. 1, disregarding the objections preferred during the scrutiny and also by reason of non-compliance of the provisions of the Government of India Act, 1935, the Government of India (Provincial Legislative) Orders, 1936, and the rules made thereunder.

6. That your petitioner states that the said respondent No. 1 by himself or by his agents and other persons acting on his behalf and with his knowledge and connivance was guilty of bribery, undue influence, illegal practices in contravention of the electoral laws, rules before, during and after the said election.

7. 8. That your petitioner charges that the respondent No. 1 filed a false return of election expenses inasmuch as it does not include various items of expenditures incurred by him in connection with or in furtherance of nomination, candidature and election, as per example—

(i) the postage and printing charges have been put down at figures much lower than actual cost;

(ii) that the expenses incurred on account of canvassing of votes by the agents and other employees of respondent No. 1 have not been shown in the return of expenses.

9. That your petitioner begs to annex below a list setting forth particulars of corrupt practices and craves that the same may be treated as a part of the petition and reserves his right to amend them and also to submit further instances later on.

10. That your petitioner begs further to annex herewith the Treasury chalan showing that security deposit of Rs. 1,000 required under rule 29 of the Bengal Legislative Assembly Electoral (Election Expenses and Election Petitions) Rules, 1936, has been made.

Your petitioner accordingly prays that Your Excellency may be graciously pleased, after such trial, inquiry and report as may be necessary, to declare the election of respondent No. 1 null and void, to order a fresh election and disqualify the said respondent No. 1 under the Electoral Rules and Orders as being guilty of using corrupt practices and submitting a false return of expenses and to allow your petitioner the cost of and incidental to

this petition or to pass such other or further orders as may seem to Your Excellency fit and proper.

And your petitioner, as in duty bound, shall ever pray.

SYED ABUL HOSSAIN.

district Burdwan.

3. Babu Bejoy Kumar Bhatta-
charjee of village Oanri, p. o.
Oanri, district Burdwan.

4. Babu Arabinda Shaw of 4,
Thakurdas Palit Lane, Calcutta,
Respondents.

May it please Your Excellency,

The humble petition of Mahitosh
Saha, the petitioner named above

Most respectfully sheweth—

1. That your petitioner belongs to the scheduled caste and was a scheduled caste candidate at the last general election for the Bengal Legislative Assembly from the Burdwan Central General Rural Constituency.

2. That your petitioner was duly elected at the primary election.

3. That the general election from the abovenamed constituency was held, as notified, on the 19th and 22nd January 1937.

4. That besides your petitioner the other candidates from the said constituency were respondents Nos. 1, 2, 3 and 4 herein.

5. That the respondents Nos. 1 and 2 were declared to have been elected at the said general election and their names were published in the *Calcutta Gazette* of the 3rd February, 1937, and the returns of election expenses submitted by respondents Nos. 1 and 2 were published in the *Calcutta Gazette* of the 18th March, 1937.

6. That your petitioner is advised and submits that the said general election is vitiated and the result has been materially affected by reason of various irregularities particulars of some of which are mentioned hereafter in list "A" hereof and your petitioner craves leave to add to the particulars at the time of the trial.

7. That your petitioner is advised and submits that the said general election was further vitiated by reason of the corrupt practices particulars of some of which are mentioned in a separate list appended hereto and marked "B" including undue influence exercised by and on behalf of and in the interest of the successful candidates on the electors in the manner and at the places hereafter described in list "C" hereof. Your petitioner craves leave to add to the particulars regarding the said corrupt practices and undue influence at the time of trial.

8. That your petitioner is advised and submits that the said various irregularities, corrupt practices and undue influence have materially affected the result of the election and but for the same your petitioner who lost by only 12 votes would have been returned.

9. That your petitioner is advised and submits that the said general election has not been a free election by reason of the large number of cases in which bribery or undue influence has been exercised or committed as described in the lists hereto appended.

10. That your petitioner is advised and submits that the returns of election expenses submitted by or on behalf of the respondents 1 and 2 are not true and correct. Statements of receipts and expenses incurred by and on behalf of the said respondents do not contain many expenses incurred by and on behalf of the said candidates in connection with, and for the purposes of, the said election. Particulars of mis-statements and omissions are given in a list appended hereto and marked "D."

Your petitioner therefore prays that, after such inquiry as Your Excellency thinks fit, the election of respondents 1 and 2 may be declared void and set aside and a recount may be ordered and your petitioner be declared elected or such other or further order or orders may be passed as Your Excellency thinks fit and proper.

And your petitioner, as in duty bound, shall ever pray.

MAHITOSH SAHA.

I, Mahitosh Saha, do declare that the statements contained in paragraphs 1, 2, 3, 4 and 5 of the foregoing petition are true to my knowledge and those contained in paragraphs 6, 7, 8, 9 and 10 thereof are my submissions.

I sign this verification at No. 5/2, Wellesley Street, in the town of Calcutta, this the 26th day of March, 1937.

MAHITOSH SAHA.

List A.

Irregularities.

(i) The polling booth at the Burdwan Municipal School was closed on the 22nd January, 1937, at 4 p.m. long before the appointed time (4-30 p.m.) whereupon at least 25 voters who came to vote for your petitioner could not enter the booth and after some waiting went away. Your petitioner himself could not enter the booth and vote.

(ii) At some of the polling centres, particularly at Ban Nabagram in police-station Ausgram and Bara Bainan in police-station Raina, on the 22nd January, 1937, more than two ballot papers were issued to the same voters in some cases, particulars whereof will appear from the counterfoils; and all the said papers were counted for declaring the result of the election.

(iii) At most of the polling centres secrecy of voting and ballot was not observed. Instances whereof are as follows:—

(a) At Vedia in police-station Ausgram on the 19th January, 1937, Mr. Kumarish Chandra Chatterjee, the present President of the local union board and a Putnidar under the Maharaja of Burdwan, was openly canvassing for one of the candidates, viz., the respondent No. 1 herein, and was permitted by the Presiding Officer to enter the inner compartment where ballot boxes were kept (hereafter referred to as the ballot room) and to watch voters casting their votes and persuaded, and, persuasion failing, intimidated many voters to cast their votes in favour of the respondent party No. 1 and for this many voters, who would have voted for your petitioner, could not vote for your petitioner.

(b) At some of the polling centres, e.g., Vedia and other places, Dafadars were kept inside the ballot room who could watch voters casting their votes and influence the voters to cast their votes in favour of the respondent No. 1.

(c) At Jotesreram, Vedia, Burdwan Town Hall, Guskara and many other polling centres, the inside of the ballot room was visible from the outside through open windows and curtains on one side and agents of the respondent No. 1 were stationed near the windows to watch the voting and they influenced the voters to vote for the respondent No. 1.

(d) At almost all the polling centres, presidents or secretaries of the union boards were freely going inside the ballot room.

The above-mentioned methods created a demoralising influence upon the voters who were apprehensive of voting according to their free will and owing to this many of them voted for the respondent No. 1 against their will.

(iv) At the polling centre at Bolgona, no one was permitted to enter the polling booth excepting the voters—not even the candidates or their agents nor the union board officials to identify the voters, with the result that there was no proper identification of the voters.

(v) At Raina centre on 19th January 1937 the polling officer openly canvassed for respondent No. 1 and requested several voters including a lady to put their ballot papers into the ballot box marked by "Hand", the symbol of respondent No. 1, immediately after issuing these ballot papers and escorting the voters into ballot room.

MAHITOSH SAHA.

I, Mahitosh Saha, do declare that the statements contained in paragraph 1 of the foregoing list "A" are true to my knowledge and those contained in paragraphs 2, 3, 4 and 5 thereof are true to my information received which I believe to be true.

I sign this verification at No. 5/2, Wellesley Street, in the town of Calcutta, this 26th day of March, 1937.

MAHITOSH SAHA.

List B.

Of Corrupt Practices.

(i) Babu Dwijen Roy, agent of respondent No. 2, with the knowledge and connivance of the latter, procured at least 29 votes for respondent No. 2 by paying money to the voters at Mandalgram polling station on the 22nd January 1937.

(ii) At every centre, there was free entertainment on a large scale, much exceeding customary hospitality, of the electors by and at the cost of the agents of the successful candidates, respondents Nos. 1 and 2.

(iii) Carriage of voters to the polling centres at Budbud and Parhati on the 19th January 1937 by bus, guarded by village chaukidars and union board officers, engaged on behalf of respondent No. 1 herein.

(iv) Circulation at various centres such as Palasi and Kurmun, by agents on behalf of respondent No. 1 of a false statement that the Congress candidate, i.e., respondent No. 3 had withdrawn.

(v) Circulation of printed pamphlets, viz.—

(1) Symbol "Human Hand",

(2) Khola Chitir Pratyuttar (reply to open letter),

(3) Shesh Nibedan (last request),

(4) Burdwan Marwari Shahayak Samitir Nibedan (appeal of the Burdwan Marwari Shahayak Samity),

(5) Bigyapan (notice), and

(6) Big wall poster,

in the interest and on behalf of respondent No. 1 without the name of printer or publisher shown. Copies of the same are attached herewith.

(vi) Promises made by agents for and on behalf of respondent No. 1 of donations to the schools in the following villages: Mankar, Ramjibanpur, Golsi and other places, as inducement to the voters of those villages to vote for respondent No. 1.

(vii) Promises made by agents for and on behalf of respondent No. 1 of donations for repairs and extension of village roads, for repairs of temples and bridges in many villages as inducement to the voters of those villages to vote for respondent No. 1.

(viii) Agents of respondent No. 2 and Purohits of the Bagdi caste employed by respondent No. 2 influenced the Bagdi voters cursing them that if they did not vote for respondent No. 2 they would incur divine displeasure and will be outcasted, and no Purohit of Bagdi caste would perform any religious or social function for them. This happened at polling booths at Talit, Rasulpur, Memari, Painta, Kurmun, Raina, Bara Bainan, Uchalon, Sehara, Sagrai, Mandalgram and other places and also previously in the villages included in those polling centres.

(ix) Items (i) to (vii) of list "C" of undue influence.

MAHITOSH SAHA.

I, Mahitosh Saha, do declare that the statements contained in paragraph 5 of the foregoing list "B" are true to my knowledge and those contained in paragraphs 1, 2, 3, 4, 6, 7, 8, 9, herein are true to my information received which I believe to be true.

I sign this verification to-day the 26th day of March, 1937, at 5/2, Wellesley Street, Calcutta.

MAHITOSH SAHA.

List C.

Instances of undue influence.

(i) Free and wide circulation of a pamphlet "Deshbasir Prati Shatarka Bani", attached herewith by Babu Rabindra Mohan Mitra on behalf of and at the expense of respondent No. 1 herein, to the effect that the result of voting for Congress would merely be that Maharaj Kumar will be defeated and there will not only be unspeakable harassment of the tenantry by the Putnidar under Burdwan Raj, but also they would incur divine displeasure.

(ii) Propaganda by Babu Santosh Kumar Bose on behalf of respondent No. 1 of a false statement herein, that the Congress President had taken Rs. 10,000 from the said Maharaj Kumar promising to withdraw the Congress candidate Mr. Bejoy Kumar Bhattacharjya, respondent No. 3 herein.

(iii) Undue influence on the electors by the Putnidars and officers of the Court of Wards of the estate of Maharajadhiraj Bahadur of Burdwan in the interest of respondent No. 1.

(iv) Mr. Kumarish Chandra Chatterjee, an active agent of respondent No. 1, assaulted some of the electors during the election at centre Bhedia in police-station Ausgram on the 19th January, 1937, for voting for candidates other than the said respondent No. 1 and openly threatened that others who would do the same would be similarly treated, with the result that many electors, who had not yet voted, were frightened and were practically coerced not to vote freely. Some of the voters who would have voted for your petitioner left without voting at all.

(v) At Guskara, police-station Ausgram, Babu Fakir Chand Mondol, a local Zamindar, Putnidar, under respondent No. 1 and president of the union board and a money-lender, on the day of polling, openly canvassed for respondent No. 1, abused and assaulted some voters for not having voted for respondent No. 1, which created a scene amongst the voters who out of fright voted for respondent No. 1 against their will and some voters who would have voted for your petitioner left the place without voting at all.

(vi) At the Burdwan school polling centre a passage was formed with chaukidars and police on either side to one of the two entrances to the polling booth, from the entertainment camp of respondent No. 1 adjacent to the polling booth, and only voters for respondent No. 1 emerging from his refreshment camp, could enter the polling booth by that entrance.

(vii) Item No. (v) of list A.

MAHITOSH SAHA.

I, Mahitosh Saha, do declare that the statements contained in paragraphs 1 and 6 of the foregoing list C are true to my knowledge and those contained in paragraphs 2, 3, 4, 5 and 7 thereof are based on information received which I believe to be true.

I sign this verification at No. 5/2, Wellesley Street, in the town of Calcutta, this 26th day of March, 1937.

MAHITOSH SAHA.

List D.

1. Amounts drawn in January, 1937, by respondent No. 1 has not been shown in the receipts at page 1 of the accounts submitted by respondent No. 1.

2. Cost of petrol and hire of buses and taxis for carrying voters have not been shown in the account filed by respondent Nos. 1 and 2, though both of them especially respondent No. 1 employed a large number of public buses and taxis and private cars for conveyance of voters.

3. Cost of refreshment extensively supplied to the voters at all the centres by respondents Nos. 1 and 2 are not shown in the accounts filed by them.

4. False statement on page 3 of the return of election expenses by respondent No. 2 that Renupada Patra was his election agent.

MAHITOSH SAHA.

I, Mahitosh Saha, do declare that the statements contained in paragraphs 1, 2, 3 and 4 of the foregoing list D are based on information received which I believe to be true.

I sign this verification at No. 5/2, Wellesley Street, in the town of Calcutta, this 26th day of March, 1937.

And

In the matter of *Maulvi Habibar Rahman Choudhury*, son of Munshi Golam Nabi Choudhury of Bishnupur, Comilla, Tippera, Petitioner

versus

Nowab Sir K. G. M. Farouqi, Kt., of Ratanpur, Comilla, Tippera, Opposite Party:

The humble petition of the petitioner abovementioned, most respectfully

Sheweth: -

1. *Voter*.—That your petitioner is an elector of the Tippera Central Mahommadan Rural Constituency for the Bengal Legislative Assembly, comprising thanas Chandina and Comilla and your petitioner was duly nominated as a candidate for the election held in January 1937 from the Tippera North Mahommadan Rural Constituency (police-stations Debidwar and Muradnagar) to the Bengal Legislative Assembly.

2. *Rival Candidate*.—That the opposite party, Nowab Sir Kazi Golam Mohiuddin Farouqi, was one of the candidate for election from the same constituency. There was also another continuing candidate for the election whose name was Wahidulla.

3. *Polling date*.—That the polling of votes for the election was held on the 19th and 20th January 1937, and the result of the poll was declared on the 25th January 1937, when the opposite party was declared elected.

4. *Gazetted*.—That the declaration of the election of the opposite party was published in the *Calcutta Gazette* on the 3rd February 1937; thereafter the opposite party having filed a return of his election expenses, the fact of the filing of such return was notified in the *Calcutta Gazette* on the 25th March 1937.

5. *Corrupt Practice*.—That your petitioner charges that the election of the opposite party has been procured and induced or at any rate that the result of the election was materially affected by various corrupt practices more particularly hereinafter specified and by various acts of contravention of the provisions of the law which your petitioner begs to refer below.

6. *Gratifications*. That your petitioner charges the opposite party of having offered or promised gratification to several persons with the object of directly or indirectly inducing electors to vote for the opposite party and in particular in the following cases:

- (a) He similarly undertook at his own cost to repair a Mosque at Muradnagar.
- (b) At a meeting held at Dhalpa on 16-1-1937, the opposite party promised to pay Rs. 101 and also to construct three tube-wells in the locality.
- (c) He also promised to complete the Pucca Mosque at Pauchpukuria and caused the work to be measured for the purpose.
- (d) He promised to pay Rs. 200 to the Madrasha at Ghouashal.
- (e) Being at the time the Minister-in-charge of the Co-operative Department, he promised appointment as Auditors in that Department to sons of Ali Ajghar of Dighirpur, Wahid Ali Sirkar of Korai Bari and Mofijuddin of Gonjar and nephew of Peary Mohon Nandi of Gunaighar in order to induce them to use the influence which they had with the electors to induce them to vote for the opposite party. He also promised a job in the medical department to Dr. Abdul Goffar, son-in-law of Abdul Matin, S.-I. of Schools for the same purpose.

7. *Inducement.*—That the opposite party treated the electors with a view to induce them to vote for him on the following among other occasions :—

- (a) About two months before the date of the elections the opposite party in the course of his election campaign gave two big feasts at Debidwar and Muradnagar to the residents within the Debidwar and Muradnagar thanas, respectively.
- (b) On the date of the polling the opposite party distributed oranges among the electors within the polling enclosure at Bangora centre.

8. *Official interference.*—That the opposite party who was at the time of the election a Minister of the Government of Bengal used his influence with officials to cause undue influence to be exercised on the voters by Government Officials in order to secure votes for the opposite party and in the following cases such Officers by abusing their Official Position and Powers, intimidated and coerced the electors to vote for the opposite party.

(1) Khan Sahib M. R. Ali, Subdivisional Officer, North Sadar, Tippera, who was the Returning Officer of the constituency actively canvassed for the opposite party and asked electors to vote and to exercise their influence for procuring votes for the opposite party.

(2) On the morning of the 16th January 1937, the aforesaid Khan Sahib M. R. Ali went to the house of the opposite party where they held a consultation. Thereafter at 11 a.m., on the same day, the opposite party lodged two complaints in the court of the aforesaid Khan Sahib M. R. Ali, Subdivisional Officer, one against Maulvi Abdul Malek and Anwarullah and the other against Maulvi Hafizul Islam and Maulvi Azizer Rahman, polling agents, charging them with offences under Sections 500/501 of the Indian Penal Code. Of these Maulvi Abdul Malek and Anwarullah were canvassers and strong supporters of your petitioner and the former was a person with very great influence over the electors being the Secretary of the Tippera Krishak Samity who had nominated your petitioner as their candidate. M. Hafizul Islam and Maulvi Azizer Rahman, pleaders of the Tippera District Court, were your petitioner's prominent canvassers and they were declared to the knowledge of the aforesaid S.D.O. and the opposite party to be the polling agents of your petitioner. Thereupon the aforesaid Subdivisional Officer forthwith issued a bailable warrant of arrest against the aforesaid accused. Of these Anwarullah surrendered before the S.D.O., South Sadar, who enlarged him on bail of Rs. 200 only. The warrant was not executed against anybody else until the 19th January 1937, which was the polling day. On the 19th January 1937, the aforesaid Maulvi Abdul Malek was arrested while he was working at the Bangora Centre at the instance of the opposite party and taken in custody; proper and substantial bail was immediately offered on behalf of the aforesaid Maulvi Abdul Malek but Alepuddin the Police Officer-in-charge of Muradnagar Thana did not accept the bail but sent him to Comilla on the 20th January 1937, on which the aforesaid Subdivisional Officer, North Sadar, was moved for bail but he refused to accept the bail offered immediately on wholly unsubstantial grounds. Verbal and written applications were thereupon made to the learned District Magistrate of Tipperah, who referred the matter to the Additional District Magistrate, but neither the District Magistrate nor the Additional District Magistrate passed any Written Orders on the applications. In this manner the aforesaid Mr. Abdul Malek was kept in custody until the 22nd January 1937, when he was enlarged by the Subdivisional Officer on the bail-bond of one of the persons who had been originally offered as surety on the 19th and 20th December, but whose security was not accepted then. In this way the aforesaid Subdivisional Officer by the abuse of his powers as a Magistrate, illegally procured the detention of the aforesaid Abdul Malek who was a powerful canvasser of your petitioner.

(3) That about 11-30 a.m. on the 16th January 1937, after issuing warrants on the complaint of the opposite party, the aforesaid Khan Sahib M. R. Ali accompanied the opposite party and Abdul Hye, Co-operative Inspector, in the same car to Bangora and from Bangora to Dalpa on an elephant hired by the opposite party. Both at Bangora and Dalpa, the aforesaid Khan Sahib M. R. Ali declared to the assembled people that he had issued warrants against 4 of the supporters of the petitioner and both he and the opposite party made Public Statements of the fact to the electors in a manner which conveyed the impression that those who supported your petitioner would be severely treated by the S.D.O.

(4) Frightened by the issue of warrants as hereinbefore stated and the general attitude of the Subdivisional Officer, Mr. Azizur Rahman forthwith refrained from acting on behalf of your petitioner and did not attend that polling station on the 19th and 20th January 1937, with the result that the greater part of the 19th January 1937, your petitioner was unrepresented at the Ghorasal Madrassah Centre. Mr. Hafizul Islam attended at the Akubpur Centre, on the 19th January, but on receiving information of the arrest of Abdul Malek and the threats publicly uttered by the opposite party at the polling station at Bangora, he abstained from attending on the 20th January 1937, with the result that your petitioner was not represented at all on the 20th January 1937, at the Akubpur Centre.

(5) Being at the time of the election Minister-in-charge of the Co-operative Department the opposite party exercised undue influence on voters many of whom are members of co-operative societies indirectly by employing the following officers of the Co-operative Department who actively canvassed for the opposite party. Many of them were imported from different Central Banks, outside the District of Tippera:—

- | | | |
|----------------------|--------------|---|
| 1. Abdul Hye | ... | Inspector. |
| 2. Aminuddin Ahmed | ... | Auditor. |
| 3. Lomanal Huq | ... | " |
| 4. Sultan Mia | ... | " |
| 5. Aswini Nandi | ... | " |
| 6. Kazi Shamsuddin | ... | " |

| 11. Abdul Hamid | ... | Co-operative Inspector
(Chittagong). |

The opposite party also procured Abdul Matin, Sub-Inspector of Schools, Debidwar and Kalimullah, Sanitary Inspector, Muradnagar Thana, actively to canvass for the opposite party and to exert their influence over a class of electors to secure votes for him.

9. That the election of the opposite party was procured or, at any rate the result of the election has been materially affected by the undue influence and coercion exercised by the Presiding Officer at the Bangora Polling Station in the following cases:—

Babu Bhupendra Chandra Ghosh, who was the author of a booklet named "Bangagourab Karmabir Nawab Sir Mohiuddin Farouqui" which was a puffing advertisement for the opposite party published definitely for the purpose of the election, and he was an active canvasser for the opposite party was appointed presiding officer at Bangora Polling Centre; while acting as presiding officer, he personally went into the compartments where ballot boxes were kept and (1) prohibiting some voters from voting for your petitioner, (2) snatched away the ballot papers from the hands of some voters who wanted to put them into the petitioner's box and (3) forcibly pulled out the hand of one voter Asrub Ali, son of Abul Hossen of Village Chainpur from the ballot box of the petitioner causing a scratch on his hand.

At the Bangora polling centre the aforesaid Presiding Officer allowed the opposite party to make a speech to the voters within the enclosure in the course of which he threatened that those who would not vote for him, would share the fate of Abdul Malek whom the opposite party had got arrested immediately before, as hereinbefore stated.

This paper was printed and widely circulated by the opposite party.

10. That the opposite party circulated some circulars purporting to embody the opinion of Moulanas and spiritual guides of the electors threatening voters with divine displeasure and spiritual censure if they voted for your petitioner, in particular by means of the following leaflets:—

HABIBUR RAHMAN CHOWDHURY.

TO HIS EXCELLENCY, THE GOVERNOR OF BENGAL,
Darjeeling Government House.

In the matter of an election petition against a returned candidate of Feni Muhammadan Rural Constituency in the last General Election of the Bengal Legislative Assembly under section R-26 of Part III of the Bengal Legislative Assembly and Bengal Legislative Council Electoral (Election Expenses of Election Petition) Rules, 1936,

and

In the matter of Moulvi Mohamed Sadeque (Miah), a defeated candidate for election from the above constituency in the said election, at present residing at Jalpaiguri, Bengal, Petitioner.

versus

Abdur Razaque Moulvi, the returned candidate from the said Feni Muhammadan Rural Constituency in the above election, at present residing at Debipur, Dewangunge, Feni, Noakhali, Respondent.

The humble petition of the petitioner
abovenamed—

Most respectfully sheweth:—

1. That Your Excellency's humble petitioner, Mr. Nurul Huq Choudhury and the respondent, were the three contesting candidates for election in the last General Election of the Bengal Legislative Assembly from Feni Rural Muhammadan Constituency held on the 19th and 21st January 1937; and as a result of the said election, the said Abdur Razaque Moulvi was declared elected on the 25th January and the same was published in the *Calcutta Gazette*, dated the 3rd February 1937.

2. That the respondent has submitted his return of election expenses which has been published in the *Calcutta Gazette*, dated the 22nd April 1937.

3. That the persons named in Schedule II amongst others acted as the agents of the said respondent for the purpose of his election.

4. That the respondent Abdur Razaque Moulvi is a member of a loose organisation commonly known as the Jamiatul-Olema of Feni of which most of the religious teachers known as Mollahs or Moulvies and students of religious institutions are members; and such institutions, in fact, exist in great number, within the said Feni Muhammadan Constituency.

5. That one Moulana Mohammed Eshaque of Eukub Omerpur-Dudmakha within police-station Feni is the spiritual head of the above Jamiatul-Olema and also of the Mollahs. The said Moulana has tens of thousands disciples and followers whom he calls *Mohebbin* (those who admire him) and *Mokhlesin* (those who are loyal followers of him) throughout the Feni constituency as well as in other parts of the district of Noakhali. His words are laws to his disciples and followers, and he commands very great respect among generally all classes of Muslims in the subdivision. He holds religious meetings throughout the subdivision and in the neighbouring thanas all the year round, where a large number of Muslims gather to hear him and to receive his blessings. The respondent and many other Moulvies including Mohammed Ibrahim Moulvi of Barahipur act as speakers and agents of the said Moulana and help in raising of collections which are the main source of income of the Moulana, of the respondent, and his likes. In fact the said respondent and the said Moulana often act in concert with each other in affairs in which they are jointly and severally interested.

6. That recently the said Moulana Muhammad Eshaque had started an orphanage for which contributions are being raised from all places. The abovenamed respondent and Mohammed Ibrahim Moulvi who belong to a group possessing an influence in the recently formed Noakhali District Board with a view to secure the support of the aforesaid Moulana promised to secure a monthly grant from the District Board in consideration of the said Moulana and his deputies supporting the candidature of respondent Abdur Razaque Moulvi and other Moulvies including the candidature of the said Mohammed Ibrahim Moulvi in the Bengal Legislative Assembly General Election. That in fact such a grant has been secured with the help of the said Moulvies and their party in the District Board. The fact of this grant has been broadcast in public meetings by the respondent Abdur Razaque Moulvi and

Mahammad Ibrahim Moulvi throughout the Constituency of Feni to secure the support of the followers and disciples of the said Moulana Mahammed Eshaque. In fact this has induced a large number of voters to support the candidature of the respondent Abdur Razaque Moulvi.

7. That both before and after the nomination paper was filed (on the 18th December 1936) and during the months of September, October, November, December, 1936 and January 1937 a large number of meetings were held at which along with the said Moulana Eshaque, his son, his brother-in-law Akterezaman Moulvi of Akub-Omerpur in police-station Feni and his other principal disciples and deputies, the said respondent Abdur Razaque Moulvi, and Mohammad Ibrahim Moulvi addressed public meetings and exhorted the people that it was the desire of their spiritual leader, the said Moulana Eshaque, that the respondent should be supported and unless so supported they would incur the displeasure of Allah and His Prophet and of their spiritual guide. Further that it was necessary to save the religion of Islam from corruptions, certain to be introduced by the English knowing people, such as the petitioner and Mr. Nurul Huq Choudhury, the other candidate, by sending a religious man of the type of respondent Abdur Razaque Moulvi and thus earn spiritual merits. At the end of each meeting an oath was administered in the name of Allah and His Prophet to the assembled people to vote for the respondent Abdur Razaque Moulvi, and the people were made to raise their hands to Allah and His Prophet as witnesses of their solemn promise. The people were told that if the voters would not vote for a religious leader of the type of the respondent Abdur Razaque Moulvi, who was vice-gerant of the Holy Prophet on earth and thus disgrace them, the voters would earn eternal damnation of God and also humiliate the Prophet of God.

8. That the whole propaganda of the type described above culminated in the issue of a handbill over the name of said Moulana Mohammad Eshaque under the caption of *Esteher-e-Wazibul Ezher*, i.e., a notification of a religious obligation for obedience and circulation (a copy of which, with a translation of the same, is annexed herewith in the appendix) on the 16th January 1937. Ten thousand copies of the said circular were printed, published, broadcasted by the respondent, his agents, canvassers including son of Moulana Eshaque and his brother-in-law, one Bazlur Rahman Mazumder of Chagalnaya, respondent's son, Kazi Siddiker Rahman of Feni and others throughout the whole constituency and the neighbouring places; these were read out in meetings, mosques, bazars and widely distributed and circulated through the Imams of the mosques, the teachers and students of various madrasahs from 16th January to 21st January 1937.

The whole scheme of the propaganda described in the above paragraphs was to induce the electors to believe that they would be rendered an object of Divine displeasure and spiritual censure unless they voted for the Moulvi. The electors in this constituency consists mainly of illiterate persons who are completely under the influence of Mullahs or priests and are easily susceptible to religious influence. These Mullahs who claim to the vice-gerants of the Prophet on earth wield enormous influence over these classes and enforce courses of the peoples conduct by the issuing of *Fatwas* and decrees and by excommunicating the delinquents who dare disobey their commands and by pronouncing divorces and creating other social ostracism and bans.

This created a sensation in the whole subdivision and the supporters of your humble petitioner and of Mr. Nurul Huq Choudhury began to give way in favour of the respondent Abdur Razaque Moulvi for fear of incurring the displeasure of God and His Prophet.

Somebody questioned the authenticity of the said religious circular, thereupon it was quickly followed by the issue of another circular over the name of the said Moulana Eshaque and bearing his seal and were distributed (at the first instance by the respondent, the son of the said Moulana, his brother-in-law Akterezaman, Kazi Siddiker Rahman of Feni, Bazlur Rahman Mazumder of Chagalnaya and Maniruddin Sadagar of Rampur and they proved the genuineness of the seal by showing the ring of the Moulana at meetings attended by large number of voters at prominent places, such as Feni, Chagalnaya, Zamadarhat, Amjadhat, Midderhat, Munshirhat, Fulgazi, Parashuram, Lemua, Rajapur, Krishna Mazumder and Fazilpur, Karaiya and Daganbhuya between 18th to 21st January 1937.

9. That the result of these religious circulars and exhortations in the meetings by and on behalf of the said respondent and on account of the direct and indirect interference and undue influence exerted by the said Moulana Mohammad Eshaque with the free exercise of votes by his disciples, followers and admirers at the instances of the respondent and with his connivance and in his interest, there has been a landslide amongst the supporters of Your Excellency's petitioner and of Mr. Nurul Huq Choudhury and the result of the election has been materially affected thereby. These propagandas had so much affected most of the voters that in places where voters agreed that it would be wiser to support Your Excellency's humble petitioner, they did not dare risking their souls by breaking their solemn oath formerly taken and creating material difficulties in societies where Moulvies like the respondent predominated. The meetings of the kind were daily held in most of the mosques, madrassas, bazars, and specially arranged meetings were held throughout the months of November, December, and January all over the constituency. But for such propaganda the petitioner believes that most of the votes recorded for the respondent would have gone either to Mr. Nurul Huq Choudhury or to the petitioner.

10. That the nomination of the said respondent Abdur Razaque Moulvi was invalid inasmuch as it did not comply with the mandatory provision of Sub-Rule 4 of Rule 4; it did not comply with the form specified in schedule 1 to the Bengal Legislative Assembly Electoral (Conduct of Election) Rules, 1936. The respondent Abdur Razaque Moulvi did not describe Subdivisions of the Electoral Roll in which his own name and those of his proposer and seconder appeared in the Electoral Roll, but the nomination paper was improperly accepted in spite of objection, and thereby the result of the election was materially affected.

11. That during the election there were several instances of procuring of and of attempting to procure by the respondents, his agents and his supporters with his connivance, the application by persons for voting papers in the name of others, for instance, the son of the respondent, Abdur Rouf, abetted and induced a small boy to apply for a voting paper in the name of another person at Lemua Polling Centre on the 21st January, the vote was challenged and the boy was immediately detained, when he made a statement and was released thereafter by the presiding officer.

(b) There was another attempt by one Bazal Moulvi with the connivance of the agent of the said respondent to procure a voting paper in the name of his father at Dharmapur Polling Centre on the 21st January 1937.

(c) There was a voting in the name of a dead voter No. 10 of Union No. 5 Pathannagar in favour of the said respondent and with the connivance of and being abetted by the respondent and his agent at Pathannagar Raj Kacharee Polling Centre on the 21st January 1937.

12. That the respondent, his agents and several others with his connivance and the connivance of his agents made statements of facts which were false and which they knew to be false and did not believe them to be true, in relation to the personal character and conduct of the petitioner and of Mr. Nurul Huq Choudhury and also in relation to the candidature of the petitioner and these statements were intended to prejudice and in fact prejudicated the prospects of the petitioner.

(a) The respondent in a meeting at Fazilpur on the 28th September 1936, police-station Feni, before a large gathering of people made a false statement, namely, that Mr. Nurul Huq Choudhury, the other candidate, withdrew from contest in the bye-election caused by the death of Khan Saheb Moulvi Bazlul Huq in favour of Khan Bahadur Moulvi Abdul Momin after accepting money from him.

(b) That the respondent and his agents and many others with their connivance made at many meetings a false statement, namely, that the petitioner sold himself in advance to Nawab Moshurraf Hossain by accepting Rs. 10,000.

(c) That the respondent and his agent further told people that neither the petitioner nor Nurul Huq Choudhury say their prayer nor observe their obligatory fasting and therefore are unfit to represent the Mussalmans. All these statements are false to the knowledge of the respondent and his agents and they seriously prejudiced the prospects of your petitioner and of his rival Mr. Nurul Huq Choudhury and improved the election prospect of the respondent.

13. That besides these great many other undue influences and various other corrupt practices were adopted during the election campaign. For instance (a) the respondent and other Moulavies gave out that they passed the Agricultural Debtors' Act (b) that Mr. Nurul Huq Choudhury voted for the imposition of Salami under the Bengal Tenancy Act of 1929 when he was a member of the Council, (c) that it is the English knowing people who like the petitioner and Nurul Huq Choudhury who are responsible for passing of the Sarda Act; (d) and for abrogating 16½ paragraphs of the Holy Quran, and thereby created a serious apprehension in the minds of the voters; and these other statements prejudiced the petitioner. All these statements are fictitious and false to the knowledge of the respondent and his agents.

14. That the said respondent issued his own posters and circulars having reference to the election and these do not bear on their face the name and address of the printer and publisher; for example hand bills with the captions (1) *Feni Jamiat Olamar Shadaram Shabha*, (2) *Birat Krishak Sabha*, (3) *Amir Nibedana*, (4) *Mussulman Krishakprojar Nikat Araj*, (5) *Esteherer Wajibul Ezhar*, (6) *Bhooa Esteherer Pritibad*. These were published by the respondent and his agents with his connivance.

The above corrupt practices were of a grave and serious nature and materially affected the result of the election and prejudiced the chances of the petitioner.

15. The petitioner paid money to Mr. Nurul Huq Choudhury for obtaining a copy of the return of election expenses filed by the respondent and the said Mr. Nurul Huq Choudhury made formal application for such a copy and deposited the copying cost along with the cost of postage, but the copy of the return has not up to now been received. The petitioner therefore begs leave to further amend the petition by the addition of further instances of false entries in the return of election expenses.

The petitioner is informed and believes that the return is false in material particulars (a) as it does not contain the expenses of the printing and publication of many hand bills mentioned in the list of particulars annexed.

It does not contain the cost of motor cars hired from Abdur Rashid from 16th to 18th January 1937; and fare paid to taxi owners (name unknown) from Choumuhani from the 19th to 21st January 1937; and expenses of food supplied to his agents, canvassers and supporters; the cycle hire; and then it does not contain the amount of money raised for his election from different persons.

16. That the petitioner in compliance with the provision of Rule 29 of Bengal Legislative Assembly and Bengal Legislative Council (Election Expenses and Election Petitions) Rules, 1936, has deposited, with the Reserve Bank of India, Calcutta, as security a sum of Rs. 1,000 and the challan thereof is annexed herewith.

17. That the respondent is a man, who lives on doles and charities, being a village Mulla, has no ostensible means of livelihood. The persons named as his agents in Schedule II are men of means and substance and who have set up the respondent for election and procured his return by means of illegal acts and corrupt practices on an extensive scale.

18. In the circumstances your petitioner prays that Your Excellency would be pleased

- (i) To appoint a Commission to enquire into the allegation set forth above and generally to enquire into all other corrupt practices brought out in the course of the enquiry, and to declare the election of the respondent void.
- (ii) On receipt of the report of the Commissioners issue order declaring the election of the respondent void and pass consequential orders against him.
- (iii) To declare further that the persons named in Schedule II were guilty of corrupt and illegal practices and pass consequential orders against them.

(iv) To award cost to your petitioner against respondent as well as jointly and severally against all persons who may be found to have been guilty of corrupt practices.

(v) To pass further order or orders as to Your Excellency may seem fit and proper.

And the petitioner as in duty bound shall ever pray.

Verification.

I, Mohamed Sadeque (Miah), son of late Moulvi Hashmat Ali, of village Sreepur, police-station Parashuram, district Noakhali, at present residing at Jalpaiguri, Bengal, do hereby solemnly affirm and verify that the statements made in paragraphs 1, 2, 3, 4, 5, 6, 7, 8, 10, 13, 14, 15, 16 and 17 are true to my knowledge and the statements in paragraph 15 as regards money received and expenses incurred are true to my knowledge and the rest are true to my information which I believe to be true and the statement contained in the last sentence of paragraph 9 are true to my belief, the rest are true to my knowledge and those in paragraphs 11, 12 are true to my information which I believe to be true and in proof whereof I put my signature here below to this verification at 27, Upper Circular Road, Calcutta, on the 3rd day of May 1937.

MOHAMED SADEQUE MIAH.

List of particulars of corrupt practices mentioned in the petition.

SCHEDULE I.

I. List of particulars of corrupt practices mentioned in paragraphs 4, 5, 6, 7, 8, and 9 of the petition.

Meetings were held in the constituency between September and October 1936. In particular meetings were held at Feni on 21st Kartik; at Chhagalnaya, Midderhat, Amjadhat, Munshirhat, Shuarbazar, Rajapur, Khaira Madrassa, during the month of September; at Fazilpur on the 28th September; Karaya, Subhapur, Laskerhat, Daganbhuya during the month of October 1936. In these meetings oath was administered to support the respondent, some of these meetings were addressed by Moulana Eshaque, his brother-in-law Akterzzaman, Muhammad Ibrahim of Barahipur, police-station Feni, by respondent and by other Moulavi supporters. In these meetings people were told that respondents and his party secured from the District Board a sum of Rs. 10 a month for the orphanage of Moulana Eshaque in consideration of the expectation given out by the said Moulana Eshaque that all his disciples followers would support the respondent Moulvies in the Bengal Legislative Assembly Election. The respondent further gave out that this grant would be increased to Rs. 20 a month if the followers and disciples of the Moulana voted for the respondent.

Meetings were organised by the respondent Abdur Razeque Moulvi, his agents, supporters in most of the mosques, madrassas, bazars, throughout the subdivision between September 1936 and 18th January 1937 in which the voters were told that they would acquire religious merit if they voted for *Alems* like the respondent who is one of the vicegerant of the Holy Prophet thereby they would earn salvation for their soul hereafter. They were further told that if the *Naub-e-Rosul* like the respondent be disgraced, by the people not voting for him, the voters would earn eternal damnation and displeasure of God and His Prophet. And that it was the mandate of their spiritual leader of the subdivision, viz., Moulana Muhammad Eshaque, that the respondent Abdur Razzaque Moulvi, a member of the Jamiat-Olema, should be supported by every true Muslim specially his disciple and followers and that they must not vote for "*Be-Din*" hinting at the petitioner and Mr. Nurul Huq Choudhury. At the end of most of these meetings solemn oath was taken that the voters would support the respondent Moulvi. The voters were further informed that besides earning many spiritual censure, their marriages would stand dissolved if they did not adhere to their oaths, in support of this religious laws were cited.

Moulana Mohammad Eshaque of Eakub-Omerpur, police-station Feni, accompanied respondent Razzaque and Md. Ibrahim Moulvi in their election meetings and offered prayer and administered oath to the assembly to support Razzaque Moulvi at Feni Mosque in the month of December on the Mohsin Anniversary Day and at Enatbhuya on the 4th January 1937. Then on the 4th of January Moulana Md. Eshaque.

in a big meeting at Enatbhuya told the people that how could it be possible for him not to request the voters to vote for one *Alem* and *Naib-e-Rosul* in preference to the Nassaraks, like the petitioner and Mr. Nurul Huq Choudhury. "He said that if he did not openly support respondent and if the people also did not support him they will be made objects of hatred before God and His Prophet." A meeting was also held with Moulana Md. Eshaque at Khaira on the 7th January 1937. Respondent Abdur Razaque Moulvi and Serajul Huque also addressed these meetings and told the assembled voters on the same line as stated above.

II. The said Moulana canvassed many of his principal disciples whom he summoned at Rajapur, police-station Feni, on the 18th, 19th, 20th and 21st January 1937. He held meeting near Rajapur Bazar on the 18th January 1937. The Moulana himself had the circulars and hand bills named *Estehar-e-wajibul-ejhar* distributed and read at meetings held on the 18th, 19th and 20th at Rajapur. The said Moulana told the assembled voters that he was supporting the respondent out of fear of God and Prophet and he also asked the voters to support and thus please God and His Prophet. The son of the said Moulana, his brother-in-law Aktarezzaman, Kazi Siddiker Rahaman of Feni Bazar, Bazlur Rahaman Mazumder of Chhagalnaya addressed several meetings throughout the constituency showing and reading the said hand bills and in various ways trying to create religious fear in the minds of the people. In these meetings they conveyed the message of Moulana Eshaque in the same strain as stated above. A meeting was held at Feni on the 21st day of Kartik 1343 B.S. and another at Chhagalnaya dak bungalow on the 14th January, one at Amjadhat on the 13th January, at Daganbhuya and Bairagirhat Bazar in the second week of January, one at Munshirhat on the 17th January.

The abovenamed persons and others worked in the interest of the respondent and with his consent and connivance addressed several of these and other gatherings in most of the bazars during the months of December and January in which the corrupt practices mentioned in paragraphs 4, 5 and 6, 7, 8 and 9 of the petition were practised.

Serajul Huq Moulvi acted as the polling agent of the respondent at Daganbhuya dak bungalow on both the days. At Enatbhuya meeting on the 4th January and at Daganbhuya bazar meeting in the first week of January he addressed the people and told them that it was their religious duty to support an *Alem* and failure to do so would bring upon them the curse of God, etc. In the meetings respondent Abdur Razaque was present and spoke on the same vein and also spread it out that the respondent and Mohammad Ibrahim secured District Board grant for Moulana's Orphanage on promise by the Moulana for supporting them in the election. These undue influences created a great fear in the minds of voters and induced thousands to vote for the respondent which if not so influenced they would not have done.

On the 17th January Abdul Bari Moulvi read and explained the implications of the circular *Estehar-e-Wajibul-Ezher* in the public meeting which was attended by a large number of voters at Munshirhat and spoke of the dire consequence of violating the order in the circular *Estehar-e-Wajibul-Ezhar*.

Item III. Nomination paper filed by Abdur Razzaque Moulvi does not say whether his name or the names of his proposers and seconders are included in the male or female list of the Electoral Roll.

IV. The son of the respondent, Abdur Rouf, abetted and induced a small boy to apply for a voting paper in the name of another person at Lemua Polling Centre on the 21st January, vote was challenged and the boy was immediately detained, when he made a statement and was released thereafter by the presiding officer.

(b) There was another attempt by one Bazal Moulvi with the connivance of the agent of the said respondent to procure a voting paper in the name of his father at Dharnapur Polling Centre on the 21st January 1937.

(c) There was a voting in the name of a dead voter No. 10 of Union No. 5 Pathannagar in favour of the said respondent and with the connivance of and being abetted by the respondent and his agent at Pathannagar Raj-Kacharee Polling Centre on the 21st January 1937.

V. (a) The respondent in a meeting at Fazilpur on the 28th September 1936, police-station Feni, before a large gathering of people made a false statement, namely, that Mr. Nurul Huq Choudhury, the other candidate, withdrew from contest in the bye-election caused by the death of Khan Saheb Moulvi Bazlul Haque in favour of Khan Bahadur Moulvi Abdul Momin after accepting money from him.

(b) That the respondent and his agents and many others with their connivance made at many meetings a false statement, namely, that the petitioner sold himself in advance to Nawab Mosharraf Hossain by accepting Rs. 10,000.

That on the 28th September the respondent Abdur Razzaque Md. Ibrahim Moulvi stated in public meeting at Fazilpur that Mr. Nurul Huq Choudhury was that man who at a previous election took money from Khan Bahadur Abdul Momen, C.I.E., and retired from contest in the bye-election caused by the death of Khan Sahib Bazlul Huq.

That in several public meetings in the months of October, November, December and January the respondent, his agent Bazlar Rahman Mazumdar and Kazi Siddiker Rahaman gave out that Your Excellency's petitioner had already sold his votes in advance to Nawab Masharraf Hossain Khan Bahadur for example at Shuar Bazar on the 12th day of January and at Amjad Hat on the 6th January, the above statement was made by the respondent who was supported by Kazi Siddiquer Rahman and Bazlar Rahman Mazumdar and Syed Ahmed of Sreepur. Similar statements were made at Parashuram Bazar meeting, at Dharampur, Chhagabhaiya, Pathannagar in December and January. Serejul Hoque Maulavi of Daganbhuiya Madrasa in the meeting at Enathbhuiya Bazar, Dhaganbhuiya in December and January spoke that the petitioner and Mr. Nurul Huque Chaudhury do not say their prayer and are not Mussulman. These statements were baseless and false and the respondent and his agent with his knowledge and connivance made those remarks knowing these to be false with a view to unduly influence the voters in his own favour and prejudice the voters against Your Excellency's petitioner and Mr. Nurul Haque Chaudhury.

VI. List of particulars mentioned in paragraph 13 of the petition, viz:—

(a) the respondent and other Moulavis gave out that they passed the Agricultural Debtors' Act,

(b) that Mr. Nurul Huq Chaudhury voted for the imposition of Salami under the Bengal Tenancy Act of 1929 when he was a member of the Council,

(c) that it is the English knowing people who like the petitioner and Nurul Huq Chaudhury who are responsible for passing the Sarda Act,

(d) and for abrogating 16½ paragraphs of the Holy Quran, and thereby created a serious apprehension in the minds of the voters; and these other statements prejudiced the petitioner. All these statements are fictitious and false to the knowledge of the respondent and his agents.

The respondent gave out at every public meeting, mosques and bazars that he and Maulavi Muhammad Ibrahim brought for the tenants the Debtors Act and that Mr. N. Haque voted for selami of the Bengal Tenancy Amendment Act of 1929.

These statements the respondent and Mahammad Ibrahim Moulvi knew to be false but he gave out to prejudice and in fact these actually prejudiced the chances of his rival candidates.

The respondent Abdul Bari Kari Bazlar Rahman Majumdar, Maniruddin Sadagar and Akhterazzaman Maulvi said in the meeting of the Zamiatul Olema held in the Feni Juma Mosque on the Mohsin Anniversary Day, that the English knowing persons like Your Excellency's humble petitioner abrogated 16½ paragraphs of the Holy Koran. This created great feelings against the petitioner and

Mr. N. Huq Chaudhury. These statements were made knowing them to be baseless and false with a view to prejudice the chances of Your Excellency's petitioner and that of Mr. N. Hague Chaudhury. They in fact prejudiced.

VII. List of particulars of statement mentioned in paragraph 14, viz:—

- (1) Feni Jamiate Olamar Shadaran Sabha.
- (2) Birat Krishak Sabha.
- (3) Amar Nibedana.
- (4) Mussulman Krishakprojar Nikat Araj.
- (5) Estehare Wajibul Ejhar.
- (6) Bhooa Esteherer Pratibad.

These were published by the respondent and his agents with his connivance.

Pamphlets:—

- (1) Amar Nivedan—printed on the 27th November 1926, 5,000 copies by the respondent.
- (2) Mussalman Krishak Proja Voters—5,000 copies on 25th December 1936 by the respondent.
- (3) Birat Krishak Sava—1,000 copies printed by the respondent.

Feni Jamiate Ulamar Shadharan Sabha.

2,000 copies printed by Md. Ibrahim Moulvi with the knowledge and for the benefit of the respondent, all these do not bear the names of the printer and the publisher as required by law.

Estere-wajibul-ejhar and Bhua Esteherer Pratibad.

These were published by the respondent with the help of Aktarez-zaman, Maniruddin Ahmed Sadagar of Feni Bazar for the benefit of the respondent with his consent and connivance and were distributed by his agents and supporters after the respective dates of printing for the benefit of the respondents. They do not bear the names of the printers and publishers on their face.

VIII. List of the particulars of corrupt practices mentioned in paragraph 15 of the petition.

The respondent secured Rs. 200 from Muslim Sadagar of Feni Bazar, Rs. 150 from Salimuddin of Dewangunje and Rs. 378 from Maniruddin Sadagar of Feni Bazar to meet the expenses of the election but were not shown by him in the return of election expenses and the return is false in these particulars.

The payment made to the motor owner Abdur Rashid for use of his car from 16th to 18th January and to one taxi owner of Chaumuhani for 19th to 21st January had not been shown and the election return expenses is false in this particular.

The cost of entertainment provided to respondent's canvassers and supporters at the hotel of Rustom and Ali Ahammad of Station Road and at the house of Maniruddin Sadagar have not been shown in the return of his election expenses.

The cost of hire of 11 cycles by respondent from the shop of Kazi Siddiker Rahaman of Feni from 4th or thereabout up to 21st January have not been shown in the return of election expenses. The return of election expenses are false in these particulars.

The other material items not shown or wrongly shown in the return of election expenses will be supplied hereafter.

The cost of the publications mentioned in the item No. VII above was not shown in the return of election expenses and to this extent the return of election expenses is false.

Cost of train fare on the 28th September for the journey to Fazilpur of the respondent and his agents, cost of train fare for his canvassers and agents from the 4th January 1937 each day till 21st January to Dhom, Fazilpur, Kalidaha, are not shown in the return. And the return of election expenses is false in this material particulars.

SCHEDULE II.

In these meetings those persons have committed the corrupt practices and illegalities mentioned in the petition, with the direction, consent and connivance of the respondent. They distributed circulars Estehere Wazibul Ezaher and Pratibads on the 16th and 18th January and held out religious threats to the voters in these meetings and that in case they did not vote for the respondent they would be held responsible to God and humiliate the prophet. Between 16th to 21st January the abovenamed pamphlets were read, explained and distributed and promises were exacted for support on pain of religious censure and threat of God's displeasure.

MOHAMED SADEQUE MIAH.

TO HIS EXCELLENCY THE RIGHT HON'BLE SIR JOHN ANDERSON, P.C.,
G.C.B., G.C.I.E., Governor of Bengal.

In the matter of an election petition under the Government of India (Provincial Election) (Corrupt Practices and Election Petitions) Order, 1936, and the Bengal Legislative Assembly and the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936,

and

In the matter of

1. Maulvi Tahur Ahmed Choudhury of village Manakosha, P. S. Shibgunj, District Malda, Petitioner

vs.

1. Maulvi Humayun Reza Choudhury, M.L.C. (the returned candidate) of village Manakosha, P. S. Shibgunj, Dist. Malda, or of Lalpur, P. S. Shamshergunj, Dist. Murshidabad, or of 20, Syed Amir Ali Avenue, Calcutta, or of Kotalpukur, P. S. Barharwa, Dist. Santal Parganas,

and

2. L. R. Fawcus, Esqr., I.C.S., the Commissioner and Returning Officer, Rajshahi-cum-Malda Constituency (Rural) of the Bengal Legislative Council,

Respondents.

The humble petition of Tahur Ahmed Choudhury, the petitioner.

Most Respectfully Sheweth,

1. That your petitioner was a candidate from the Rajshahi-cum-Malda Muhammadan Constituency of the Bengal Legislative Council during the by-election held on 13-3-37, that the respondent No. 1 is the returned candidate and respondent No. 2 is the Returning Officer, both of the Rajshahi-cum-Malda Muhammadan Constituency of the Bengal Legislative Council.

2. That the scrutiny of nomination of candidates for the said by-election was held at Jalpaiguri on 2-3-37; that the poll was taken on 13-3-37; that on 16-3-37 the respondent No. 1 was declared duly elected and this fact was published in the *Calcutta Gazette* on 25-3-37.

3. That the notice under para. 9, Part I of the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936, was published in the *Calcutta Gazette* on the 15th day of April 1937.

4. That your petitioner charges that the above election of respondent No. 1 was and is null and void and fit to be set aside on the following among other grounds:—

Grounds.

5. That the respondent No. 1 (the returned candidate) was not qualified to be an elector of the Rajshahi-cum-Malda or of the Presidency Division (North), Muhammadan Constituencies of the Bengal Legislative Council inasmuch as he had not the residential qualification required under para. (1) Part IV—Bengal of the Govt. of India (Provincial Legislative Councils) Order, 1936, and under para. (1) Part IV—Bengal of the Sixth Schedule to the Govt. of India Act, 1935, and therefore was not qualified for election.

6. That the result of the election was also materially affected by the improper acceptance of the nomination paper of respondent No. 1 by the Returning Officer overruling the objections preferred by your petitioner under para. 7, Schedule Sixth, Part I of the Govt. of India Act, 1935, and paras. 11 and 16, Part I of Govt. of India (Provincial Legislative Council) Order, 1936, and paras. 4 and 6, Part II of the Bengal Legislative Council Electoral (Conduct of Elections) Rules, 1936, as to the illegality and incompetency, firstly, of respondent No. 1, Humayun Reza Choudhury, seeking nomination as candidate and secondly, of Martuza Reza Choudhury either proposing or seconding the candidature in their capacities as electors Nos. 16 and 31 respectively of the male voters' list, Dist. Malda, Rajshahi-cum-Malda Muhammadan Constituency of the Bengal Legislative Council by reason of the fact that both these electors, whose names also appeared as electors of a separate territorial constituency of similar communal descriptions, namely, Presidency Division North, had previously exercised their electoral rights during the General election of the Legislative Council held on the 23rd January 1937 as electors Nos. 2 and 4, Subdivision Jangipur, Dist. Murshidabad, Presidency Division North Muhammadan Constituency.

7. That the election is fit to be set aside or his seat in the Legislative Council is liable to be declared to stand vacated as on the 13th March 1937, the date on which poll was taken, respondent No. 1 was not qualified to be chosen and to be member of the Legislative Council on account of the disqualification incurred by him for failure to lodge with the Returning Officer within time the return of election expenses in prescribed manner in respect of his candidature from Malda South Muhammadan Constituency of the Bengal Legislative Assembly. The declaration made on 16-3-37 by the Returning Officer and the subsequent publication in the *Calcutta Gazette* on 25-3-37 of respondent No. 1 becoming a member of the Legislative Council were illegal and without authority.

8. That your petitioner charges that the return of expenses filed by respondent No. 1 is false as it does not include many items and also the true amount of expenditures incurred for furtherance of his candidature and election, as for example:—

(a) The expenses for treating the voters and agents and canvassers at Malda and Rajshahi on and before the date of election.

(b) Full and entire expenses incurred as motor-car and other conveyance hires, train fares by the respondent No. 1, his brother, and other agents in furtherance of his candidature and election have not been shown in the return.

9. That your petitioner further charges that respondent No. 1 by himself or other persons acting on his behalf and with his knowledge and connivance was guilty of bribery, undue influence, misrepresentation, false statements and corrupt practices in violation of electoral laws and rules which materially affected the result of the election, of which the following particulars are submitted:—

(a) On or before 13-3-37 a sum of money, the exact amount of which could not be ascertained, was paid to Domon Mandal of Alinagar by the agent of respondent No. 1 to induce him to vote in his favour.

(b) On or about the same time as above a sum of money, the amount of which could not be ascertained, was paid to Rajshahi Moslem Club to induce the members and the supporters of that institution to vote for the respondent No. 1 and also to use their influence to induce others to vote for him.

(c) Respondent No. 1 was by himself and by the Leader, Presidents and Secretaries of the Proja-League Independents Coalition Group, of Nikhil Banga Krisak Praja Samity, of All-India Muslim League Parl. Board, of North Bengal Coalition Group and of Malda Mahommadan Association with his connivance, guilty of publication of false statements regarding his candidature which prejudicially affected the prospect of your petitioner's election.

10. That your petitioner begs to state that he reserves the right to amend the particulars cited in paras. 8 and 9 above and also to submit further instances later on.

11. That your petitioner begs further to attach herewith a Treasury chalan showing that the security deposit of Rs. 10,000 under para. 29 of the Bengal Legislative Council Electoral (Election Expenses and Election Petitions) Rules, 1936, has been made.

In view of the above circumstances your petitioner prays that Your Excellency may be graciously pleased, after such trial, inquiry and report as may be necessary, to declare that Humayun Reza Choudhury, respondent No. 1, was and is not qualified to be an elector of the Bengal Legislative Council, that his election to the said Council is null and void, that the said respondent No. 1 has incurred disqualification as being guilty of using corrupt practices and of submitting false return of expenses, to order a fresh election and to allow your petitioner the cost of and incidental to this petition and to pass such other orders as may seem to Your Excellency fit and proper,

and

For which act of kindness your petitioner, as in duty bound, shall ever pray.

Verification.

I, Tahur Ahmed Choudhury, son of the late Shah Mohammad Choudhury, of Manakosha, P. S. Shibgunj, Dist. Malda, the petitioner, declare and affirm that the contents of paras. 1, 2, 3, 11, are true to my knowledge and that those of paras. 4 to 10 are true to my informations received which I believe to be true and I sign this verification at Malda on the 27th day of April in the year of 1937.

TAHUR AHMED CHOUDHURY.

TO HIS EXCELLENCY THE GOVERNOR OF BENGAL.

In the matter of a petition under Section 3, Part III of the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936,

and

In the matter of Jitendralal Banerjee, inhabitant of Ramporehat, thana Ramporehat, district Birbhum, at present residing at 216, Cornwallis Street, Calcutta, Petitioner,

vs.

1. Sharat Chandra Mukherji, inhabitant of Suri, thana Suri, district Birbhum, Respondent, Opposite Party.

2. Bankim Chandra Mukherji, inhabitant of Rupushpore, thana Khayrasol, district Birbhum, at present residing at Calcutta, where he is an advocate of the High Court, Calcutta,

3. Satyanarain Pramanik, inhabitant of Baswa, thana Ramporehat, district Birbhum, at present residing at Calcutta, where he is a Pleader in the Police Court, Calcutta,

4. Debendranath Das, inhabitant of Chhatingram, thana Nanur, district Birbhum, at present residing at 4A, Raja Rajkissen Street, Calcutta,

5. Dhankrishna Saha, inhabitant of thana Muhammad Bazar, district Birbhum,

Pro-forma respondents, Opposite Party.

The humble petition of Jitendralal Banerjee, petitioner aforementioned.

Humbly and respectfully sheweth--

1. That your petitioner was a duly nominated candidate for election from the Birbhum Rural General Constituency at the last general election of members to the Bengal Legislative Assembly.

2. That respondents 1 and 2, Sharat Chandra Mukherji and Bankim Chandra Mukherji, were also duly nominated candidates for election from the said constituency at the said election.

3. That respondents 3, 4 and 5 who are members of the scheduled castes were also candidates from the said constituency at the said election, having previously qualified for the same as a result of the primary election held for the purpose on the 18th of November 1936.

4. That respondents 2, 3, 4 and 5 are made parties to this petition only as pro-forma respondents and to comply with the provision of Rule 28, Part III of the Bengal Legislative Council and the Bengal Legislative Assembly Electoral (Election Expenses and Election Petitions) Rules, 1936, and your petitioner does not urge any grievance against the said respondents.

5. That polling for the said election from the said above constituency took place on the 18th and 19th January last and on the 25th of January, the Returning Officer declared respondent No. 1, Sharat Chandra Mukherji, as having been duly elected for the general seat of the said constituency while respondent No. 4, Debendranath Das, was declared as having been elected for the seat reserved for the scheduled castes.

6. That your petitioner now contends that the election of the said respondent No. 1, Sharat Chandra Mukherji, was vitiated by, and should be declared void, on account of, the corrupt practices committed by the said respondent himself and his agents and canvassers. Particulars of the said corrupt practices are set forth in the subsequent paragraphs of this petition and your petitioner contends that they fall under Part I of the First Schedule to the Government of India (Provincial Elections) (Corrupt Practices and Election Petitions) Order, 1936.

7. That, in the course of his election-campaign, the said respondent No. 1, either in his own name and over his own signature or through various agents and canvassers employed by him and acting on his behalf, put forth various leaflets, handbills, circulars, etc., containing statements calculated to further his own candidature and to damage the prospects of your petitioner.

8. That in one of the leaflets so put forth and purporting to be addressed by the respondent No. 1 himself to the "General Hindu voters of the Birbhum district" (a copy of which is annexed to this petition and marked "A" for identification), the said respondent, speaking in his own person and over his own name, makes certain statements of which the following is a literal translation:—

(a) "He (meaning your petitioner) was elected to the Council after signing the Congress creed and after giving a promise to the effect that he would work in co-operation with the Congress. But after his election he notified that he had no connection with the Congress and acted in opposition to the Congress". (*Vide* page 4 of the leaflet.)

(b) "The people of Birbhum know nothing of the "Praja Party" as a leader of which Srijukta Jitendralal has descended to the election arena. But the people of Birbhum may remember that sometime ago he became a leader of a body called the Mollarpore Praja Sammilani. Some of Jitendralal's colleagues on the Sammilani including Manilal Ghosh and others were assaulted as a result of clash with the employees of the Mohurta who is Zemindar of Mollarpore. But in spite of repeated requests on the part of the Sammilani Jitendralal did not appear to support the cause of the Sammilani in the rioting case which was instituted in the Ramporehat Court in this connection". (*Vide* pages 5 and 6 of the above leaflet.)

(c) "We do not know of the existence of any Praja Party in Birbhum. We have heard of a Praja Party outside Birbhum—Maulvi Fazlal Huq's Praja Party. But Jitendralal who boasts that he went to England in order to give evidence against the Communal Award on behalf of the Hindu Mahasabha and the Varnasram Swarajya Sangha—has he achieved so much "reputation" with the people of the country that he could not find "refuge" in any Hindu institution in spite of there being so many of them in the country and had at last to flock into Huq Saheb's Party?"

(d) "The men of his (the petitioner's) party are circulating the report that a sum of Rs. 4,00,000 has been spent in connection with the last famine in the Birbhum district..... This money was granted in two instalments. The duty of spending the sum of Rs. 1,50,000 obtained on the first occasion was entirely in the hands of Chairman Jitendralal. We know that a good deal of agitation was started among members of the district board themselves in connection with the expenditure of this amount and a resolution was proposed by a group of prominent members for appointing an enquiry committee in connection with the auditing of

accounts, the method of expenditure and the men in charge of such expenditure. It was as a result of this agitation that the money received on the second occasion was spent by the Chairman under the supervision of the District Magistrate." (See page 6.)

(e) With this sum of Rs. 4,00,000 the whole arable land of the Birbhum district might have been surrounded by a moat of irrigation channels; every tank of the district might have been re-excavated and made fit for irrigation; the roads, *dobas*, drains and water-courses of malaria-stricken Birbhum, now choked up with water-hyacinth, might have been cleared so as to make this district once again the abode of health. This was the necessity of Birbhum, and this is what you wanted. But you did not get it. From this it is clear that the arrangement for expenditure of this money and the appointment of men to his own liking to supervise this expenditure was made with a view to the election." (See page 7.)

(f) "On the other hand, Jitendralal is desirous of having a Minister's job. The way in which he has been working against the true interests of the country from desire for a post for himself makes it unsafe for a man like him to be sent to the Legislative Council." (Page 7.)

9. That in another leaflet bearing date Suri, the 1st of Agrahayana and issued by the said respondent over his own name and published by one Surendranath Sarkar, who is described as Secretary of the Birbhum Congress Parliamentary Board, the said respondent No. 1 has made a statement of which the following is a literal translation:—

"That *changefulness and breach of faith* which is inherent in Jitendralal's nature has made him antagonistic to the Congress". "You surely must know the hateful way in which he behaved towards the Congress and his countrymen in the Council." (A copy of the said leaflet is annexed hereto and marked "B" for identification.)

10. That one Dhurjatidas Chakravarty, pleader, Bolpur, actively canvassed and worked for respondent No. 1 in connection with his election campaign and was his agent for the purposes of the relevant Order and Rules.

11. That the said Dhurjatidas Chakravarty, in the course of the said election campaign and in order to further the candidature of the said respondent, issued a handbill in Bengali entitled "A few straight questions to Jitendralal on behalf of the people of Birbhum". (A copy of the said handbill is annexed hereto and marked "C" for identification.)

12. That, in the said above handbill, the said Dhurjatidas Chakravarty made a statement in the form of a question of which the following is a literal translation:—

"Did you not support the Criminal Amendment Act? In supporting this ruinous piece of legislation, did you not say that revolutionary doctrines are discussed and preached in the kitchens of every educated Hindu family? Did you not deceive the Government by this false statement?"

13. That many of the leaflets, handbills and circulars mentioned in paragraph 7 above were either issued over the name of or published by one Surendranath Sarkar who describes himself as Secretary of the Birbhum District Congress Parliamentary Board, and who was an active canvasser and agent on behalf of respondent No. 1.

14. That in one of the handbills issued by the said Surendranath Sarkar and printed and published by him on behalf of the Birbhum District Congress Parliamentary Board (a copy of which is annexed

hereto and marked "D" for identification) there occur certain statements of which the following is a literal translation:—

- (a) "In 1934, at the village of Kendua near Suri, the late Brajagopal Goswami who was his mother's only son died as the result of firing by the Police. In spite of various requests, Jitendralal kept himself back from every sort of agitation as regards this matter".
- (b) "Jitendralal was entirely responsible for the improper expenditure of the sum of Rs. 4,00,000 received from the Government for famine-relief".
- (c) "The men of Birbhum would have been really benefited if tanks had been excavated and canals dug out of Test Relief Funds. But the men of Birbhum, if they look a little below the surface, will at once see with what secret design and in spite of so many petitions and entreaties, the bulk of this money was spent upon roads. Its only object was to bring voters from near about places, in other words, to subserve his selfish ends; and it was for this that the bulk of the money was spent".

15. That in another handbill published by the said Surendranath Sarkar as Secretary, Birbhum District Congress Parliamentary Board and printed by Panchanan Das at the Suri Barta Press (a copy of which is annexed hereto and marked "E" for identification), there occurs a statement of which the following is a literal translation:—

"Jitendralal describes himself as moved by the sufferings of the poor tenants. But the secret negotiations for the amendment of the Bengal Tenancy Act which he has been carrying on with the Maharaja of Burdwan, President of the powerful British Indian Association, which is the organ and mouth-piece of the rich and zemindar classes—were they for the benefit of the tenants or for their utter ruin? Why is he carrying on these negotiations in secret?"

16. That with reference to the statements, and the insinuations and accusations based upon such statements, contained in the extracts given in paragraphs 8 and 9 above, your petitioner begs to submit as follows:—

- (a) That the said statements, insinuations and accusations are false;
- (b) That the opposite party, respondent No. 1, had reasons to believe them to be false;
- (c) That, in any case, the said respondent, by the exercise of the most ordinary care, diligence and commonsense, might easily have ascertained that they were false;
- (d) That these statements and insinuations were reasonably calculated to prejudice, and, in point of fact, did prejudice your petitioner's prospects in the election.

17. That, with reference to the statements, and the insinuations and accusations based upon such statements, contained in the extracts given in paragraphs 12, 14 and 15 above, your petitioner submits:—

- (a) That the statements are false;
- (b) That the said statements were made with the connivance of respondent No. 1 and by persons who were his agents and workers and canvassers on his behalf and who were, at all material times, in close touch and communication with the respondent;
- (c) That the persons making these statements knew and had reason to believe them to be false or they might with the exercise of ordinary care and diligence have easily discovered that they were false;
- (d) That these statements were reasonably calculated to prejudice, and, in point of fact, did prejudice your petitioner's prospects in the election.

18. That, in view of the above circumstances, your petitioner begs respectfully to pray that it may be determined—

- (a) That the said respondent, Sharat Chandra Mukherji, was not duly returned at the last general election from the Birbhum Rural General Constituency;
- (b) That the election of the said respondent was void and ought to be set aside;
- (c) That your petitioner as having obtained the next largest number of votes may be declared to have been duly elected and his name may be returned as such;
- (d) That the petitioner may be declared as entitled to the costs of this petition and the same may be assessed and awarded to him.

It is prayed that the documents in original annexed hereto and marked "A", "B", "C", "D" and "E", respectively, may be regarded as a part of the petition.

It may be mentioned here that the notice regarding filing of their return of election expenses by the parties concerned having been published in the *Calcutta Gazette* of the 18th of March last, the cause for presenting this petition has arisen from that date.

Treasury receipt for the required security deposit of Rs. 1,000 is annexed herewith.

JITENDRALAL BANERJEE.

Affidavit.

বীরভূম জিলার সাধারণ হিন্দু ভোটারগণের প্রতি নিবেদন।

আমার জেলার প্রাচীণ ও তপিনীগণ,—

আপনারা শুনিয়েছেন যে আপামী জানুয়ারী মাসের মধ্যভাগে—অর্থাৎ মাঘ মাসের প্রথম সপ্তাহে, ভারত শাসন সংস্কার মূলক নতুন আইন অনুসারে বঙ্গদেশের আইন সভা নতুন করিয়া গঠিত হইবে, উক্ত নতুন সদস্য নির্বাচন হইবে। সেই নির্বাচনে কংগ্রেসের পক্ষ হইতে ও কংগ্রেসের আদেশ শিরোধার্য করিয়া আমি বীরভূম জেলা সাধারণ হিন্দু সদস্যদের জন্য আপনাদের নিকট নির্বাচন প্রার্থী হইয়াছি।

আমার জেলাবাসীর নিকট আমি অপরিচিত নহি। আত্মশ্রদ্ধা করিবার মত আমার কিছু নাই এবং আত্মশ্রদ্ধা করিয়া আত্মহত্যা করিবার অভিযাচীও আমি নই। বহুদিন যাবত কংগ্রেসের পতাকাতে লড়াইমান হইয়া দেশের কার্যে ব্রতী থাকিয়া আমার ক্ষুদ্র শক্তি দ্বারা আমার দেশবাসী তথা আমার জেলাবাসীর সেবা করিতে সক্ষম হইয়াছি এবং সেবক হিসাবে সকলের বিশ্বাস ভাজন হইবার অধিকার অর্জন করিয়াছি, ইহাই আমার পরিচয় ও গৌরব। ইহার অধিক কিছু গৌরব করিবার থাকিতে পারে বলিয়া আমি বিশ্বাস করি না।

আইন সভায় প্রবেশের মোহ আমার কোনদিন ছিল না; এখনও নাই। আমার সহকর্মী ও জেলার বিশিষ্ট বংশগণের একান্ত অনুরোধ ও বিশেষ করিয়া ভারতের একমাত্র জাতীয় মহা প্রতিষ্ঠান কংগ্রেসের মনোনয়ন উপেক্ষা ও অমান্য করিতে সাহসী না হইয়া আমার অনিচ্ছাসত্ত্বে পারিবারিক নানাপ্রকার প্রতিকূল অবস্থার মধ্যেও আমাকে এই নির্বাচন ব্যাপারে প্রতিশ্রুতিভার শত সস্ত্র বন্ধাট বরণ করিয়া লইতে হইয়াছে। নতুবা এই প্রতিশ্রুতিভা আমার পক্ষে প্রেরণ বা প্রেরণ নহে।

এই নির্বাচনে আপনাদের সম্মুখে উপস্থিত প্রার্থী তিনজন—কংগ্রেসের মনোনীত প্রার্থী আমি, অপর পক্ষে প্রতিশ্রুত অধুনা কলিকাতাবাসী শ্রীযুক্ত জিতেন্দ্রলাল বন্দ্যোপাধ্যায় ও শ্রীযুক্ত বঙ্কিমচন্দ্র মৃধোপাধ্যায়; তৃতীয় প্রার্থী সম্বন্ধে আমাদের বক্তব্য এই যে তিনি এমন অবস্থায় ধুমকেতুর মত এই প্রদেশে উপস্থিত হইয়াছেন যে তাঁহার এই আবির্ভাব ঘোরতর রহস্যপূর্ণ ও সন্দেহজনক। তিনি কি উদ্দেশ্য লইয়া উপস্থিত হইয়াছেন আমরা বুঝিতে অক্ষম, তিনি বলেন তিনি হিন্দু জাতির প্রতিনিধি। শ্রীযুক্ত জিতেন্দ্রলালের নিবেদনপর আপনারা ইতিপূর্বেই পাইয়াছেন। সে নিবেদনপর সম্বন্ধে আমার বলিবার কিছুই ছিল না। কিন্তু শ্রীযুক্ত জিতেন্দ্রলাল নিজের নির্বাচনের খাতিরে ও আপনার গৌরব বাড়াইবার নিমিত্ত কংগ্রেসের বিরুদ্ধে যে সকল অভিযোগ আনিয়াছেন ও কংগ্রেসের নীতি ও আদর্শকে লোকচক্ষে ঘেরা ভাবে ছেঁড়া প্রতিপন্ন করিবার চেষ্টা করিয়াছেন, তাহাতে আমাদের বিশেষ মনোবাক্ত পাইতে হইয়াছে এবং সেইজন্যই দুই চারি কথা না বলিয়া থাকিতে পারিতেছি না।

ইতিপূর্বে দুই কাউন্সিলে স্থানীয় ছেতমণ্ডর রাজের বিরুদ্ধে দেশপ্রিয় স্বর্ণশীল যতীন্দ্রমোহন সেনগুপ্ত প্রমুখ দেশের কল্যাণকারী বহু নেতা ও কর্মীবৃন্দের প্রেরণায় উদ্ভূত হইয়া কংগ্রেস মনোনীত প্রার্থী জিতেন্দ্রলালের অনুকূলেই আপনারা ভোট দিয়া তাঁহাকেই আপনাদের প্রতিনিধি স্বরূপে কাউন্সিলের সদস্য নির্বাচিত করিয়াছিলেন এবং আমাদের ন্যায় বহু ক্ষুদ্র কর্মী প্রাণপণ পরিশ্রম করিয়া তাঁহার সেই নির্বাচনে সহায়তা করিয়াছিলেন। সে নির্বাচন জিতেন্দ্রলালের ব্যক্তিগত জয় নহে। কংগ্রেসের প্রতি আপনাদের একান্ত শ্রদ্ধা এবং আপনাদের শক্তিতে জিতেন্দ্রলালকে জয়যুক্ত করিয়াছিল। কংগ্রেস ও দেশবাসীর শক্তিতে শক্তিমান হইয়া জিতেন্দ্রলাল আজ নিজের শক্তিকে বড় বলিয়া মনে করিয়াছেন। সেই জিতেন্দ্রলাল কাউন্সিলে যাইয়া কংগ্রেস তথা দেশবাসীর স্বার্থ উপেক্ষা করিয়া যে ঔষধ ও অবিস্মৃতির পরিচয় দিলেন তাহাতে লজ্জায় আমাদের সকলের মাথাই নত হইয়া পড়িল। এই সেদিন ৪ঠা নভেম্বর তারিখে নিখিল ভারত মহাশক্তি সভার সভাপতি দেশপুজ্য, সর্বস্বত্যাগী যুগপ্রবর্তক পণ্ডিত জহরলাল নেহেরু মহোদয় শান্তিনিকেতন পরিদর্শন করিতে আসিয়া বোলপুরের এক প্রকাশ্য জনসভায় ১৩০০-এর বেশি আখ্যায় অভিহিত করিলেন, তাহাতে বীরভূমের কর্মী ও অধিবাসী সকলেই দেশের সমক্ষে নিজেদের ঘৃণিত ও অপমানিত মনে করিলেন। কারণ জিতেন্দ্রলাল ছিলেন এক সময় তাঁহাদেরই প্রতিনিধি এবং তাঁহাদেরই ভোটাধিকার লাভ করিয়া তিনি আইন সভায় প্রবেশ করিতে সক্ষম হইয়াছিলেন। তুই আজ এই দেশের দুর্দিনেও শত অভ্যাচার ও অবিচারের মাঝে নতুন করিয়া প্রতিনিধি নির্বাচন কাধে বীরভূমবাসীকে সকল কথা একটু স্মরণ করাইয়া না দিলে দেশের তথা জাতির স্বার্থ ও সম্মান ক্ষুণ্ণ হইবার আশঙ্কা আছে।

ভারতের মূক্তির একমাত্র জাতীয় প্রতিষ্ঠান জাতির একমাত্র মূখপাত্র কংগ্রেস। অরবিন্দ, দেশবন্ধু, চিত্তরঞ্জন, দেশপ্রিয়, বনেন্দ্রনাথ, লোকমান্য তিলক, লজপৎ রায়, বলভাই, পণ্ডিত মতিলাল, পণ্ডিত জহরলাল, মহাত্মা গান্ধী প্রমুখ মহামানবগণের সাধনা, ত্যাগ, বীরত্ব, সহিষ্ণুতা, সত্যপ্রিয়তা দ্বারা

সেবিত এবং মণ্ডিত এই দুইটিই জাতির একমাত্র পথ নিশ্চয়ক। কংগ্রেস বিশেষ করিয়া কোন ব্যক্তি, প্রেণী বা সম্প্রদায়ের সম্পত্তি নহে; প্রেণীস্বার্থ বা সাম্প্রদায়িক স্বার্থের দ্বারা প্রতিঘাত বাধাইয়া বৈদেশিক শত্রুকে সজ্জাগ করিবার ইচ্ছা কংগ্রেসের নাই। সমগ্র জাতির স্বার্থের দিকে নজর রাখিয়া দেশকে স্বাধীনতার পথে লইয়া যাওয়াই কংগ্রেসের কাব্য। Communal Award সাম্প্রদায়িক বাটোয়ারা সম্বন্ধে কংগ্রেসের মত সুরজ ও সর্বজনবিদিত। এই Award এর ভিতর দিয়া জাতির মধ্যে এক চিরন্তন বৈষম্যের সৃষ্টি করার অভিপ্রায় কংগ্রেস ভাল করিয়া জানে এবং ইহার সম্মূল পরিবর্তন কংগ্রেসের স্মারাই সম্ভব।

কাউন্সিল প্রবেশ দ্বারা স্বরাজ লাভ হইতে পারে এরূপ প্রান্ত বিশ্বাস কংগ্রেসের কোনদিন ছিল না বা এখনও নাই। দেশব্যাপী জন ও গণ আন্দোলনের ভিতর দিয়া কংগ্রেস গড়গমেন্টকে নানারূপে বিপর্যস্ত করিয়া দেশের শাসন পদ্ধতি পরিবর্তনের চেষ্টা করিতেছেন। এবং সেই আন্দোলনের ফলেই গড়গমেন্ট তথা পার্লামেন্ট তথাহাদের মহানুভবতার অবদান হিসাবে যে শাসন সংস্কার ভারতকে দিয়া স্তোক দিতে চাহিয়াছিলেন বা চাহিতেছেন তাহাতে বস্তুতঃ সার বিশেষ কিছুই নাই। কাউন্সিল প্রবেশ ও বর্জন কংগ্রেস আন্দোলনের একটি ধারা ও নীতি হিসাবে গৃহীত হয়। বিরাট আন্দোলনের নিমিত্ত কাউন্সিল বর্জনের পর যখন দেখা গেল যে দেশের দুর্ভাগ্য বশতঃ কাউন্সিলে যাইবার মত “জো-হুকুম” ও “আপ-কা-ওয়ালেন্ট” দলের অভাব নাই, এবং ঐ সব দলের সাহায্যে গড়গমেন্ট নানাপ্রকার ন্যায়নীতিবর্জিত দমনমূলক আইন পাশ করা হইয়া লইয়া দেশের গঠনমূলক কার্যে বাধা দিতে লাগিলেন, তখনই কংগ্রেসের পক্ষ হইতে পুনরায় আইন সভায় প্রতিনিধি প্রেরণের প্রয়োজন হইল। কংগ্রেস আজ ঐ সকল জো-হুকুমের দলকে বিভাঙিত করিয়া নিজেদের মনোনীত সদস্য কাউন্সিলে পাঠাইয়া তথাকথিত শাসন সংস্কারের অসারত্ব প্রতিপন্ন করিতে এবং দমননীতিমূলক আইন প্রণয়নের প্রতিরোধ করিয়া গঠনমূলক কার্যের পরিপূর্ণ সাধন করিতে বন্ধপরিকর হইয়াছেন। ইহার ভিতর অসঙ্গতি কিছুই নাই। কংগ্রেসের লক্ষ্য ও আদর্শ এক এবং অভিন্ন।

শ্রীযুক্ত জিতেন্দ্রনাথ কংগ্রেসের কার্যাবলীতে যে অসঙ্গতির সম্মান পাইয়াছেন, তাহা ত্যাগ করিয়াই মনে ও কল্পনায়। কংগ্রেসের মনোনীত প্রার্থী হইয়াও আপনাকে দেশের হিতাকাঙ্ক্ষী কল্পনা মনে করিয়া তিনি যে সকল কাজ করিয়াছেন, তাহার সমস্ত বিবরণ দিতে আমার ইচ্ছা বা প্রবৃত্তি নাই; কিন্তু সত্যের খাতিরে ও কংগ্রেসের সম্মান রক্ষার্থে কিছু কিছু জনসাধারণের অবগতির জন্য উল্লেখ করা উচিত বলিয়া মনে করি।

১। তিনি Congress creed এ দস্তখত করিয়া কাউন্সিলে যাইয়া কংগ্রেসের সহিত কার্য করিবেন এই প্রতিশ্রুতি দিয়া আইন সভায় নিবন্ধিত হইলেও নিবন্ধিতনের পরে কংগ্রেসের সহিত ত্যাগ সম্পর্ক নাই বলিয়া বিজ্ঞাপন দেন ও কংগ্রেসের বিরুদ্ধাচরণ করেন।

২। যে দমন মূলক আইনের (ordinance) বলে আজ বাংলার শত সহস্র শিক্ষিত যুবক যুবতী বিনা বিচারে অন্তরীণ বা জেলে আবদ্ধ থাকিয়া নৈরাস্যের অশ্বকারে তিল তিল করিয়া মরণের অপেক্ষা করিতেছেন—এবং মৃত্যুই ত্যাগীদের একমাত্র মুক্তিদাতা ভাবিয়া ত্যাগীদের মধ্যে কেঁহ কেঁহ বা আত্মঘাতী হইতেছেন—সেই ন্যায়নীতি বর্জিত অর্ডিন্যান্স আইনের সমর্থন করিয়াছিলেন শ্রীযুক্ত জিতেন্দ্র নাথ।

৩। আইন অমান্য আন্দোলনে শত শত নর নারীর উপর যে অমানুষিক অত্যাচার সংঘটিত হইয়াছিল, জিতেন্দ্র নাথ তাহার বিরুদ্ধে আইন সভায় একটি কথাও বলেন নাই।

৪। মিউনিসিপাল আইনের সংশোধন করিয়া স্বায়ত্তশাসনের পথে যে সকল গুরুতর বাধার সৃষ্টি করা হইয়াছে, তাহাও তিনি সমর্থন করিয়াছেন।

৫। ডিস্ট্রিক্ট বোর্ডের পক্ষ হইতে গড়গমেন্টকে অভিভাষণ দেওয়ার সময় তিনি জয়েন্ট পার্লামেন্টারী কমিটির বিবরণ অনুযায়ী বর্তমান শাসন-সংস্কারকে মানিয়া লইয়াছেন।

এতদ্বিধা জিতেন্দ্রনাথ দেশের জন্য ত্যাগ স্বীকারে প্রস্তুত বলিয়া ৩০ মাস জেলখাটার গৌরব করিয়াছেন এবং আমার জেলখাটার সহিত তুলনা করিয়াছেন। ইহার কোন প্রয়োজন ছিল না। জেলখাটার জন্যই যে আমার আপনাদের ভোটের উপর দাবী আছে বা জেলখাটার জন্যই কাহারও আপনাদের ভোটের উপর কোন দাবী থাকিতে পারে এরূপ বাতুলতাপূর্ণ মূর্তি আপনাদের সম্মুখে উপস্থাপিত করিব না। তবে জিতেন্দ্রনাথের জেলখাটা কংগ্রেসের কোন আদর্শ প্রতিষ্ঠার জন্য বা কংগ্রেসের কোন নীতি অনুসরণ করিয়া নহে—মুঠাচক্রে ত্যাগের অসংযত রসনার অভিব্যক্তির ফলে।

বঙ্গীর প্রজাস্বত্ব বিবরক আইন সম্বন্ধে জিতেন্দ্রনাথ যে আত্মকীর্তি প্রকাশ করিয়াছেন, তাহা কতদূর সত্য ভাবিয়া দেখা আবশ্যক। উক্ত আইন সম্পর্কীয় চক্ৰ বিতর্কের সময় কয়টী অধিবেশনে তিনি উপস্থিত ছিলেন এবং কয়টিতে ছিলেন না তাহা প্রণয়ন করিয়া দেখিবার বিষয়! তদুপরি এই প্রজাস্বত্ব বিবরক আইন বহু অশুদ্ধ ও অসঙ্গতি বহুল। প্রজাস্বত্ব বিবরক আইনের প্রধান কথা প্রজাদিগের দখলীসত্ত্ব ও হস্তান্তরের অধিকার। এই অধিকার দেশাচার সম্মতভাবে পূর্বেরও ছিল এবং প্রয়োজন হইলে উহা বিস্তার করা চলিত। অধিকারী সেরেসতার প্রকৃতি খারিজ হইয়া উক্ত বিস্তার স্থিতি ও অনুমোদিত হইত। নূতন আইনের ফলে প্রজাকে ঐ বিস্তার আইনের দ্বারা লিখাইয়া

লইবার জন্য যে পরিমাণ মূল্য দিতে হয় তাহাতে জমির উপযুক্ত দাম হয় না ও আইনের অধিকার সম্পূর্ণ পণ্ড ও ব্যর্থ হইয়াছে। Landlord's fee, ওদান্দুলিক খরচা ও পুনর্বাসী প্রজাপত্তনের জন্য স্বতন্ত্র সেলামী বাদ দিয়া বেশী কিছু থাকে না। ইহার উপর জমিদার ইচ্ছা করিলে অগ্রিম-ক্রয়স্বত্ব অধিকারে সমস্ত হস্তান্তর নাকচ করিয়া দিতে পারেন। বস্তুতঃ এই আইনে প্রজার স্বার্থ ক্ষুণ্ণ হইয়াছে; এবং প্রজাস্বত্ব বিধরক আইন কেবল নামেখান হইয়াছে।

ঐযুক্ত জিভেন্দ্রলাল যে “প্রজাপাটি”র নেতৃত্বপূর্ণে নিবর্তনে অবতীর্ণ হইয়াছেন তাহার সম্বন্ধে বীরভূমবাসী বিশেষ কিছুই অবগত নহেন। বীরভূমবাসীর হস্ত স্মরণ থাকিতে পারে যে তিনি কিছুদিন পূর্বে ময়ূরপুরের প্রজা-সম্মিলনী নামে একদলের নায়ক হন। ময়ূরপুরের জমিদার মহাশয়ের কর্মচারীগণের সহিত সংঘর্ষের ফলে শগুনাল ঘোষ প্রমুখ প্রজা-সম্মিলনীর জিভেন্দ্রলালের কয়েকজন সহকর্মী প্রভূত হন। এই ব্যাপারে রামপুরহাট আদালতে যে দাঙ্গার গোকদ্দমা উপস্থিত হয়, তাহাতে সম্মিলনীর বহু অনুরোধ সত্ত্বেও জিভেন্দ্রলাল সম্মিলনীর পক্ষ সমর্থনের জন্য আদালতে উপস্থিত হন নাই।

বীরভূমে কোন “প্রজাপাটি”র অস্তিত্ব আমরা জানি না। মৌলভী ফজলুল হক সাহেবের—বীরভূমের বাহিরে এক প্রজাপাটির কথা আমরা শুনিয়াছি। যে জিভেন্দ্রলাল হিন্দু-মহাসভা ও বর্ণাশ্রম স্বরাজ্যসঙ্ঘের পক্ষ হইতে Communal Award এর বিপক্ষে সাহস্য দিবার জন্য বিলাত গিয়াছেন বলিয়া গবর্ন করিয়াছেন, তিনি কি দেশের লোকের নিকট এতই প্রসিদ্ধি লাভ করিয়াছেন যে, সারা বঙ্গদেশের এত হিন্দু-প্রতিষ্ঠান থাকিতে তাহার একটিতেও তাহার আশ্রয় মিলিল না?—তাঁহাকে অবশেষে হক সাহেবের দলে ভিড়িতে হইল। অথচ সাম্প্রদায়িক বাঁটোয়ারার কথা লইয়া তিনি কংগ্রেসকে অথবা নিন্দা করিতে দ্বিধা করেন নাই। নিজের সূখ সুবিধা অনুযায়ী জিভেন্দ্রলালের এই দেশসেবা, আশা করি, দেশবাসীকে আর প্রবর্তিত করিতে পারিবে না।

বীরভূমের বিগত দুর্ভিক্ষ সঙ্কটে রিলিফ কার্যে চারি লক্ষ টাকা ব্যয় করা হইয়াছে বলিয়া তাঁহার পক্ষীয় লোকেরা প্রচার করিতেছেন। কিন্তু এবিষয়ে জিভেন্দ্রলালের কৃত্ত্ব আমরা কিছুই দেখি না। তিনি তখন ডিষ্ট্রীক্ট বোর্ডের চেয়ারম্যান হইয়া বসিয়াছিলেন এবং গভর্ণমেন্টের রিলিফের টাকা তাঁহার হাতেই আসিয়াছিল। কংগ্রেসও রিলিফ কার্যে বহু অর্থব্যয় করিয়াছে, কিন্তু এই গভর্ণমেন্টের টাকাটা অন্য কোন দেশহিতৈষী অধ্যবসায়ী ব্যক্তির হাত দিয়া ব্যয়িত হইলে জেলার প্রকৃত কল্যাণে প্রয়োজনের উপযোগী যথাস্থ ব্যয়িত হইত। দুইবারে ঐ রিলিফের টাকা মঞ্জুর হয়। প্রথম বারে লক্ষ দেড় লক্ষ টাকা ব্যয়ের ভার একান্তভাবে চেয়ারম্যান জিভেন্দ্রলালের হাতে ছিল। আমরা জানি, উক্ত বারের টাকা ব্যয় সম্পর্কে ডিষ্ট্রীক্ট বোর্ডের সদস্যগণের মধ্যেই নানা প্রকার আন্দোলনের সৃষ্টি হয় এবং উক্তন্য হিসাব, পরীক্ষা ইত্যাদি এবং ব্যয়-প্রণালী ও ব্যয়ব্যয়াদিগের সম্পর্কে একদল বিশিষ্ট সদস্য কতৃক ঐ বিষয়ে তদন্ত কমিটি বসাইবার প্রস্তাবও উপস্থাপিত হইয়াছিল। এই আন্দোলনের ফলেই দ্বিতীয় বারের টাকা জেলা ম্যাজিস্ট্রেটের তত্ত্বাবধানে চেয়ারম্যান কতৃক ব্যয়িত হয়।

যাহা হউক প্রধান কথা এই, চাষী প্রজার দুঃখে ব্যথিত-ক্লম্ব জিভেন্দ্রলাল চাষীদের দিক হইতে উপযোগী করিয়া এই রিলিফের কার্য কতটুকু চালাইয়াছিলেন এবং কিই বা করিয়াছেন? এই চারি লক্ষ টাকার দ্বারা বীরভূমের কৃষিক্ষেত্র পল্লীপ্রণালীর পরিখা দ্বারা বেষ্টিত করিতে পারা যাইত;—বীরভূম জেলার প্রতি পল্লীগ্রামের সংস্কার সাধন করিয়া সৈচন উপযোগী করা যাইত;—ম্যালেরিয়া গ্রস্ত বীরভূমের কচুরী পানাপূর্ণ খাল, ডোবা, বিল, খাল পরিষ্কৃত হইয়া বীরভূম সত্যি পুনরায় স্বাস্থ্যের আবাসভূমি হইতে পারিত; পথ, ঘাট, জলস্রোত সাফ হইয়া গ্রামেরও উন্নতি হইত—বীরভূমের প্রয়োজনও ছিল তাই। আপনারাও চাহিয়াছিলেন তাহাই? কিন্তু তাহা পান নাই—ইচ্ছা হইতে স্পষ্টতঃ বুঝা যায় এই নিবর্তনের দিকে লক্ষ্য রাখিয়াই ঐ সকল টাকা খরচের ও খরচ নিবর্তনের জন্য নিজ মনোমত লোকের ব্যবস্থা হইয়াছিল। শুনিতে পাওয়া যায় প্রায় তিন শত মাইল ব্যাপিয়া মাটির উপর মাটি চাপাইয়া ঐ অর্থ দ্বারা রাস্তা তৈয়ারী করা হইয়াছিল। বর্ষার জলে সেই সব রাস্তার মাটি ও মাটির সহিত টাকা গলিয়া জল হইয়া গিয়াছে। এই অববেচনা ও এই অপব্যয়ের কৈফিয়ত দিবে কে?—জিভেন্দ্রলাল সে সম্বন্ধে একেবারে নিবর্তক।

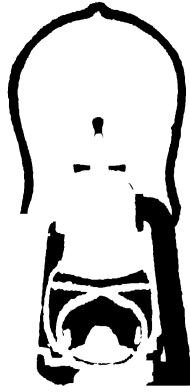

এত কথা বলিবার প্রয়োজন ছিল না। কিন্তু আজ এই দেশের দুঃসময়ে একদিকে গভর্ণমেন্ট ও অপর দিকে জিভেন্দ্রলালের ন্যায় সুবিধাবাদী রাজনীতিকদিগের দমননীতিতে দেশের জনসাধারণ দুর্বল মূহমান হইয়া পড়িয়াছে। এ সময়ে কংগ্রেসের পতাকাভঙ্গে প্রাচ্য ভগিনী সকলে একত্রে মিলিয়া শক্তি সম্বল করা ভিন্ন আমাদের অন্য কোন গতি নাই। কংগ্রেস ভিন্ন দেউলী আর কোন শক্তিশালী রাজনৈতিক প্রতিষ্ঠান নাই। কংগ্রেসের অপরিসীম শক্তির কথা জিভেন্দ্রলালেরও অবগিত নাই। তিনি বোধ হয় এখনও ভুলিয়া যান নাই যে এই সেদিন দেশবন্ধুর নেতৃত্বে কংগ্রেসী স্বরাজ্যদল বঙ্গীয় ব্যবস্থাপক সভার স্বেচ্ছাসিদ্ধ কর্তৃপক্ষ অসম্ভব করিয়া ভুলিয়াছিলেন, বাঙ্গালার শাস্ত্রত্বের উচ্ছেদসাধন করিয়াছিলেন। বাঙ্গালার গভর্ণর পরিশেষে দেশবন্ধুকে মন্ত্রীসভা গঠনের জন্য আহবান করিলেও তিনি কর্তৃপক্ষ বীরত্ব সহকারে প্রত্যাখ্যান করিয়াছিলেন। আর জিভেন্দ্রলাল মন্ত্রী পদ্যাকত্বই। এ কথা তিনি নানা স্থানে নিজ মুখেই বলিয়াছেন। নিজের পদলাঙ্গসার তিনি বেরূপভাবে দেশের প্রকৃত স্বার্থের বিরুদ্ধে কার্য করিয়া আসিতেছেন, তাহাতে তাঁহার ন্যায় ব্যক্তিকে আইন সভায় পাঠান জাতির পক্ষে নিরাপদ নহে।

আইন সভার ব্যক্তিগত মতামতের বা ব্যক্তিগত শক্তির কোন মূল্য নাই। সম্মতিই শক্তি। কাজেই কংগ্রেসের মতানুসারে শক্তিশালী দল গঠন করিতে পারিলেই আমরা এই অসার গভর্ণমেন্টকে জ্বল করিয়া তুলিতে পারিব। কংগ্রেস যে কেবল সাধারণ হিন্দু সদস্য পদগুলির নিমিত্তই প্রার্থী মনোনীত করিয়াছেন, তাহা নহে, অন্যান্য স্থানে অন্য Constituency গুলির প্রার্থী মনোনয়ন ও নিষ্পত্তি ব্যাপারেও তাঁহাদের লক্ষ্য ও চেষ্টা আছে। সুতরাং আপনাদের সমবেত সাহায্যের ফলে কংগ্রেস, অনার্সেসেই নিজের দলের লোক দ্বারা আইন সভা পূর্ণ করিতে পারিবে। আমার সত্বনয় নিবেদন—এবং আমি সম্পূর্ণ আশা করি যে, আপনারা সকলে একযোগে আমাকে তথা কংগ্রেসকে ভোট দিয়া জাতির স্বার্থ ও সম্মান অক্ষুণ্ণ রাখিবেন।

প্রক্বে জিতেন্দ্রলালের নিকট বীরভূমবাসীর কয়েকটি সোজা প্রশ্ন।

১। Criminal Amendment Act (সংশোধিত ফৌজদারী আইন) আপনি সমর্থন করিয়াছেন কিনা? দেশের সেই সর্বনাশকারী আইন সমর্থনকালে আপনি এই উক্তি করিয়াছিলেন কিনা যে প্রত্যেক শিখিত হিন্দু-পরিবারের পাকশালে বিপ্লববাদ আলোচনা ও প্রচার করা হয়? এই মিথ্যা উক্তি দ্বারা গভর্ণমেন্টকে আপনি ভুল বুঝাইয়াছেন কিনা?

২। গত ২৬শে নভেম্বর কাউন্সিলে কতিপয় নরমপন্থী সভ্য যে প্রস্তাব আনিয়াছিলেন যে বিনাবিচারে নিবর্দাসিত হুতভাণ্ড্য দেশসেবক বাঙ্গালী যুবকদিগকে অবিলম্বে মুক্তি দেওয়া হউক সেই প্রস্তাবের স্বপক্ষে কি বিপক্ষে আপনি ভোট দিয়াছিলেন?

৩। আপনি লাটসাহেবের অভিনন্দন পত্রে বলিয়াছেন কিনা যে আপনি নূতন শাসনতন্ত্রকে সাদরে মানিয়া লইলেন এবং তাহার গুণগান করিয়াছেন কিনা?

৪। নূতন শাসনতন্ত্র মানিয়া লইলেই সাম্প্রদায়িক বণ্টোয়ারা সমর্থন করা হয় কিনা?

৫। সাম্প্রদায়িক বণ্টোয়ারা প্রতিবাদের জন্য বর্ধমানের মহারাজা প্রভৃতির উৎসাহে ও দেশপুঞ্জ্য রবীন্দ্রনাথের সভাপতিত্বে কলিকাতা টাউনহলে যে বিরাট জনসভা হয় সেই সভায় আপনি যোগদান করিয়াছিলেন কি?

৬। বাংলার বিশিষ্ট দেশ-নেতাগণ সকলেই সাম্প্রদায়িক বণ্টোয়ারার প্রতিবাদ করিয়া ভারত সচিবের নিকট যে আবেদন পাঠাইয়াছিলেন আপনি তাহাতে দস্তখত করিয়াছিলেন কি?

Chittagong, the 18th June 1937.

Rules for the guidance of private candidates for the Matriculation Examination of 1938.

The following rules for the guidance of private candidates for the Matriculation Examination are published for general information.

1. Private students are those who have not attended any recognised or unrecognised school for at least one year previous to the examination. The term "private students" includes *bonâ fide* school-masters.

2. Private students must appear at the Test Examination of one of the following institutions on the dates mentioned below:—

Copilla Zilla School, Noakhali R. K. Zilla School, Chittagong Collegiate School and Rangamati High English School.

Date of examination—13th, 14th, 15th, 16th and 18th December 1937.

Female candidates and teachers of schools recognised by the Calcutta University, or any other University or any Board of Secondary Education in India are not required to pass the Test Examination for private candidates held by the Inspector of Schools, Chittagong Division.

3. Private candidates offering hygiene as one of their subjects need not obtain the previous permission of University for that purpose. They will be required to satisfy the Inspector of Schools that they have undergone a course of training in the subject. For this purpose they should submit to the Divisional Inspector of Schools, along with their applications for permission to appear at the Test Examination, certificates of training in it from a recognised medical practitioner or from a recognised teacher in hygiene.

4. Each private student will pay a fee of Rs. 5 to the head of the institution in which he appears for the Test Examination. No private student will be admitted to the Test Examination unless he is accompanied for the purpose of identification by some person known to the headmaster of the institution in which he appears.

5. Application for permission to appear at the Test Examination must be sent in time in duplicate in the enclosed form so as to reach this office not later than the 15th November 1937.

N.B.—A student who failed to pass or appear at the annual examination for promotion to class X at the end of the session 1936 and then left the school can, under no circumstances, be allowed to appear at the Test Examination.

6. The Inspector on being satisfied will grant necessary permission and return the application, which will then be the candidate's passport for admission to the Test Examination.

7. Every candidate must deposit his fee for the Test Examination with the headmaster of the institution in which he intends to appear, at least 15 days before the date of that examination. The headmaster will deposit the amount realized by him into the local Treasury and forward a copy of the Treasury chalan to this office. He should also submit to this office an account of the charges incurred by him (including remuneration to examiners) for conducting the examination of private candidates, together with vouchers in support of the charges, on receipt of which the Director of Public Instruction will be moved to sanction the expenditure.

8. The headmasters of the institutions named in paragraph 2 above should direct private candidates who satisfy the test to appear before them in due time, with their applications for admission to the Matriculation Examination, and to sign them in their presence. They will then grant the necessary certificate and forward the applications to the Inspector for countersignature, after which they will be returned to the headmasters for delivery to the candidates concerned.

9. In no circumstances should the fee for the Matriculation Examination be sent to the Inspector's office. It should be sent to the Controller of Examinations, Calcutta University, by the candidates themselves, together with the countersigned applications.

10. Private students must understand that the Test Examination of any school other than those named above will not be accepted by the Inspector.

11. The Matriculation Examination will be held in March 1938, the exact dates of which will be notified by the University.

**Resolution on final report on relief operations in Murshidabad
during the year 1936.**

GOVERNMENT OF BENGAL.

REVENUE DEPARTMENT.

Miscellaneous.

RESOLUTION—No. 642T.R.

Darjeeling, the 14th June 1937.

Read—

Letter No. 677R.G., dated the 17th April 1937, from the Commissioner, Presidency Division, submitting the final report on the relief operations in the district of Murshidabad during the year 1936.

2. The district of Murshidabad has an area of 2,091 square miles with a population of 1,370,677 persons and is divided into two parts known as the Rarh and the Bagri. In the Rarh area the land is high and undulating, the soil is laterite clay and lime-stone, trees are few, with the exception of clumps of palmyra palms, and *aman* paddy is the principal crop. The Bagri area is low lying and liable to flood. The soil here is fertile and produces a great variety of crops. *Aus* and *aman* paddy, jute and sugarcane are grown. Jute is extensively cultivated, and in addition, wheat, barley, gram, and fodder crops are grown to an extent hardly paralleled in other districts of Bengal. The richness of this tract is in striking contrast to the poverty of the Rarh area.

3. The monsoon was a partial failure in 1934 and there was heavy flooding, with extensive damage to crops, in the Bagri area, in August of that year. Test works had to be opened on a large scale from September 1934 to June 1935, gratuitous relief had to be distributed and large sums disbursed as agricultural loans.

The monsoon again failed in 1935, and the distress became acute once more. The total rainfall in 1935 was 38.94 inches against a normal of 55.37 inches. In July, August, September and early October steady rain is required for *aman* paddy in the Rarh, but during this period in 1935, only 27.70 inches of rain fell against a normal of 35.16. Cold weather rain was also insufficient, and from the beginning of October to the end of January 1936 only 0.59 inches of rain fell, against a normal of 4.99 inches. This meant that the *rabi* crop was also a failure, and the total result of this lack of rain was that the harvests of the year 1935-36 amounted to 38 per cent. of the normal.

4. The distress became so acute that scarcity had to be declared on the 25th April 1936, under rule 74 of the Bengal Famine Code, in the Khargram, Bharatpur and Burwan police-stations of Kandi subdivision, in the Sagardighi and Raghunathganj police-stations of Jangipur subdivision and in the Nabagram police-station of Lalbagh subdivision. Six hundred and fifty square miles with a population of 385,667 were affected in the "declared" area and 103 square miles with a population of 68,666 in the "non-declared" area. Relief operations were, therefore, conducted over 753 square miles with a population of 454,331.

In 1936 the rainfall was plentiful and bumper *aus* and *aman* crops were expected everywhere, when floods came in August and September and caused considerable damage in the Bagri area. The flood reached its height on the 25th of August and subsided by the middle of September. The total area affected by flood was 220 square miles with a population of about 150,000.

Relief measures were undertaken in the drought affected area early in 1936, and consisted of—

- (1) Test works.
- (2) Gratuitous relief.
- (3) Special relief and light work.
- (4) Charitable relief.
- (5) Private works (including works carried on with the aid of land improvement loans).
- (6) Agricultural loans.

Test works.—Test works were started in the drought affected area on the 3rd of February 1936 and continued till the 11th of July. They were restarted on the 21st September and closed on the 17th October. The works, all of which were carried out by the district board, consisted of re-excavation of old tanks, repairs to unmetalled roads and collection of "ghooting". In the selection of works preference was given to improvements in irrigation. For this purpose the re-excavation of 64 old silted up tanks was taken up, by arrangement with their owners. In addition, roads were repaired at 26 centres and about 88 miles were reconstructed. "Ghooting" collection was taken up in Jangipur and Kandi subdivisions only. This kind of work was useful in September and October when the soil was too wet for tank or road work.

The total cost of these works amounted to Rs. 1,04,623-11-9 and the number of units relieved was 745,546. The average wage was about annas 2 per head daily.

Gratuitous relief.—Gratuitous relief was given strictly in accordance with the procedure laid down in Chapter VIII of the Famine Code out of the grant sanctioned by Government. Distribution was made through Union Relief Committees. The rates were 3 pice to an adult and 2 pice to a child in cash, and when given in rice $7\frac{1}{2}$ chittaks to an adult and 5 chittaks to a child daily. A sum of Rs. 27,109 was spent on this account, and the number of units relieved was 385,665 in "declared" and 68,666 in "non-declared" areas.

(Note.—"A unit" = one person relieved for one day.)

Special relief and light work.—In addition to gratuitous relief, paddy husking schemes were also introduced. These schemes were not very successful, but 4,770 huskers were relieved out of charitable funds and 791 out of the Government grant.

Charitable relief.—Funds for charitable relief consisted of (1) allotments from the Indian People's Famine Trust Fund (Rs. 3,236), the 1936 West-Bengal Scarcity Relief Fund (Rs. 11,000) and the Joy Govind Law Fund (Rs. 5,772), and (2) money locally raised by the District Relief Committee (Rs. 5,935-3-7 $\frac{1}{2}$). Charitable relief was given to *bhadrak* and their families, and to *pardanashin* women who were not eligible for gratuitous relief under Chapter VIII of the Famine Code. In the drought-affected areas 241,994 units were given relief from the Indian Peoples' Famine Trust Fund and the West-Bengal Scarcity Relief Fund. A sum of Rs. 2,274 was spent on the supply of cloth and Rs. 434 on repairs to huts. Out of the money raised by the District Relief Committee a sum of Rs. 2,872-10-7 $\frac{1}{2}$ was spent in the drought-affected and Rs. 2,210-8-6 in the flooded area. Units numbering 144,363 were relieved in the flooded area from the grant sanctioned out of the Joy Govind Law Fund. In addition, 1,800 pieces of cloth received from other sources were distributed.

Both the East Indian and Eastern Bengal Railways gave concession rates for freight on cloth and other commodities required by recognised relief organisations.

Land improvement loans.—To encourage private works, Rs. 18,260 was distributed under the Land Improvement Loans Act. A total number of 51,098 units was relieved, at a cost of Rs. 8,248, on private works, including works carried on with the aid of land improvement loans.

Agricultural loans.—A sum of Rs. 1,36,098 was distributed in "declared", Rs. 48,300 in "non-declared" and Rs. 38,250 in flood-affected areas.

Sums of Rs. 1,861 and Rs. 9,692 were spent by Government and the district board, respectively, in providing wells for drinking water.

Mr. O. M. Martin, C.I.E., I.C.S., the then Additional Commissioner, Presidency and Burdwan Divisions, supervised the relief operations. He visited the district several times and toured in the affected tracts.

In the opinion of Government, the relief measures carried out in this district were adequate; they were conducted with efficiency and economy and credit is due to all those who worked earnestly to achieve this satisfactory result.
